Attestation Requirements

YES / NO

Eligible professionals (EPs) must attest YES to reporting to CMS ambulatory clinical quality measures selected by CMS in the manner specified by CMS to meet the measure.

Additional Information

- The provider is permitted, but not required, to limit the measure of this objective to those patients whose records are maintained using certified EHR technology.
- Attesting to the measure of this objective indicates that the EP will submit complete ambulatory clinical quality measure information as required during the attestation process. During attestation, EPs will also attest to the numerators, denominators, and exclusions for individual ambulatory clinical quality measures.
- For requirements and electronic specifications related to individual ambulatory clinical quality measures, EPs should refer to:
