## RESOURCES

# Medicaid & CHIP for American Indians/Alaska Natives

## **Special Protections for AI/ANs in Medicaid & CHIP**

- If you are AI/AN and participate in the Medicaid program, you do not have to pay premiums or enrollment fees; and, if you use or have ever used an ITU or received care through Purchased/Referred Care (PRC) you do not have to pay enrollment fees, premiums, or any cost sharing, such as deductibles or copayments.
- State Medicaid programs must exclude certain types of Indian trust income & Indian trust property when determining Medicaid or CHIP eligibility.
- Certain Indian property, income, and resources owned by AI/ANs are exempt from Medicaid estate recovery.
- If you are an AI/AN enrolled in a Medicaid managed care plan, you can still receive services from your local ITU, even if the ITU provider is not in the managed care plan's network.
