Course Overview

- Account Settings
 - Update personal information
 - Change password
 - View account activity
- Account Settings available to AM
 - Designee Maintenance
 - Update Paperless Email Distribution

Slide notes

This course will describe the following Account Setting functions:

- update personal information,
- change password, and
- view account activity.

It will also describe the following additional Account Setting functions available to the Account Manager (AM) of the selected account:

- designee maintenance and
- update paperless email distribution.

Slide 4 of 25 - Update Personal Information

Update Personal Information

MSPRP allows users to modify their personal information

Personal information is recorded during initial registration

- Can be modified as necessary

Slide notes

The MSPRP provides users with the ability to change or correct their personal information.

Although this information is recorded during your initial registration process, it can be modified as necessary.

Slide 5 of 25 - Account List Page

Account List

Click the desired link to access the associated account. Accounts with a green leaf (🌿) include an address that has opted to "Go Paperless" via the MMSEA Section 111 Reporting process. These accounts receive letter notification e-mails instead of mailed letters for the "Go Paperless" addresses. You are responsible for viewing all "Go Paperless" correspondence on the MSPRP. **Note:** To obtain information on the account's paperless addresses, please contact your Section 111 file submitter/reporting agent.

You may update your personal information or change your current password by clicking the appropriate link under the Account Settings List.

Multi-Factor Authentication

MSPRP users may request access to view unmasked claims data that was previously only accessible to the beneficiary. Individuals requesting this access must complete the ID Proofing and Multi-Factor Authentication (MFA) process. The status of your request will display as a link under the Multi-Factor Authentication box. You will click this link to progress through the required steps. Once you have successfully completed the process your status will be changed to Complete.

During the ID Proofing process, you will be asked to provide current personal information to confirm your identity with Experian Credit Services (an outside entity). This information will not be stored on the MSPRP. This process will not impact your credit score.

To use MFA services, you will be required to register for a Factor Type (Voice Call and/or Text Message(SMS)) as a method of receiving your security token to access the MSPRP application using your MFA Login. When registering for Voice Call, a landline phone or mobile device may be used to receive the security token via phone call. To register for Text Message(SMS) you must register with a mobile phone number in order to receive your security token via text message. After the Factor registration, you then must activate the Factor for your login ID. You may only have ONE registered or activated phone number per factor type.

You will be able to activate the factor after the Next Step link has changed to **Factor Required**. To begin the ID Proofing process, click the Next Step: **Getting Started** link.

Designee Listing  [Print this page](#)

This page provides the Designee(s) information for the individuals you have assigned to the account.

An Account Manager can only make changes to a pending Designee. Once the Designee has registered and has a Login ID, the Account Manager cannot make changes to the Designee information other than deleting the Designee from the account.

To make changes to the account of a particular Designee listed, select the link on the individual's last name. To delete a Designee select the Delete function to the left of the individual's name. Use the **Add Designee** function to include an individual as a designee. Individuals added as designees will receive an e-mail notifying them that they have been invited to be a designee for the account.

Selecting **Cancel** will return you to the Home Page.

The main content area is titled 'Paperless E-mail Distribution' and includes a printer icon and a 'Print this page' link. The text explains that MSRP accounts with 'Go Paperless' addresses receive letter notification e-mails instead of hard copy letters. It provides instructions on how to update the 'Paperless E-mail Address' and how to manage 'BCC Account Designees'. Below the text are two input fields for the email address, a checked checkbox for 'BCC Account Designees', and 'Continue' and 'Cancel' buttons. A 'Quick Help' box on the right contains a 'Help About This Page' link. The footer contains links for CMS/HHS Vulnerability Disclosure Policy, Privacy Policy, User Agreement, and Adobe Reader.

Slide notes

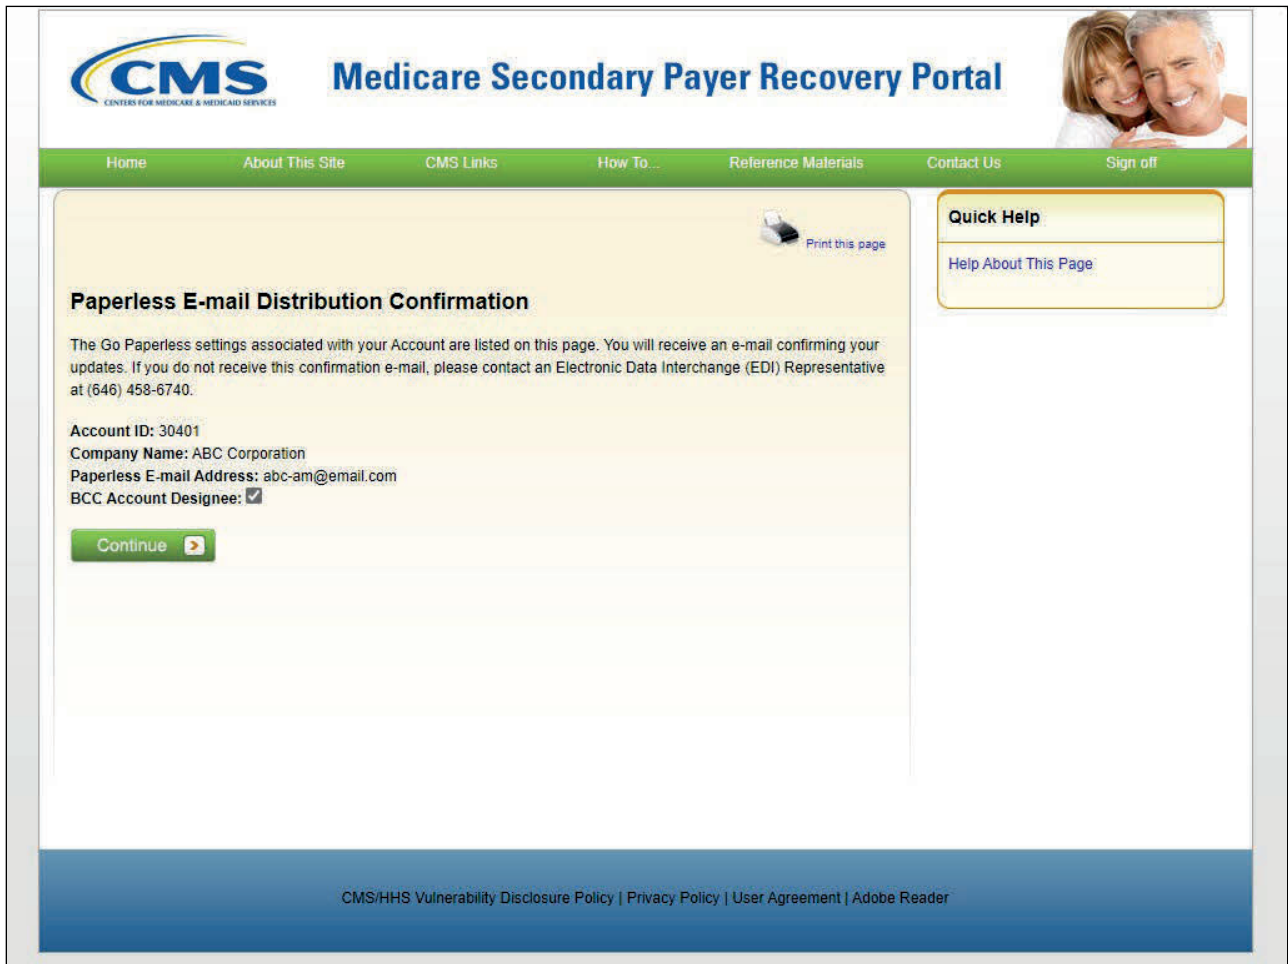

Once the Update Paperless Email Distribution link has been selected, the Paperless Email Distribution page will appear.

MSPRP accounts with “Go Paperless” addresses receive letter notification emails instead of hard copy letters for “Go Paperless” addresses. These emails are sent to the AM.

The individual/distribution list entered in the optional “Paperless Email Address” are copied on the letter notification emails. To update the “Paperless Email Address”, the AM will enter and re-enter the email address and click Continue.

The Account Designees are blind copied on the letter notification emails. To remove the Account Designees from the letter notification emails, the AM will uncheck the “BCC Account Designees” check box (if checked) and click Continue.
