

Introduction to the MA Reassignment Notice

What's the purpose of this notice?

This notice informs people who qualify for Extra Help and whose Medicare Advantage Plan is leaving the Medicare Program that they'll be enrolled in a Medicare Prescription Drug Plan if they don't join a new plan on their own by December 31.

Medicare will enroll these people in a Medicare drug plan so that even if they do nothing, they'll still have drug coverage starting January 1.

The notice is three pages on blue paper, including a list of plans for each region that have premiums at or below the low-income premium subsidy amount.

Who gets this notice?

This notice goes to people who qualify for Extra Help and are currently enrolled in a Medicare Advantage Plan that's leaving the Medicare Program on December 31.

When do people get this notice?

The notice will be mailed in late October.

What should people do next?

People should consider their options carefully. People who want more information about their Medicare health and drug plan options can:

- Visit [Medicare.gov](https://www.Medicare.gov).

<CITY STATE ZIP>

<file creation date>

IMPORTANT: Your Medicare coverage is changing

You should have gotten a letter from <Terminating Organization Name> letting you know that <Terminating Plan Name> (<old contract>/<old PBP>) won't operate next year. **This means your coverage with <Terminating Organization Name> will end on December 31, 2021.**

You have 3 options for Medicare coverage

Option 1: If you do nothing, you'll have Original Medicare, and Medicare will enroll you in <New Plan Name> to make sure you have Medicare drug coverage.

If you don't join a new Medicare health or drug plan by December 31, 2021, Original Medicare will cover your health care services, and Medicare will enroll you in <New Organization Name>'s <New Plan Name> (<new contract>/<new PBP>) starting January 1, 2022. Here's what you'll pay with this Medicare Part D drug plan:

- <subsidy % or \$0> of the monthly drug plan premium
- <\$0 or up to \$99> for your yearly drug plan deductible
- <insert LIS copayment amounts or % of the cost of each prescription> for each covered prescription

For more information about <New Plan Name>, visit <Plan Website>, or call them at <New Plan Phone>. In December, Medicare will send you another blue letter letting you know which of the drugs you take will be covered in this plan.

This plan serves <States>. If this isn't where you live, call <New Plan Name> at <New Plan Phone> to make sure it serves where you live now.

Option 2: You can join another Medicare Advantage or other Medicare health plan, including a plan that offers drug coverage.

Call plans to get more information about their rules and benefits, and join a plan that meets your needs. Joining a Medicare health plan with drug coverage will automatically disenroll you from <New Plan Name>.

Option 3: You can choose and join a different Medicare Part D drug plan.

This means you would have the Part D drug plan you choose and Original Medicare for your health care services. See the list of Medicare drug plans included with this notice. Joining a Medicare drug plan will automatically disenroll you from <New Plan Name>.

You have a special right to buy a Medigap policy

You may also want to buy a Medicare Supplemental Insurance (Medigap) policy to help pay health care costs that Original Medicare doesn't cover. Because your current plan is leaving Medicare, you have a special right to buy a Medigap policy. You'll have this special right for 63 days after your current plan coverage ends.

What to do next

Consider your options carefully. If you do nothing, Medicare will enroll you in <New Plan Name>. If you want to join a different Medicare health or drug plan, it's a good idea to do so as early as possible before December 31, 2021.
