**The Impact of the ACA on Safety Net Providers and their Patients:  
Opportunities for Outreach and Education Webcast**

**Wednesday, September 18, 2013 from 12:00 – 1:00 pm ET**

**Join the webcast**

Please join the Health Resources and Services Administration on Wednesday, September 18 at 12pm ET for a webcast highlighting the impact of the Affordable Care Act on safety net providers and their patient populations. The session will include a brief overview of the two new opportunities for health care coverage and strategies that providers can take to educate their patients about the new insurance options available to them beginning on October 1, 2013. Information about the different types of consumer assistance available will be shared and there will be time for questions and answers as well.
