

CMS Speaking Engagement Request Form

The public is invited to request CMS representatives from the Physician Quality Reporting Programs to participate in upcoming events. To request CMS representation at an upcoming event, complete as much of the CMS Speaking Engagement Request Form as possible. ALL fields are important to complete, but those with asterisks (*) are required to process your request. Forms that do not contain the required information will be returned to the submitter to be updated. Completed CMS Speaking Engagement Request Forms must be sent via e-mail to CMSSpeakingRequest@pqrs-speakers.com at least six weeks, but no more than six months before the event. CMS will NOT accept CMS Speaking Engagement Request forms that are mailed via the postal service or any other mailing service to the CMS Office.

If a speaking request is approved, the point of contact listed in the CMS Speaking Engagement Request Form will be contacted for additional information and to further coordinate CMS's participation in the event. Submission of a CMS Speaking Engagement Request Form does not guarantee that a CMS representative will attend the upcoming event.
