

## **MyCare Ohio**

This contract was re-executed on May 10, 2016 in order to:

- Perform general clean-up and make technical changes to streamline provisions across all three-way contracts for the capitated model demonstrations under the Medicare-Medicaid Financial Alignment Initiative.
- Reflect current federal Medicare and Medicaid policy changes, including:
  - Updating requirements for marketing.
  - Changes to grievance and appeal language further specify timeframe regarding expedited appeals.
  - Further clarifying reimbursement requirements for out-of-network providers and services receiving Federal Medical Assistance Payment (FMAP) funds.
  - Specifying the timeframe for enrollee notice of provider network changes.
- Add the encounter data process measure as a quality withhold for demonstration years 2 and 3.
- Extend the demonstration an additional two years, through December 31, 2019
