Children's Health Insurance Program Reauthorization Act

Our American Indian Outreach Specialist, Brandi Springer, is here to help you sign up your Native American children for Kansas HealthWave Insurance as part of CHIPRA.

Call her at: 316-491-7688

Yvonne Long, our patient services director, is also here to help.

One of our patients said:

*We just assumed Hunter Health Clinic couldn't take insurance payments from their Indian patients so it was never a priority to get insurance coverage until our child needed surgery. We're glad to know that Hunter Health Clinic can take insurance and that we're able to give back or help share the cost of the care we receive."*
