Amendments, riders or endorsements may be delivered with the Certificate or added thereafter.

[⁷This Certificate offers You the option to receive Covered Services on two benefit levels:

In-Network Benefits. In-network benefits are the highest level of coverage available. In-network benefits apply when Your care is provided by Participating Providers in Our [⁶Liberty; Freedom] network. You should always consider receiving health care services first through the in-network benefits portion of this Certificate. [¹²In-network care covered under this Certificate (including Hospitalization) must be provided, arranged or authorized in advance by Your Primary Care Physician and, when required, approved by Us. In order to receive in-network benefits, You must contact Your Primary Care Physician before You obtain the services except for services to treat an Emergency or Urgent Condition described in Section VI – Covered Services.]

Out-of-Network Benefits. The out-of-network benefits portion of this Certificate provides coverage when You receive Covered Services from Non-Participating Providers. Your out-of-pocket expenses will be higher when You receive out-of-network benefits. In addition to Cost-Sharing, You will also be responsible for paying any difference between the Allowed Amount and the Non-Participating Provider’s charge. Some Covered services, such as Preventive Care for adults are only Covered when received from Participating Providers and are not Covered as out-of-network benefits. See the Schedule of Benefits in Section XV – Schedule of Benefits of the Certificate for more information.]

[⁸In-Network Benefits. This Certificate only covers in-network benefits. To receive in-network benefits You must receive care exclusively from Participating Providers in our [⁶Liberty; Freedom] network. [¹²Care Covered under this Certificate (including Hospitalization) must be provided, arranged or authorized in advance by Your Primary Care Physician and, when required, approved by Us. In order to receive the benefits under this Certificate, You must contact Your Primary Care Physician before You obtain the services except for services to treat an Emergency or Urgent Condition described in Section VI – Covered Services.] Except for care for an Emergency Condition described in Section VI – Covered Services, You will be responsible for paying the cost of all care that is provided by Non-Participating Providers.]

Section II - How Your Coverage Works

1. **Your Coverage under this Certificate.** Your employer (referred to as the “Group policyholder”) has purchased a Group health insurance Policy from Us. We will provide the benefits described in this Certificate to members of the Group, that is, to employees of the Group and their Covered Dependents. However, this Certificate is not a contract between You and Us. You should keep this Certificate with Your other important papers so that it is available for Your future reference.
2. **Covered Services.** You will receive Covered Services under the terms and conditions of this Certificate only when the Covered Service is:
 - Medically Necessary;
 - Provided by a Participating Provider [\[⁷for In-Network Coverage\]](#);
 - Listed as a Covered Service;
 - Not in excess of any benefit limitations described in the Schedule of Benefits in Section XV – Schedule of Benefits of this Certificate; and
 - Received while Your Certificate is in force.
3. **Participating Providers.** To find out if a Provider is a Participating Provider:
 - Check Your Provider directory, available at Your request.
 - Call Customer Service.
 - Visit our website at [\[¹XXX\]](#).
4. **The Role of Primary Care Physicians.** This Certificate [\[¹²has\]](#) [\[¹³does not have\]](#) a gatekeeper, usually known as a Primary Care Physician (PCP). You [\[¹³do not\]](#) need a written Referral from a PCP before receiving Specialist care. [\[¹²You may select any Participating PCP who is available from the list of PCPs in the EPO \[⁶Liberty; Freedom\] Network. Each Member may select a different PCP. Children covered under this Certificate may designate a Participating PCP who specializes in pediatric care. In certain circumstances, You may designate a Specialist as your PCP. See Section II – How Your Coverage Works of this Certificate for more information about designating a Specialist. For purposes of Cost-Sharing, if You seek services from a Primary Care Physician \(or a Physician covering for a Primary Care Physician\) who has a primary or secondary specialty other than general practice, family practice, internal medicine, pediatrics and OB/GYN, You must pay the specialty office visit Cost-Sharing in the Schedule of Benefits in Section XV - Schedule of Benefits of this Certificate.\]](#)
[\[¹²Your PCP is responsible for determining the most appropriate treatment for Your health care needs. You do not need a Referral from Your PCP to a Participating Provider for the following services:](#)
 - [Primary and preventive obstetric and gynecologic services including annual examinations, care resulting from such annual examinations, treatment of](#)

Acute gynecologic conditions, or for any care related to a pregnancy from a qualified Participating Provider of such services

provided that the Participating Provider discusses the services and treatment plan with Your PCP; agrees to follow Our policies and procedures including any procedures regarding Referrals or Preauthorization for services other than obstetric and gynecologic services rendered by such Participating Provider; and agrees to provide services pursuant to a treatment plan (if any) approved by Us.]

5. **Services Subject To Preauthorization.** Our Preauthorization is required before You receive certain Covered Services. Your Participating Provider is responsible for requesting Preauthorization for in-network services.
6. **Medical Management.** The benefits available to You under this Certificate are subject to pre-service, concurrent and retrospective reviews to determine when services should be covered by Us. Their purpose is to promote the delivery of cost-effective medical care by reviewing the use of procedures and, where appropriate, the setting or place of service that they are performed. Covered Services must be Medically Necessary for benefits to be provided.
7. **Care Must Be Medically Necessary.** We Cover benefits described in this Certificate as long as the health care service, procedure, treatment, test, device, Prescription Drug or supply (collectively, “service”) is Medically Necessary. The fact that a Provider has furnished, prescribed, ordered, recommended, or approved the service does not make it Medically Necessary or mean that We have to Cover it.

We may base Our decision on a review of: Your medical records; Our medical policies and clinical guidelines; medical opinions of a professional society, peer review committee or other groups of Physicians; reports in peer-reviewed medical literature; reports and guidelines published by nationally-recognized health care organizations that include supporting scientific data; professional standards of safety and effectiveness, which are generally-recognized in the United States for diagnosis, care, or treatment; the opinion of Health Care Professionals in the generally-recognized health specialty involved; and the opinion of the attending Providers, which have credence but do not overrule contrary opinions.

Services will be deemed Medically Necessary only if:

- They are clinically appropriate in terms of type, frequency, extent, site, and duration, and considered effective for Your illness, injury, or disease;
- They are required for the direct care and treatment or management of that condition;
- Your condition would be adversely affected if the services were not provided;
- They are provided in accordance with generally-accepted standards of medical practice;
- They are not primarily for the convenience of You, Your family, or Your Provider;

- They are not more costly than an alternative service or sequence of services, that is they are at least as likely to produce equivalent therapeutic or diagnostic results;
- When setting or place of service is part of the review, services that can be safely provided to You in a lower cost setting will not be Medically Necessary if they are performed in a higher cost setting. For example we will not provide coverage for an inpatient admission for surgery if the surgery could have been performed on an outpatient basis.

See Section IX – Grievance, Utilization Review & External Appeals of this Certificate for Your right to an internal appeal and external appeal of Our determination that a service is not Medically Necessary.

Section III - Access To Care And Transitional Care

[¹²If We determine that We do not have a Participating Provider that has the appropriate training and experience to treat Your condition, We will approve a Referral to an appropriate Non-Participating Provider. Approvals of Referrals to Non-Participating Providers will not be made for the convenience of You or another treating Provider. Your Participating Provider or You must request prior approval of the Referral to a specific Non-Participating Provider. If We approve the Referral, all services performed by the Non-Participating Provider are subject to a treatment plan approved by Us in consultation with Your PCP, Your Non-Participating Provider and You. Covered Services rendered by the Non-Participating Provider will be paid as if they were provided by a Participating Provider. You will be responsible only for any applicable In-Network Cost-Sharing.]

[¹²When a Specialist Can Be Your Primary Care Physician]

[¹²If You have a life-threatening condition or disease or a degenerative and disabling condition or disease that requires specialty care over a long period of time, You may ask that a Specialist who is a Participating Provider be Your PCP. We will consult with the Specialist and Your PCP and decide whether the Specialist should be Your PCP. Any Referral will be pursuant to a treatment plan approved by Us in consultation with Your PCP, the Specialist and You. We will not approve a Non-Participating Specialist unless We determine that We do not have an appropriate Provider in Our Network. If We approve a Non-Participating Specialist, Covered Services rendered by the Non-Participating Specialist pursuant to the approved treatment plan will be paid as if they were provided by a Participating Provider. You will be responsible only for any applicable In-Network Cost-Sharing.]

[¹²Standing Referral to a Participating Specialist]

[¹²If You need ongoing specialty care, You may receive a "standing Referral" to a Specialist who is a Participating Provider. This means that You will not need a new Referral from Your PCP every time You need to see that Specialist. We will consult with the Specialist and Your PCP and decide whether You should have a "standing Referral." Any Referral will be pursuant to a treatment plan approved by Us in consultation with Your PCP, the Specialist and You. The treatment plan may limit the number of visits, or the period during which the visits are authorized and may require the Specialist to provide your PCP with regular updates on the specialty care provided as well as all necessary medical information. We will not approve a standing Referral to a Non-Participating Specialist unless We determine that We do not have an appropriate Provider in Our Network. If We approve a standing Referral to a Non-Participating Specialist, Covered Services rendered by the Non-Participating Specialist pursuant to the approved treatment plan will be paid as if they were provided by a Participating Provider. You will be responsible only for any applicable In-Network Cost-Sharing.]

[¹²Specialty Care Center]

[¹²If You have a life-threatening condition or disease or a degenerative and disabling condition or disease that requires specialty care over a long period of time, You may request a Referral to a specialty care center with expertise in treating Your condition or disease. A specialty care center is a center that has an accreditation or designation from a state agency, the federal government or a national health organization as having special expertise to treat Your disease or condition. We will consult with Your PCP, Your Specialist, and the specialty care center to decide whether to approve such a Referral. Any Referral will be pursuant to a treatment plan developed by the specialty care center, and approved by Us in consultation Your PCP or Specialist and You. We will not approve a Referral to a Non-Participating specialty care center unless We determine that We do not have an appropriate specialty care center in Our Network. If We approve a Referral to a Non-Participating specialty care center, Covered Services rendered by the Non-Participating specialty care center pursuant to the approved treatment plan will be paid as if they were provided by a Participating specialty care center. You will be responsible only for any applicable In-Network Cost-Sharing.]

When Your Provider Leaves the Network

If You are in an ongoing course of treatment when Your Provider leaves Our Network, then You may be able to continue to receive Covered Services for the ongoing treatment from the former Participating Provider for up to ninety (90) days from the date Your Provider's contractual obligation to provide services to You terminates. If You are pregnant and in Your second or third trimester, You may be able to continue care with a former Participating Provider through delivery and any postpartum care directly related to the delivery.

In order for You to continue to receive Covered services for up to ninety (90) days or through a pregnancy with a former Participating Provider, the Provider must agree to accept as payment the negotiated fee that was in effect just prior to the termination of our relationship with the Provider. The Provider must also agree to provide Us necessary medical information related to Your care and adhere to our policies and procedures, including those for assuring quality of care, obtaining Preauthorization, Referrals, and a treatment plan approved by Us. If the Provider agrees to these conditions, You will receive the Covered services as if they were being provided by a Participating Provider. You will be responsible only for any applicable in-Network Cost-Sharing. Please note that if the Provider was terminated by Us due to fraud, imminent harm to patients or final disciplinary action by a state board or agency that impairs the Provider's ability to practice, continued treatment with that Provider is not available.

New Members In a Course of Treatment

If You are in an ongoing course of treatment with a Non-Participating Provider when Your coverage under this Certificate becomes effective, You may be able to receive Covered Services for the ongoing treatment from the Non-Participating Provider for up to sixty (60) days from the effective date of Your coverage under this Certificate. This course of treatment must be for a life-threatening disease or condition or a degenerative

and disabling condition or disease. You may also continue care with a Non-Participating Provider if You are in the second or third trimester of a pregnancy when Your coverage under this Certificate becomes effective. You may continue care through delivery and any post-partum services directly related to the delivery.

In order for You to continue to receive Covered services for up to sixty (60) days or through pregnancy, the Non-Participating Provider must agree to accept as payment Our fees for such services. The Provider must also agree to provide Us necessary medical information related to Your care and to adhere to Our policies and procedures including those for assuring quality of care, obtaining Preauthorization, Referrals, and a treatment plan approved by Us. If the Provider agrees to these conditions, You will receive the Covered services as if they were being provided by a Participating Provider. You will be responsible only for any applicable In-Network Cost-Sharing.

An additional charge may apply when a Prescription Drug on a higher tier is dispensed at Your or Your Provider's request, when a chemically equivalent Prescription Drug is available on a lower tier. You will have to pay the difference between the cost of the Prescription Drug on the higher tier and the cost of the

Prescription Drug on the lower tier. The cost difference must be paid in addition to the lower tier Copayment or Coinsurance.

You are responsible for paying the full cost (the amount the pharmacy charges You) for any non-Covered Prescription Drug and Our contracted rates (Our Prescription Drug Cost) will not be available to You.

2. **Participating Pharmacies:** For Prescription Drugs purchased at a retail or mail order or designated Participating Pharmacy, You are responsible for paying the lower of:
 - The applicable Cost-Sharing; or
 - The Participating Pharmacy's Usual and Customary Charge (which includes a dispensing fee and sales tax) for the Prescription Drug.

(Your Cost-Sharing will never exceed the Usual and Customary Charge of the Prescription Drug.)

In the event that Our Participating Pharmacies are unable to provide the Covered Prescription Drug, and cannot order the Prescription Drug within a reasonable time, You may, with Our prior written approval, go to a Non-Participating Pharmacy that is able to provide the Prescription Drug. We will pay You the Prescription Drug Cost for such approved Prescription Drug less Your required In-Network Cost-Sharing upon receipt of a complete Prescription Drug claim form. Contact Us by calling the Customer Service number on Your ID card or visit our website at [1XXX] to request approval.

3. **Non-Participating Pharmacies:** We will not pay for any Prescription Drugs that You purchase at a Non-Participating retail or mail order Pharmacy other than as described above.
4. **Designated Pharmacies:** If You require certain Prescription Drugs including, but not limited to specialty Prescription Drugs, We may direct You to a Designated Pharmacy with whom We have an arrangement to provide those Prescription Drugs.

Generally, specialty Prescription Drugs are Prescription Drugs that are approved to treat limited patient populations or conditions; are normally injected, infused or require close monitoring by a Provider; or have limited availability, special dispensing and delivery requirements and/or require additional patient supports.

If You are directed to a Designated Pharmacy and You choose not to obtain Your Prescription Drug from a Designated Pharmacy, You will not have Coverage for that Prescription Drug.

You will be charged the mail order Cost-Sharing for any Prescription Orders or Refills sent to the mail order supplier regardless of the number of days supply written on the Prescription Order or Refill.

You or Your Provider may obtain a copy of the list of Prescription Drugs available through mail order by visiting Our website at [1XXX] or by calling the Customer Service number on Your ID card. The maintenance drug list is updated periodically. Visit Our website or call the Customer Service number on your ID card to find out if a particular drug is on the maintenance list.

6. **Tier Status:** The tier status of a Prescription Drug may change periodically. Changes will generally be quarterly, but no more than six times per calendar year, based on Our periodic tiering decisions. These changes may occur without prior notice to You. However, if You have a prescription for a drug that is being moved to a higher tier (other than a Brand-Name Drug that becomes available as a Generic as described below) We will notify You. When such changes occur, Your out-of-pocket expense may change. You may access the most up to date tier status on Our website at [1XXX] or by calling the Customer Service number on Your ID card.
7. **When a Brand-Name Drug Becomes Available As a Generic:** When a Brand-Name Drug becomes available as a Generic, the tier placement of the Brand-Name Prescription Drug may change. If this happens, You will pay the Cost-Sharing applicable to the tier to which the Prescription Drug is assigned. Please note, if You are taking a Brand-Name Drug that is being excluded due to a generic becoming available You will receive advance written notice of the Brand-Name Drug exclusion. If coverage is denied, You are entitled to an Appeal as outlined in Section IX – Grievance, Utilization Review & External Appeals of the Certificate.
8. **Supply Limits:** We will pay for no more than a 30-day supply of a Prescription Drug purchased at a retail pharmacy or Designated Pharmacy. You are responsible for one Cost-Sharing amount for up to a 30-day supply.

Benefits will be provided for drugs dispensed by a mail order pharmacy in a quantity of up to a 90-day supply. You are responsible for one Cost-Share amount for a 30-day supply up to a maximum of two and a half Cost-Share amounts for a 90-day supply. We will provide benefits that apply to drugs dispensed by a mail order pharmacy to drugs that are purchased from a retail pharmacy when that retail pharmacy has a participation agreement with Us in which it agrees to be bound by the same terms and conditions as a Participating mail order pharmacy.

Some Prescription Drugs may be subject to quantity limits based on criteria that We have developed, subject to Our periodic review and modification. The limit may restrict the amount dispensed per Prescription Order or Refill and/or the amount dispensed per month's supply. You can determine whether a Prescription Drug has been assigned a maximum quantity level for dispensing by accessing Our website at [1XXX] or by calling Customer Service at the telephone number on Your ID card. If We deny a request to Cover an amount that exceeds Our quantity level, You are entitled to an Appeal pursuant to Section IX – Grievance, Utilization Review & External Appeals of the Certificate.

9. **Cost-Sharing for Orally-Administered Anti-cancer Drugs.** Your Cost-Sharing for orally-administered anti-cancer drugs is the lesser of the applicable Prescription Drug Cost-Sharing amount specified in the Schedule of Benefits in Section XV – Schedule of Benefits of this Certificate or the Cost-Sharing amount, if any, that applies to intravenous or injectable chemotherapy agents Covered under Section VI – Covered Services of this Certificate.
10. **Half Tablet Program.** Certain Prescription Drugs may be designated as eligible for Our voluntary half tablet program. This program provides the opportunity to reduce Your Prescription Drug Out-of-Pocket Expenses by up to 50% by using higher strength tablets and splitting them in half. If You are taking an eligible Prescription Drug, and You would like to participate in this program, please call Your Physician to see if the half tablet program is appropriate for Your condition. If Your Physician agrees, he or she must write a new prescription for Your medication to enable Your participation.

You can determine whether a Prescription Drug is eligible for the voluntary half tablet program by accessing Our website at [1XXX] or by calling Customer Service at the telephone number on Your ID card.

Medical Management

This Certificate includes certain features to determine when Prescription Drugs should be Covered, which are described below. As part of these features, Your prescribing Provider may be asked to give more details before We can decide if the Prescription Drug is Medically Necessary.

1. **Preauthorization.** Preauthorization may be needed for certain Prescription Drugs to make sure proper use and guidelines for Prescription Drug coverage are followed. When appropriate, Your Provider will be responsible for obtaining Preauthorization for the Prescription Drug. Should You choose to purchase the Prescription Drug without obtaining Preauthorization, You must pay for the cost of the entire Prescription Drug and submit a claim to Us for reimbursement.

For a list of Prescription Drugs that need Preauthorization, please visit our website at [1XXX] or call the Customer Service number on Your ID card. The list will be reviewed and updated from time to time. We also reserve the right to require Preauthorization for any new Prescription Drug on the market or of any currently available Prescription Drug which undergoes a change in prescribing protocols

and/or indications regardless of the therapeutic classification. Including a Prescription Drug or related item on the list does not promise coverage under Your Plan. Your Provider may check with Us to find out which Prescription Drugs are Covered.

2. **Step Therapy.** Step therapy is a process in which You may need to use one type of Prescription Drug before We will Cover another as Medically Necessary. We check certain Prescription Drugs to make sure that proper prescribing guidelines are followed. These guidelines help You get high quality and cost effective Prescription Drugs. The Prescription Drugs that require preauthorization under the Step Therapy Program are also included on the preauthorization drug list.

Limitations/Terms of Coverage

1. We reserve the right to limit quantities, day supply, early Refill access and/or duration of therapy for certain medications based on Medical Necessity including acceptable medical standards and/or FDA recommended guidelines.
2. If We determine that You may be using a Prescription Drug in a harmful or abusive manner, or with harmful frequency, Your selection of Participating Pharmacies may be limited. If this happens, We may require You to select a single Participating Pharmacy that will provide and coordinate all future pharmacy services. Benefits will be paid only if You use the selected single Participating Pharmacy. If You don't make a selection within 31 days of the date We notify You, We will select a single Participating Pharmacy for You.
3. Compounded Prescription Drugs will be Covered only when they contain at least one ingredient that is a Covered legend Prescription Drug, are Medically Necessary, and are obtained from a pharmacy that is approved for compounding. All compounded Prescription Drugs require Your Provider to obtain Preauthorization.
4. Various specific and/or generalized "use management" protocols will be used from time-to-time in order to ensure appropriate utilization of medications. Such protocols will be consistent with standard medical/drug treatment guidelines. The primary goal of the protocols is to provide Our Members with a quality-focused drug benefit. In the event a use management protocol is implemented, and You are taking the drug(s) affected by the protocol, You will be notified in advance.
5. Injectable drugs (other than self-administered injectable drugs) and diabetic insulin, oral hypoglycemics, and diabetic supplies are not Covered under this section but are Covered under other sections of this Certificate.
6. We do not Cover charges for the administration or injection of any Prescription Drug. Prescription Drugs given or administered in a Physician's office are Covered under Section VI – Covered Services of this Certificate.
7. We do not Cover drugs that do not by law require a prescription, except ¹⁸for smoking cessation drugs or] as otherwise provided in this Certificate.

8. We do not Cover Prescription Drugs that have over-the-counter non-prescription equivalents. Non-prescription equivalents are drugs available without a prescription that have the same name/chemical entity as their prescription counterparts.
9. We do not Cover Prescription Drugs to replace those that may have been lost or stolen.
10. We do not Cover Prescription Drugs dispensed to You while in a Hospital, nursing home, other institution, Facility, or if You are a home care patient, except in those cases where the basis of payment by or on behalf of You to the Hospital, nursing home, Home Health Agency or home care services agency, or other institution, does not include services for drugs.
11. Your benefit for insulin, diabetic Prescription Drugs, supplies and equipment is not provided under this section of the Certificate and is Covered under Section VI – Covered Services of the Certificate.
12. We reserve the right to deny benefits as not Medically Necessary or experimental or investigational for any drug prescribed or dispensed in a manner contrary to standard medical practice. If coverage is denied, You are entitled to an Appeal as described in Section VI – Covered Services of this Certificate.
13. A pharmacy need not dispense a prescription order that, in the pharmacist's professional judgment, should not be filled.
14. We do not Cover nutritional supplements (formulas), non-prescription enteral formulas, and modified food solid products except as described under the Covered Outpatient Prescription Drug Section.

General Conditions

1. You must show Your ID card to a retail pharmacy at the time You obtain Your Prescription Drug or You must provide the pharmacy with identifying information that can be verified by Us during regular business hours. You must include Your identification number on the forms provided by the mail order pharmacy from which You make a purchase.
2. **Drug Utilization, Cost Management and Rebates.** We conduct various utilization management activities designed to ensure appropriate Prescription Drug usage, to avoid inappropriate usage, and to encourage the use of cost-effective drugs. Through these efforts, You benefit by obtaining appropriate Prescription Drugs in a cost-effective manner. The cost savings resulting from these activities are reflected in the premiums for Your coverage. We may, from time-to-time, also enter into agreements that result in Us receiving rebates or other funds ("rebates") directly or indirectly from Prescription Drug manufacturers, Prescription Drug distributors or others. Any rebates are based upon utilization of Prescription Drugs across all of Our business and not solely on any one Member's utilization of Prescription Drugs. Any rebates received by Us may or may not be applied, in whole or part, to reduce premiums either through an adjustment to claims costs or as an adjustment to the administrative expenses component of Our Prescription

Drug premiums. Instead, any such rebates may be retained by Us, in whole or part, in order to fund such activities as new utilization management activities, community benefit activities and increasing reserves for the protection of Members. Rebates will not change or reduce the amount of any Copayment or Coinsurance applicable under Our Prescription Drug coverage.

Definitions

Terms used in this section are defined as follows. (Other defined terms can be found in the definitions section of this Certificate).

Brand-Name Drug: A Prescription Drug that (1) is manufactured and marketed under a trademark or name by a specific drug manufacturer; or (2) that We identify as a Brand-Name Prescription Drug, based on available data resources. All Prescription Drugs identified as a “brand name” by the manufacturer, pharmacy, or Your Physician may not be classified as Brand-Name Drug by Us.

Designated Pharmacy: A pharmacy that has entered into an agreement with Us or with an organization contracting on Our behalf, to provide specific Prescription Drugs, including, but not limited to, Specialty Prescription Drugs. The fact that a pharmacy is a Participating Pharmacy does not mean that it is a Designated Pharmacy.

Formulary: The list that identifies those Prescription Drugs for which Coverage may be available under this Certificate. This list is subject to Our periodic review and modification (generally quarterly, but no more than six times per calendar year). You may determine to which tier a particular Prescription Drug has been assigned by visiting Our website at [\[1XXX\]](#) or by calling the Customer Service number on Your ID card.

Generic Drug: A Prescription Drug that (1) is chemically equivalent to a Brand-Name Drug; or (2) that We identify as a Generic Prescription Drug based on available data resources. All Prescription Drugs identified as a “generic” by the manufacturer, pharmacy, or Your Physician may not be classified as a Generic Drug by Us.

Non-Participating Pharmacy: A pharmacy that has not entered into an agreement with Us to provide Prescription Drugs to Members.

Participating Pharmacy: A pharmacy that has:

- entered into an agreement with Us or Our designee to provide Prescription Drugs to Members;
- agreed to accept specified reimbursement rates for dispensing Prescription Drugs; and
- has been designated by Us as a Participating Pharmacy.

A Participating Pharmacy can be either a retail or mail-order pharmacy.

Prescription Drug: A medication, product or device that has been approved by the FDA and that can, under federal or state law, be dispensed only pursuant to a Prescription Order or Refill and is on Our Formulary. A Prescription Drug includes a medication that, due to its characteristics, is appropriate for self administration or administration by a non-skilled caregiver.

Prescription Drug Cost: The rate We have agreed to pay Our Participating Pharmacies, including a dispensing fee and any sales tax, for a Covered Prescription Drug dispensed at a Participating Pharmacy. If Your Plan includes Coverage at Non-Participating Pharmacies, the Prescription Drug Cost for a Prescription Drug dispensed at a Non-Participating Pharmacy is calculated using the Prescription Drug Cost that applies for that particular Prescription Drug at most Participating Pharmacies.

Prescription Order or Refill: The directive to dispense a Prescription Drug issued by a duly licensed health care provider whose scope of practice permits issuing such a directive.

Usual and Customary Charge: The usual fee that a pharmacy charges individuals for a Prescription Drug without reference to reimbursement to the pharmacy by third parties as required by Section 6826-a of the Education Law.

Grievance Appeals. If You are not satisfied with the resolution of Your Grievance, You or Your designee may file an Appeal by phone or in writing. You have up to 60 business days from receipt of the Grievance determination to file an Appeal.

When We receive Your Appeal, We will mail an acknowledgment letter within 15 business days. The acknowledgement letter will include the name, address, and telephone number of the person handling Your Appeal and indicate what additional information, if any, must be provided.

One or more qualified personnel at a higher level than the personnel that rendered the Grievance determination will review it, or if it is a clinical matter, a clinical peer reviewer will look into it. We will decide the Appeal and notify You in writing within the following timeframes:

Expedited/Urgent Grievances:	The earlier of 2 business days of receipt of the necessary information or 72 hours of receipt of Your Appeal.
Pre-Service Grievances: (A request for a service or treatment that has not yet been provided.)	15 calendar days of receipt of Your Appeal.
Post-Service Grievances:(A claim for a service or a treatment that has already been provided.)	30 calendar days of receipt of Your Appeal.
All Other Grievances: (That are not in relation to a claim or request for service.)	30 calendar days of receipt of Your Appeal.

If You remain dissatisfied with Our Appeal determination or at any other time you are dissatisfied, you may:

Utilization Review

We review health services to determine whether the services are or were Medically Necessary or experimental or investigational ("Medically Necessary"). This process is called Utilization Review (UR). Utilization Review includes all review activities, whether they take place prior to the service being performed (Preauthorization); when the service is being performed (concurrent); or after the service is performed (retrospective). If You have any questions about the Utilization Review process, please call the number on Your ID card.

All determinations that services are not Medically Necessary will be made by licensed Physicians or by licensed, certified, registered or credentialed health care professionals who are in the same profession and same or similar specialty as the health care Provider who typically manages Your medical condition or disease or provides the health care service under review. We do not compensate or provide financial incentives to Our employees or reviewers for determining that services are not or were not Medically Necessary. We have developed guidelines and protocols to assist Us in this process. Specific guidelines and protocols are available for Your review upon request. For more information, You can contact Us or visit our website at [¹XXX].

Preauthorization Reviews

If We have all the information necessary to make a determination regarding a Preauthorization review, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within three business days of receipt of the request.

If We need additional information, We will request it within 3 business days. You or Your Provider will then have 45 calendar days to submit the information. If We receive the requested information within 45 days, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within three business days of Our receipt of the information. If all necessary information is not received within 45 days, We will make a determination within 15 calendar days of the end of the 45 day period.

Urgent Preauthorization Reviews. With respect to urgent Preauthorization requests, if We have all information necessary to make a determination, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone, within 72 hours of receipt of the request. Written notice will follow within one calendar day of the decision. If We need additional information, We will request it within 24 hours. You or Your Provider will then have 48 hours to submit the information. We will make a determination and provide notice to You and Your Provider by telephone and in writing within 48 hours of the earlier of Our receipt of the information or the end of the 48-hour time period.

After receiving a request for coverage of home care services following an inpatient Hospital admission, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within one business day of receipt of the necessary information. If the day following the request falls on a weekend

or holiday, We will make a determination and provide notice to You (or Your designee) and Your Provider within 72 hours of receipt of the necessary information. When We receive a request for home care services and all necessary information prior to Your discharge from an inpatient hospital admission, We will not deny coverage for home care services while Our decision on the request is pending.

Concurrent Reviews

Utilization review decisions for services during the course of care (concurrent reviews) will be made, and notice provided to You (or Your designee) and Your Provider, by telephone and in writing, within one business day of receipt of all necessary information. If We need additional information, We will request it within one business day. You or Your Provider will then have 45 calendar days to submit the information. We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within one business of Our receipt of the information or, if We do not receive the information, within 1 business day of the end of the 45-day time period.

Urgent Concurrent Reviews. For concurrent reviews that involve an extension of urgent care, if the request for coverage is made at least 24 hours prior to the expiration of a previously approved treatment, We will make a determination and provide notice to You and Your Provider by telephone within 24 hours of receipt of the request. Written notice will be provided within one business day of receipt of the request for coverage if all necessary information was included or three calendar days from the verbal notification if all necessary information was not included. If the request for coverage is not made at least 24 hours prior to the expiration of a previously approved treatment, the Urgent Preauthorization Review timeframes apply.

Retrospective Reviews

If We have all information necessary to make a determination regarding a retrospective claim, We will make a determination and notify You and Your Provider within 30 calendar days of the receipt of the request. If We need additional information, We will request it within 30 calendar days. You or Your Provider will then have 45 calendar days to provide the information. We will make a determination and provide notice to You and Your Provider in writing within 15 calendar days of the earlier of Our receipt of the information or the end of the 45 day period.

Once We have all the information to make a decision, Our failure to make a Utilization review determination within the applicable time frames set forth above will be deemed an adverse determination subject to an internal appeal.

Retrospective Review of Preauthorized Services

We may only reverse a preauthorized treatment, service or procedure on retrospective review when:

- The relevant medical information presented to Us upon retrospective review is materially different from the information presented during the Preauthorization review;

- The relevant medical information presented to Us upon retrospective review existed at the time of the Preauthorization but was withheld or not made available to Us;
- We were not aware of the existence of such information at the time of the Preauthorization review; and
- Had We been aware of such information, the treatment, service or procedure being requested would not have been authorized. The determination is made using the same specific standards, criteria or procedures as used during the Preauthorization review.

Reconsideration

If We did not attempt to consult with Your Provider before making an adverse determination, Your Provider may request reconsideration by the same clinical peer reviewer who made the adverse determination. For Preauthorization and concurrent reviews, the reconsideration will take place within one business day of the request for reconsideration. If the adverse determination is upheld, a notice of adverse determination will be given to You and Your Provider, by telephone and in writing.

Utilization Review Internal Appeals

You, Your designee, and, in retrospective review cases, Your Provider, may request an internal Appeal of an adverse determination, either by phone, in person, or in writing.

You also have the right to Appeal the denial of a Preauthorization request for an out-of-network health service when We determine that the out-of-network health service is not materially different from an available in-network health service. A denial of an out-of-network health service is a service provided by a Non-Participating Provider, but only when the service is not available from a Participating Provider. You are not eligible for a Utilization Review Appeal if the service you request is available from a Participating Provider, even if the Non-Participating Provider has more experience in diagnosing or treating your condition. (Such an Appeal will be treated as a Grievance.) For a Utilization Review Appeal of denial of an Out-of-Network health service, You, or Your designee, must submit:

- A statement from Your attending Physician, who must be a licensed, board-certified or board-eligible Physician qualified to practice in the specialty area of practice appropriate to treat Your condition, that the requested Out-of-Network health service is materially different from the alternate health service available from a Participating Provider that We approved to treat Your condition; and
- Two documents from the available medical and scientific evidence that the Out-of-Network service:
 - (a) Is likely to be more clinically beneficial to You than the alternate In-Network service; and
 - (b) that the adverse risk of the Out-of-Network service would likely not be substantially increased over the In-Network health service.

You have up to 180 calendar days after You receive notice of the adverse determination to file an Appeal. We will acknowledge Your request for an internal Appeal within 15 calendar days of receipt. This acknowledgment will include the name, address, and phone number of the person handling Your Appeal and, if necessary, inform You of any additional information needed before a decision can be made. A clinical peer reviewer who is a Physician or a Health Care Professional in the same or similar specialty as the Provider who typically manages the disease or condition at issue and who is not subordinate to the clinical peer reviewer who made the initial adverse determination will perform the Appeal.

First Level Appeal

If Your Appeal relates to a Preauthorization request, We will decide the Appeal within 15 calendar days of receipt of the Appeal request. Written notice of the determination will be provided to You (or Your designee) and where appropriate Your Provider within two business days after the determination is made, but no later than 15 calendar days after receipt of the Appeal request.

If Your Appeal relates to a retrospective claim, We will decide the Appeal within 30 calendar days of receipt of the Appeal request. Written notice of the determination will be provided to You (or Your designee) and where appropriate Your Provider within two business days after the determination is made, but no later than 30 calendar days after receipt of the Appeal request.

Expedited Appeals. Appeals of reviews of continued or extended health care services, additional services rendered in the course of continued treatment, home health care services following discharge from an inpatient Hospital admission, services in which a Provider requests an immediate review, or any other urgent matter will be handled on an expedited basis. Expedited Appeals are not available for retrospective reviews. For expedited Appeals, Your Provider will have reasonable access to the clinical peer reviewer assigned to the Appeal within one business day of receipt of the request for an Appeal. Your Provider and a clinical peer reviewer may exchange information by telephone or fax. Expedited Appeals will be determined within the lesser of 72 hours from receipt of the Appeal or two business days of receipt of the information necessary to conduct the Appeal.

If You are not satisfied with the resolution of Your expedited Appeal, You may file a standard internal Appeal or an external appeal.

Our failure to render a determination of Your Appeal within 60 calendar days of receipt of the necessary information for a standard Appeal or within two business days of receipt of the necessary information for an expedited Appeal will be deemed a reversal of the initial adverse determination.

Second level Appeal

If You disagree with the first level Appeal determination, You or Your designee can file a second level Appeal. You or Your designee can also file an external appeal. The four month timeframe for filing an external appeal begins on receipt of the final adverse

determination on the first level of Appeal. By choosing to file a second level Appeal, the time may expire for You to file an external appeal.

A second level Appeal must be filed within 45 days of receipt of the final adverse determination on the first level Appeal. We will acknowledge Your request for an internal Appeal within 15 calendar days of receipt. This acknowledgment will include the name, address, and phone number of the person handling Your Appeal and, if necessary, inform You of any additional information needed before a decision can be made.

If Your Appeal relates to a Preauthorization request, We will decide the Appeal within 15 calendar days of receipt of the Appeal request. Written notice of the determination will be provided to You (or Your designee) and where appropriate Your Provider within two business days after the determination is made, but no later than 15 calendar days after receipt of the Appeal request.

If Your Appeal relates to a retrospective claim, We will decide the Appeal within 30 calendar days of receipt of the Appeal request. Written notice of the determination will be provided to You (or Your designee) and where appropriate Your Provider within two business days after the determination is made, but no later than 30 calendar days after receipt of the Appeal request.

External Appeal

YOUR RIGHT TO AN EXTERNAL APPEAL

In some cases, You have a right to an external appeal of a denial of coverage. Specifically, if We have denied coverage on the basis that a service does not meet Our requirements for Medical Necessity (including appropriateness, health care setting, level of care, or effectiveness of a covered benefit) or is an experimental or investigational treatment (including clinical trials and treatments for rare diseases), or is an out-of-network treatment, You or Your representative may appeal that decision to an External Appeal Agent, an independent third party certified by the State to conduct these appeals.

In order for You to be eligible for an external appeal You must meet the following two requirements:

- The service, procedure, or treatment must otherwise be a Covered Service under the Certificate and

- In general, You must have received a final adverse determination through the first level of Our internal Appeal process. But, You can file an external appeal even though You have not received a final adverse determination through the first level of Our internal Appeal process if:
 - We agree in writing to waive the internal Appeal. We are not required to agree to Your request to waive the internal Appeal; or
 - You file an external appeal at the same time as You apply for an expedited internal Appeal; or
 - We fail to adhere to Utilization review claim processing requirements (other than a minor violation that is not likely to cause prejudice or harm to You, and We demonstrate that the violation was for good cause or due to matters beyond Our control and the violation occurred during an ongoing, good faith exchange of information between You and Us).

YOUR RIGHT TO APPEAL A DETERMINATION THAT A SERVICE IS NOT MEDICALLY NECESSARY

If We have denied coverage on the basis that the service does not meet Our requirements for Medical Necessity, You may appeal to an External Appeal Agent if You meet the requirements for an external appeal in I above.

YOUR RIGHT TO APPEAL A DETERMINATION THAT A SERVICE IS EXPERIMENTAL OR INVESTIGATIONAL

If We have denied coverage on the basis that the service is an experimental or investigational treatment, You must satisfy the two requirements for an external appeal in I above and Your attending Physician must certify that: (1) Your condition or disease is one for which standard health services are ineffective or medically inappropriate; or (2) one for which there does not exist a more beneficial standard service or procedure covered by Us; or (3) one for which there exists a clinical trial or rare disease treatment (as defined by law).

In addition, Your attending Physician must have recommended one of the following:

- A service, procedure or treatment that two (2) documents from available medical and scientific evidence indicate is likely to be more beneficial to You than any standard Covered Service (only certain documents will be considered in support of this recommendation – Your attending Physician should contact the State for current information as to what documents will be considered or acceptable); or
- A clinical trial for which You are eligible (only certain clinical trials can be considered); or
- A rare disease treatment for which Your attending Physician certifies that there is no standard treatment that is likely to be more clinically beneficial to You than the requested service, the requested service is likely to benefit You in the treatment of Your rare disease, and such benefit outweighs the risk of the service. In addition, Your attending Physician must certify that Your condition is a rare disease that is

currently or was previously subject to a research study by the National Institutes of Health Rare Disease Clinical Research Network or that it affects fewer than 200,000 U.S. residents per year.

For purposes of this section, Your attending Physician must be a licensed, board-certified or board eligible Physician qualified to practice in the area appropriate to treat Your condition or disease. In addition, for a rare disease treatment, the attending Physician may not be Your treating Physician.

YOUR RIGHT TO APPEAL A DETERMINATION THAT A SERVICE IS OUT-OF-NETWORK

If We have denied coverage of an Out-of-Network treatment because it is not materially different than the health service available In-Network, You may appeal to an External Appeal Agent if You meet the two requirements for an external appeal in I above, and You have requested preauthorization for the Out-of-Network treatment.

In addition, Your attending Physician must certify that the Out-of-Network service is materially different from the alternate recommended In-Network health service, and based on two (2) documents from available medical and scientific evidence, is likely to be more clinically beneficial than the alternate In-Network treatment and that the adverse risk of the requested health service would likely not be substantially increased over the alternate In-Network health service.

For purposes of this section, Your attending Physician must be a licensed, board-certified or board eligible Physician qualified to practice in the specialty area appropriate to treat You for the health service.

You do not have a right to an external appeal for a denial of a Referral to an Out-of-Network provider on the basis that a health care provider is available In-Network to provide the particular health service requested by You.

THE EXTERNAL APPEAL PROCESS

You have four (4) months from receipt of a final adverse determination or from receipt of a waiver of the internal Appeal process to file a written request for an external appeal. If You are filing an external appeal based on Our failure to adhere to claim processing requirements, You have four (4) months from such failure to file a written request for an external appeal.

We will provide an external appeal application with the final adverse determination issued through the first level of Our internal Appeal process or Our written waiver of an internal Appeal. You may also request an external appeal application from the New York State Department of Financial Services at 1-800-400-8882. Submit the completed application to the Department of Financial Services at the address indicated on the application. If You meet the criteria for an external appeal, the State will forward the request to a certified External Appeal Agent.

You can submit additional documentation with Your external appeal request. If the External Appeal Agent determines that the information You submit represents a material change from the information on which We based Our denial, the External Appeal Agent

will share this information with Us in order for Us to exercise Our right to reconsider Our decision. If We choose to exercise this right, We will have three (3) business days to amend or confirm Our decision. Please note that in the case of an expedited appeal (described below), We do not have a right to reconsider Our decision.

In general, the External Appeal Agent must make a decision within 30 days of receipt of Your completed application. The External Appeal Agent may request additional information from You, Your Physician, or Us. If the External Appeal Agent requests additional information, it will have five (5) additional business days to make its decision. The External Appeal Agent must notify You in writing of its decision within two (2) business days.

If Your attending Physician certifies that a delay in providing the service that has been denied poses an imminent or serious threat to Your health; or if Your attending Physician certifies that the standard external appeal time frame would seriously jeopardize Your life, health or ability to regain maximum function; or if You received emergency services and have not been discharged from a facility and the denial concerns an admission, availability of care, or continued stay, You may request an expedited external appeal. In that case, the External Appeal Agent must make a decision within seventy-two (72) hours of receipt of Your completed application. Immediately after reaching a decision, the External Appeal Agent must try to notify You and Us by telephone or facsimile of that decision. The External Appeal Agent must also notify You in writing of its decision.

If the External Appeal Agent overturns Our decision that a service is not Medically Necessary or approves coverage of an experimental or investigational treatment or an Out-of-Network treatment We will provide coverage subject to the other terms and conditions of this Certificate. Please note that if the External Appeal Agent approves coverage of an experimental or investigational treatment that is part of a clinical trial, We will only Cover the costs of services required to provide treatment to You according to the design of the trial. We will not be responsible for the costs of investigational drugs or devices, the costs of non-health care services, the costs of managing research, or costs which would not be Covered under this Certificate for non-experimental or non-investigational treatments provided in the clinical trial.

The External Appeal Agent's decision is binding on both You and Us. The External Appeal Agent's decision is admissible in any court proceeding.

We will charge You a fee of \$25 for each external appeal, not to exceed \$75 in a single plan year. The external appeal application will explain how to submit the fee. We will waive the fee if We determine that paying the fee would be a hardship to You. If the External Appeal Agent overturns the denial of coverage, the fee will be refunded to You.

YOUR RESPONSIBILITIES

It is Your RESPONSIBILITY to start the external appeal process. You may start the external appeal process by filing a completed application with the New York State Department of Financial Services. You may appoint a representative to assist You with

Your application; however, the Department of Financial Services may contact You and request that You confirm in writing that You have appointed the representative.

Under New York State law, Your completed request for external appeal must be filed within four (4) months of either the date upon which You receive a final adverse determination, or the date upon which You receive a written waiver of any internal Appeal, or Our failure to adhere to claim processing requirements. We have no authority to extend this deadline.

SECTION X – Coordination of Benefits

This section applies when you also have group health coverage with another plan. When You receive a Covered service, We will coordinate benefit payments with any payment made by another plan. The primary plan will pay its full benefits and the other plan may pay secondary benefits, if necessary, to cover some or all of the remaining expenses. This prevents duplicate payments and overpayments.

Definitions

“Allowable expense” is the necessary, reasonable, and customary item of expense for health care, when the item is covered at least in part under any of the plans involved, except where a statute requires a different definition. When a plan provides benefits in the form of services, the reasonable cash value of each service will be considered as both an allowable expense and a benefit paid.

“Plan” is other group health coverage with which We will coordinate benefits. The term “plan” includes:

1. Group health benefits and group blanket or group remittance health benefits coverage, whether insured, self-insured, or self-funded. This includes group HMO and other prepaid group coverage, but does not include blanket school accident coverage or coverages issued to a substantially similar group (e.g., Girl Scouts, Boy Scouts) where the school or organization pays the premiums.
2. Medical benefits coverage, in group and individual automobile “no-fault” and traditional liability “fault” type contracts.
3. Hospital, medical, and surgical benefits coverage of Medicare or a governmental plan offered, required, or provided by law, except Medicaid or any other plan whose benefits are by law excess to any private benefits coverage.

“Primary plan” is one whose benefits must be determined without taking the existence of any other plan into consideration. A plan is primary if either: (1) the plan has no order of benefits rules or its rules differ from those required by regulation; or (2) all plans which cover the person use the order of benefits rules required by regulation and under those rules the plan determines its benefits first. More than one plan may be a primary plan (for example, two plans which have no order of benefit determination rules).

“Secondary plan” is one which is not a primary plan. If a person is covered by more than one secondary plan, the order of benefit determination rules decide the order in which their benefits are determined in relation to each other.

Rules to Determine Order of Payment

The first of the rules listed below in paragraphs 1-6 that applies will determine which plan will be primary:

1. If the other plan does not have a provision similar to this one, then the other plan will be primary.

2. If the person receiving benefits is the Subscriber and is only covered as a Dependent under the other plan, this Certificate will be primary.
3. If a child is covered under the plans of both parents and the parents are not separated or divorced, the plan of the parent whose birthday falls earlier in the year shall be primary. If both parents have the same birthday, the plan which covered the parent longer will be primary. To determine whose birthday falls earlier in the year, only the month and day are considered. However, if the other plan does not have this birthday rule, but instead has a rule based on the sex of the parent and as a result the plans do not agree on which is primary, then the rule in the other plan will determine which plan is primary.
4. If a child is covered by both parents' plans, the parents are separated or divorced, and there is no court decree between the parents that establishes financial responsibility for the child's health care expenses:
 - a. The plan of the parent who has custody will be primary;
 - b. If the parent with custody has remarried, and the child is also covered as a child under the step-parent's plan, the plan of the parent with custody will pay first, the step-parent's plan will pay second, and the plan of the parent without custody will pay third.
 - c. If a court decree between the parents says which parent is responsible for the child's health care expenses, then that parent's plan will be primary if that plan has actual knowledge of the decree.
5. If the person receiving services is covered under one plan as an active employee or member (i.e., not laid-off or retired), or as the spouse or child of such an active employee, and is also covered under another plan as a laid-off or retired employee or as the spouse or child of such a laid-off or retired employee, the plan that covers such person as an active employee or spouse or child of an active employee will be primary. If the other plan does not have this rule, and as a result the plans do not agree on which will be primary, this rule will be ignored.
6. If none of the above rules determine which plan is primary, the plan that covered the person receiving services longer will be primary.

Effects of Coordination

When this plan is secondary, its benefits will be reduced so that the total benefits paid by the primary plan and this plan during a claim determination period will not exceed Our maximum available benefit for each Covered Service. Also, the amount We pay will not be more than the amount We would pay if We were primary. As each claim is submitted, We will determine Our obligation to pay for allowable expenses based upon all claims that have been submitted up to that point in time during the claim determination period.

Right to Receive and Release Necessary Information

We may release or receive information that We need to coordinate benefits. We do not need to tell anyone or receive consent to do this. We are not responsible to anyone for

releasing or obtaining this information. You must give Us any needed information for coordination purposes, in the time frame requested.

Our Right to Recover Overpayment

If We made a payment as a primary plan, You agree to pay Us any amount by which We should have reduced Our payment. Also, We may recover any overpayment from the primary plan or the Provider receiving payment and You agree to sign all documents necessary to help Us recover any overpayment.

Coordination with “Always Excess,” “Always Secondary,” or “Non-Complying” Plans

We will coordinate benefits with plans, whether insured or self-insured, that provide benefits that are stated to be always excess or always secondary or use order of benefit determination rules that are inconsistent with the rules described above in the following manner:

1. If this Certificate is primary, as defined in this section, We will pay benefits first.
2. If this Certificate is secondary, as defined in this section, We will pay only the amount We would pay as the secondary insurer;
3. If We request information from a non-complying plan and do not receive it within 30 days, We will calculate the amount We should pay on the assumption that the non-complying plan and this Certificate provide identical benefits. When the information is received, We will make any necessary adjustments.

Section XI – Termination of Coverage

Coverage under this Certificate will automatically be terminated on the first of the following to apply. In all cases of termination, unless otherwise noted below, We will provide at least 30 days prior written notice to the Group.

1. The Group, and/or Subscriber, has failed to pay Premiums within 30 days of when Premiums are due. Coverage will terminate as of the last day for which Premiums were paid.
2. The [10date on; end of month in] which the Subscriber ceases to meet the eligibility requirements as defined by the Group.
3. Upon the Subscriber's death, coverage will terminate unless You have coverage for Dependents. If You have coverage for Dependents, then coverage will terminate as of the last day of the month for which the Premium has been paid.
4. For Spouses in cases of divorce, the date of the divorce.
5. For Children, until the end of the year in which the Child turns [426] years of age. For all other Dependents, the [10date on; end of month in] which the Dependent ceases to be eligible.
6. The end of the month during which the Subscriber provides written notice to Us requesting termination of coverage, or on such later date requested for such termination by the notice.
7. If a Subscriber has performed an act that constitutes fraud or made an intentional misrepresentation of material fact in writing on his/her enrollment application, or in order to obtain coverage for a service, coverage will terminate immediately upon written notice of termination delivered by Us to the Subscriber. However, if a Subscriber makes an intentional misrepresentation of material fact in writing on his/her enrollment application we will rescind coverage if the facts misrepresented would have led Us to refuse to issue the coverage. Rescission means that the termination of Your coverage will have a retroactive effect of up to [11a year; Your enrollment under the Certificate].
8. The date that the Group Policy is terminated. If We terminate and/or decide to stop offering a particular class of group policies, without regard to claims experience or health related status, to which this Certificate belongs, We will provide the Group and Subscribers at least 90 days prior written notice.
9. If We elect to terminate or cease offering all hospital, surgical and medical expense coverage in the small group market, in this state, We will provide written notice to the Group and Subscriber at least 180 days prior to when the coverage will cease.
10. The Group has performed an act or practice that constitutes fraud or made an intentional misrepresentation of material fact under the terms of the coverage.
11. The Group has failed to comply with a material plan provision relating to employer contribution or group participation rules.

12. The Group ceases to meet the statutory requirements to be defined as a group for the purposes of obtaining coverage.
13. The date there is no longer any enrollee who lives, resides, or works in Our Service Area.

No termination of coverage shall prejudice the right to a claim for benefits which arose prior to such termination.

See Section XII – What Happens if You Lose Coverage of this Certificate for Your right to continuation of this coverage and for Your right to conversion to an individual Policy.

Section XII – What Happens If You Lose Coverage

EXTENSION OF BENEFITS

When Your coverage under this Certificate ends, benefits stop. But, if You are totally disabled on the date the Group Policy terminates, or on the date Your coverage under this Certificate terminates, continued benefits may be available for the treatment of the injury or sickness that is the cause of the total disability.

For purposes of this section, total disability means You are prevented because of injury or disease from engaging in any work or other gainful activity. Total disability for a minor means that the minor is prevented because of injury or disease from engaging in substantially all of the normal activities of a person of like age and sex who is in good health.

When You May Continue Benefits

When Your coverage under this Certificate ends, We will provide benefits during a period of total disability for a Hospital stay commencing, or surgery performed, within 31 days from the date Your coverage ends. The Hospital stay or surgery must be for the treatment of the injury, sickness, or pregnancy causing the total disability.

If Your coverage ends because You are no longer employed, We will provide benefits during a period of total disability for up to 12 months from the date Your coverage ends for Covered services to treat the injury, sickness, or pregnancy that caused the total disability, unless these services are covered under another group health plan.

Termination of Extension of Benefits

Extended benefits will end on the earliest of the following:

- The date You are no longer totally disabled;
- The date the contractual benefit has been exhausted;
- 12 months from the date extended benefits began (if Your benefits are extended based on termination of employment);
- With respect to the 12 month extension of coverage, the date You become eligible for benefits under any group policy providing medical benefits.

Limits on Extended Benefits

We will not pay extended benefits:

- For any Member who is not totally disabled on the date coverage under this Certificate ends;
- Beyond the extent to which We would have paid benefits under this Certificate if coverage had not ended.

Continuation of Coverage

Under the continuation of coverage provisions of the federal Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), most employer-sponsored group health plans must offer employees and their families the opportunity for a temporary continuation of health insurance coverage when their coverage would otherwise end. If You are not entitled to temporary continuation of coverage under COBRA, You may be entitled to temporary continuation coverage under the New York Insurance Law as described below. Call or write Your employer to find out if You are entitled to temporary continuation of coverage under COBRA or under the New York Insurance Law. Any period of continuation of coverage will terminate automatically at the end of the period of continuation provided under COBRA or the New York Insurance Law.

Pursuant to federal COBRA and state continuation coverage laws, You, the Subscriber, Your Spouse and Your Children may be able to temporarily continue coverage under this Certificate in certain situations when You would otherwise lose coverage, known as qualifying events.

1. If Your coverage ends due to voluntary or involuntary termination of employment or a change in Your employee class (e.g. a reduction in the number of hours of employment) You may continue coverage. Coverage may be continued for You, Your Spouse and any of Your Covered Children.
2. If You are a Covered Spouse, You may continue coverage if Your coverage ends due to:
 - a. Voluntary or involuntary termination of the Covered employee's employment;
 - b. Reduction in the hours worked by the Covered employee or other change in the employee's class;
 - c. Divorce or legal separation of the Covered employee;
 - d. Death of the Covered employee; or
 - e. The Covered employee becoming entitled to Medicare.
3. If You are a Covered Child, You may continue coverage if Your coverage ends due to:
 - a. Voluntary or involuntary termination of the Covered employee's employment;
 - b. Reduction in the hours worked by the Covered employee or other change in the employee's class;
 - c. Loss of Covered Child status under the plan rules;
 - d. Death of the Covered employee; or
 - e. The Covered employee becoming entitled to Medicare.

If You want to continue coverage You must request continuation from Your employer in writing and make the first Premium payment within the 60-day period following the later of:

1. The date coverage would otherwise terminate; or
2. The date You are sent notice by first class mail of the right of continuation by the Group policyholder.

The policyholder can charge up to 102% of the Group Premium for continued coverage.

Continued coverage under this section will terminate at the earliest of the following:

1. The date 36 months after Your coverage would have terminated because of termination of employment;
2. If You are a Covered Spouse or Child the date 36 months after coverage would have terminated due to the death of the employee, divorce or legal separation, the employee's eligibility for Medicare, or the failure to qualify under the definition of "Children";
3. The date You become Covered by an insured or uninsured arrangement that provides group hospital, surgical or medical coverage;
4. The date You become entitled to Medicare;
5. The date to which Premiums are paid if You fail to make a timely payment; or
6. The date the Group Policy terminates. However, if the Group Policy is replaced with similar coverage, You have the right to become covered under the new Group Policy for the balance of the period remaining for Your continued coverage.

When Your continuation of coverage ends, You may have a right to conversion. See Section XII – What Happens if You Lose Coverage of the Certificate.

Supplementary Continuation, Conversion, and Temporary Suspension Rights During Active Duty.

If You, the Subscriber are a member of a reserve component of the armed forces of the United States, including the National Guard, You have the right to continuation, conversion, or a temporary suspension of coverage during active duty and reinstatement of coverage at the end of active duty if Your Group does not voluntarily maintain Your coverage and if:

1. Your active duty is extended during a period when the president is authorized to order units of the reserve to active duty, provided that such additional active duty is at the request and for the convenience of the federal government, and
2. You serve no more than four years of active duty.

When Your Group does not voluntarily maintain Your coverage during active duty, coverage under this Certificate will be suspended unless You elect to continue coverage in writing within 60 days of being ordered to active duty and You pay the Group policyholder the required Premium payment but not more frequently than on a monthly basis in advance. This right of continuation extends to You and Your eligible Dependents. Continuation of coverage is not available for any person who is eligible to be covered under Medicare; or any person who is covered as an employee, member or dependent under any other insured or uninsured arrangement which provides group

hospital, surgical or medical coverage, except for coverage available to active duty members of the uniformed services and their family members.

Upon completion of active duty:

1. Your coverage under this Certificate may be resumed as long as You are reemployed or restored to participation in the Group upon return to civilian status. The right of resumption extends to coverage for Your Covered Dependents. For coverage that was suspended while on active duty, coverage under the Group plan will be retroactive to the date on which active duty terminated.
2. If You are not reemployed or restored to participation in Your Group upon return to civilian status, You will be eligible for continuation and conversion as long as You apply to Us for coverage within 31 days of the termination of active duty or discharge from a Hospitalization resulting from active duty as long as the Hospitalization was not in excess of one year.

Age 29 Dependent Coverage Extensions Young Adult Option

Your Child may be eligible to purchase his or her own individual coverage under Your Group's policy through the age of 29 if he or she 1) is under the age of 30; 2) is not married; 3) is not insured by or eligible for coverage under an employer-sponsored health benefit plan covering him or her as an employee or member, whether insured or self-insured; 4) lives, works or resides in New York State or Our Service Area; and 5) is not covered by Medicare. The Child may purchase coverage even if he or she is not financially Dependent on his or her parent(s) and does not need to live with his or her parent(s).

Your Child may elect this coverage:

1. Within 60 days of the date that his or her coverage would otherwise end due to reaching the maximum age for Dependent coverage, in which case coverage will be retroactive to the date that coverage would otherwise have terminated;
2. Within 60 days of newly meeting the eligibility requirements, in which case coverage will be prospective and start within 30 days of when the Group policyholder or Group policyholder's designee receives notice and We receive Premium payment;
3. During an annual 30-day open enrollment period, in which case coverage will be prospective and will start within 30 days of when the Group policyholder or Group policyholder's designee receives notice of election and We receive Premium payment.

You or Your Child must pay the Premium rate that applies to individual coverage. Coverage will be the same as the coverage provided under this Certificate. Your Child's children are not eligible for coverage under this option.

Conversion Right To New Contract After Termination

You have the right to convert to a new Contract if coverage under this Certificate terminates under the circumstances described below.

1. **Termination of the Group Policy.** If the Group Policy between Us and the Group Policyholder is terminated as set forth in Section XI – Termination of Coverage of this Certificate, and the Group Policyholder has not replaced the coverage for the Group with similar and continuous health care coverage, whether insured or self-insured, You are entitled to purchase a new Contract as direct payment members.
2. **If You Are No Longer Covered in a Group.** If Your coverage terminates under Section XI – Termination of Coverage of this Certificate because You are no longer a member of a Group, You are entitled to purchase a new Contract as a direct payment member.
3. **On the Death of the Subscriber.** If coverage terminates under Section XI – Termination of Coverage of this Certificate because of the death of the Subscriber, the Subscriber's Dependents are entitled to purchase a new Contract as direct payment members.
4. **Termination of Your Marriage.** If a Spouse's coverage terminates under Section XI – Termination of Coverage of this Certificate because the Spouse becomes divorced from the Subscriber or the marriage is annulled, that former Spouse is entitled to purchase a new Contract as a direct payment member.
5. **Termination of Coverage of a Child.** If a Child's coverage terminates under Section XI – Termination of Coverage of this Certificate because the Child no longer qualifies as a Child, the Child is entitled to purchase a new Contract as a direct payment member.
6. **Termination of Your Temporary Continuation of Coverage.** If coverage terminates under Section XI – Termination of Coverage of this Certificate because You are no longer eligible for continuation of coverage, You are entitled to purchase a new Contract as a direct payment member.
7. **Termination of Your Young Adult Coverage.** If a Child's young adult coverage terminates under Section XI – Termination of Coverage of this Certificate, the Child is entitled to purchase a new Contract as a direct payment member.

When to Apply for the New Contract. If You are entitled to purchase a new Contract as described above, You must apply to Us for the new Contract within 60 days after termination of coverage under this Contract. You must also pay the first Premium of the new Contract at the time You apply for coverage.

The New Contract. We will offer You an individual direct payment Contract at each level of coverage (i.e., bronze, silver, gold or platinum) that covers all benefits required by state and federal law. You may choose among any of the four Contracts offered by Us. However, the coverage may not be the same as Your current coverage. However,

if We determine that You do not reside in New York State, We may issue You or Your family members coverage on a form that we use for conversion in that state.

When Conversion is Not Available. We will not issue You an individual direct payment Contract if the issuance of the new Contract will result in overinsurance or duplication of benefits according to the standards We have on file with the Superintendent of the New York State Department of Financial Services.

Section XIII - General Provisions

1. **Agreements between Us and Participating Providers.** Any agreement between Us and Participating Providers may only be terminated by Us or the Providers. This Certificate does not require any Provider to accept a Member as a patient. We do not guarantee a Member's admission to any Participating Provider or any health benefits program.
2. **Assignment.** You cannot assign any benefits or monies due under this Certificate to any person, corporation, or other organization. Any assignment by You will be void. Assignment means the transfer to another person or to an organization of Your right to the services provided under this Certificate or your right to collect money from us for those services. However, You may request Us to make payment for services directly to Your Provider instead of You.
3. **Changes in This Certificate.** We may unilaterally change this Certificate upon renewal, if We give the Group Policyholder 30 days' prior written notice.
4. **Choice of Law.** This Certificate shall be governed by the laws of the State of New York.
5. **Clerical Error.** Clerical error, whether by the Group Policyholder or Us, with respect to this Certificate, or any other documentation issued by Us in connection with this Certificate, or in keeping any record pertaining to the coverage hereunder, will not modify or invalidate coverage otherwise validly in force or continue coverage otherwise validly terminated.
6. **Continuation of Benefit Limitations.** Some of the benefits under this Certificate may be limited to a specific number of visits, and/or subject to a Deductible. You will not be entitled to any additional benefits if Your coverage status should change during the Year. For example, if Your coverage status changes from covered family member to Subscriber, all benefits previously utilized when you were a covered family member will be applied toward your new status as a Subscriber.
7. **Enrollment ERISA.** The Group Policyholder will develop and maintain complete and accurate payroll records, as well as any other records of the names, addresses, ages, and social security numbers of all group members covered under this Certificate, and any other information required to confirm their eligibility for coverage. The Group Policyholder will provide Us with this information upon request.

The Group Policyholder may also have additional responsibilities as the "plan administrator" as defined by the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The "plan administrator" is the Group Policyholder, or a third party appointed by the Group Policyholder. We are not the ERISA plan administrator.
8. **Entire Agreement.** This Certificate, including any endorsements, riders and the attached applications, if any, constitutes the entire Certificate.

9. **Furnishing Information and Audit.** The Group Policyholder and all persons covered under this Certificate will promptly furnish Us with all information and records that We may require from time to time to perform Our obligations under this Certificate. You must provide Us with information over the telephone for reasons like the following: to allow Us to determine the level of care You need; so that We may certify care authorized by Your Physician; or to make decisions regarding the Medical Necessity of Your care. The Group Policyholder will, upon reasonable notice, make available to Us, and We may audit and make copies of, any and all records relating to group enrollment at the Group Policyholder's New York office.
10. **Identification Cards.** Identification cards are issued by Us for identification only. Possession of any identification card confers no right to services or benefits under this Certificate. To be entitled to such services or benefits Your Premiums must be paid in full at the time that the services are sought to be received.
11. **Incontestability.** No statement made by You will be the basis for avoiding or reducing coverage unless it is in writing and signed by You. All statements contained in any such written instrument shall be deemed representations and not warranties.
12. **Independent Contractors.** Participating Providers are independent contractors. They are not Our agents or employees. We and Our employees are not the agent or employee of any Participating Provider. We are not liable for any claim or demand on account of damages arising out of, or in any manner connected with, any injuries alleged to be suffered by You, Your Covered Spouse or Children while receiving care from any Participating Provider or in any Participating Provider's facility.
13. **Material Accessibility.** We will give the Group Policyholder, and the Group Policyholder will give You, identification cards, Certificates, riders, and other necessary materials.
14. **More Information about Your Health Plan.** You can request additional information about Your coverage under this Certificate. Upon Your request, We will provide the following information.
 - A list of the names, business addresses and official positions of Our board of directors, officers and members; and Our most recent annual certified financial statement which includes a balance sheet and a summary of the receipts and disbursements.
 - The information that We provide the State regarding Our consumer complaints.
 - A copy of Our procedures for maintaining confidentiality of Member information.
 - A copy of Our drug formulary. You may also inquire if a specific drug is Covered under this Certificate.

- A written description of Our quality assurance program.
 - A copy of Our medical policy regarding an experimental or investigational drug, medical device or treatment in clinical trials.
 - Provider affiliations with Participating Hospitals.
 - A copy of Our clinical review criteria, and where appropriate, other clinical information We may consider regarding a specific disease, course of treatment or utilization review guidelines.
15. **Notice.** Any notice that We give to You under this Certificate will be mailed to Your address as it appears on our records or to the address of the Group Policyholder. You agree to provide Us with notice of any change of Your address. If You have to give Us any notice, it should be sent by U.S. Mail, first class, postage prepaid to: [1XXX].
 16. **Premium Refund.** We will give any refund of Premiums, if due, to the Group Policyholder.
 17. **Recovery of Overpayments.** On occasion a payment will be made to You when You are not covered, for a service that is not covered, or which is more than is proper. When this happens We will explain the problem to You and You must return the amount of the overpayment to Us within 60 days after receiving notification from Us. However, We shall not initiate overpayment recovery efforts more than 24 months after the original payment was made unless We have a reasonable belief of fraud or other intentional misconduct.
 18. **Renewal Date.** The renewal date for the Certificate is the anniversary of the effective date of the Group Policy in each Year. This Certificate will automatically renew each year on the renewal date unless otherwise terminated by Us or the Group Policyholder as permitted by the Certificate, or by You upon 30 days' prior written notice to the Group Policyholder.
 19. **Right to Develop Guidelines and Administrative Rules.** We may develop or adopt standards that describe in more detail when We will make or will not make payments under this Certificate. Examples of the use of the standards are: to determine whether Hospital inpatient care was Medically Necessary; whether surgery was Medically Necessary to treat Your illness or injury; or whether certain services are skilled care. Those standards will not be contrary to the descriptions in this Certificate. If You have a question about the standards that apply to a particular benefit, You may contact Us and We will explain the standards or send You a copy of the standards. We may also develop administrative rules pertaining to enrollment and other administrative matters. We shall have all the powers necessary or appropriate to enable Us to carry out Our duties in connection with the administration of this Certificate.
 20. **Right to Offset.** If We make a claim payment to You or on Your behalf in error or You owe Us any money, You must repay the amount You owe to Us. Except as otherwise required by law, if We owe You a payment for other claims received, We

have the right to subtract any amount You owe Us from any payment We owe You.

21. **Severability.** The unenforceability or invalidity of any provision of the Certificate shall not affect the validity and enforceability of the remainder of the Certificate.
22. **Significant Change in Circumstances.** If We are unable to arrange for Covered Services as provided under this Certificate as the result of events outside of Our control, We will make a good faith effort to make alternative arrangements. These events would include a major disaster, epidemic, the complete or partial destruction of facilities, riot, civil insurrection, disability of a significant part of Participating Providers' personnel or similar causes. We will make reasonable attempts to arrange for Covered Services. We and Our Participating Providers will not be liable for delay, or failure to provide or arrange for Covered Services if such failure or delay is caused by such an event.
23. **Subrogation and Reimbursement.** These paragraphs apply when another party (including any insurer) is, or may be found to be, responsible for your injury, illness or other condition and We have provided benefits related to that injury, illness or condition. As permitted by applicable state law, unless preempted by federal law, We may be subrogated to all rights of recovery against any such party (including Your own insurance carrier) for the benefits We have provided to you under this Certificate. Subrogation means that We have the right, independently of you, to proceed directly against the other party to recover the benefits that We have provided.

Subject to applicable state law, unless preempted by federal law, We may have a right of reimbursement if you or anyone on your behalf receives payment from any responsible party (including Your own insurance carrier) from any settlement, verdict or insurance proceeds, in connection with an injury, illness, or condition for which We provided benefits. Under New York General Obligations Law 5-335, Our right of recovery does not apply when a settlement is reached between a plaintiff and defendant, unless a statutory right of reimbursement exists. The law also provides that, when entering into a settlement, it is presumed that You did not take any action against Our rights or violate any contract between You and us. The law presumes that the settlement between You and the responsible party does not include compensation for the cost of health care services for which We provided benefits.

We request that You notify Us within 30 days of the date when any notice is given to any party, including an insurance company or attorney, of Your intention to pursue or investigate a claim to recover damages or obtain compensation due to injury, illness or condition sustained by You for which we have provided benefits. You must provide all information requested by Us or Our representatives including, but not limited to, completing and submitting any applications or other forms or statements as We may reasonably request.

24. **Time to Sue.** No action at law or in equity may be maintained against Us prior to the expiration of 60 days after written submission of a claim has been furnished to

Us as required in this Certificate. You must start any lawsuit against Us under this Certificate within 3 years from the date the claim was required to be filed.

25. **Translation Services.** Translation services are available under this Certificate for non-English speaking Members. Please contact us by calling the Customer Service number on Your ID card to access these services.
26. **Venue for Legal Action.** If a dispute arises under this Certificate, it must be resolved in a court located in the State of New York. You agree not to start a lawsuit against Us in a court anywhere else. You also consent to these courts having personal jurisdiction over You. That means that, when the proper procedures for starting a lawsuit in those courts have been followed, the courts can order You to defend any action We bring against You.
27. **Waiver.** The waiver by any party of any breach of any provision of the Certificate will not be construed as a waiver of any subsequent breach of the same or any other provision. The failure to exercise any right hereunder will not operate as a waiver of such right.
28. **Who May Change This Certificate.** The Certificate may not be modified, amended, or changed, except in writing and signed by Our Chief Executive Officer (CEO) or a person designated by the CEO. No employee, agent, or other person is authorized to interpret, amend, modify, or otherwise change the Certificate in a manner that expands or limits the scope of coverage, or the conditions of eligibility, enrollment, or participation, unless in writing and signed by the CEO or person designated by the CEO.
29. **Who Receives Payment under This Certificate.** Payments under this Certificate for services provided by a Participating Provider will be made directly by Us to the Provider. If You receive services from a Non-Participating Provider, We reserve the right to pay either You or the Provider regardless of whether an assignment has been made.
30. **Workers' Compensation Not Affected.** The coverage provided under this Certificate is not in lieu of and does not affect any requirements for coverage by workers' compensation insurance or law.
31. **Your Medical Records and Reports.** In order to provide Your coverage under this Certificate, it may be necessary for Us to obtain Your medical records and information from Providers who treated You. Our actions to provide that coverage include processing Your claims, reviewing Grievances, Appeals, or complaints involving Your care, and quality assurance reviews of Your care, whether based on a specific complaint or a routine audit of randomly selected cases. By accepting coverage under this Certificate, You automatically give Us or our designee permission to obtain and use Your medical records for those purposes and You authorize each and every Provider who renders services to You to:
 - Disclose all facts pertaining to Your care, treatment, and physical condition to Us or to a medical, dental, or mental health professional that We may

engage to assist Us in reviewing a treatment or claim, or in connection with a complaint or quality of care review;

- Render reports pertaining to Your care, treatment, and physical condition to Us, or to a medical, dental, or mental health professional that We may engage to assist Us in reviewing a treatment or claim; and
- Permit copying of Your medical records by Us.

We agree to maintain Your medical information in accordance with state and federal confidentiality requirements. However, You automatically give Us permission to share Your information with the New York State Department of Health, quality oversight organizations, and third parties with which We contract to assist Us in administering this Certificate, so long as they also agree to maintain the information in accordance with state and federal confidentiality requirements.

Hemophilia Factor Benefits

. The following benefits for hemophilia factor are available only when provided by the specific participating Providers listed below:

1. Prescription Drug Coverage for Factor provided by a Participating Hemophilia Treatment Center

We Cover Hemophilia Factor that you self-administer or is administered by a non-skilled caregiver when it would otherwise be covered under your Prescription Drug benefits and it is dispensed by a Participating Hemophilia Treatment Center as part of your written treatment plan. This benefit will be provided in lieu of receiving Factor dispensed by a Designated Pharmacy under your Prescription Drug Coverage benefit. A "Hemophilia Treatment Center" (HTC) means a unique federally funded entity that specializes in comprehensive care for pediatric and adult individuals with inherited bleeding and clotting disorders. An HTC must be a licensed Facility that is also designated as a comprehensive hemophilia diagnostic treatment center receiving a grant under Section 501(a) (2) of the Social Security Act and participates in the 340B Drug Pricing Program.

Hemophilia Factor dispensed by an HTC will be Covered under your Chemotherapy benefit. You will be responsible to pay the applicable Chemotherapy cost-share shown in the Schedule of Benefits.

2. Non-Emergent Home Health Care - Assisted Administration of Factor

In addition to the Home Health Care Benefits available under Your Certificate, we will Cover non-emergent administration of Hemophilia Factor in Your home when provided by a Participating Home Health Agency certified or licensed by the appropriate state agency. This additional Home Health Care benefit covers both the Factor and the administration services when assisted administration is medically necessary. Coverage will be provided in lieu of receiving medically necessary Covered assisted-administration service from your Physician or another health practitioner in an office or out-patient setting.

Any visits for assisted administration of Hemophilia Factor in Your home count towards Your Home Health Care visit limit. The cost-share and definition of a visit in the Home Health Care Benefits shall apply to these additional services. See your Schedule of Benefits and Home Health Care benefit for more information. Please note this benefit only provides Coverage for assisted administration of Factor. It does not Cover Factor that you self-administer or that is administered by a non-skilled caregiver.
