L. 110-173) amends the Medicare Secondary Payer (MSP) provisions of the Social Security Act (42 U.S.C. 1395y(b)) to provide for mandatory reporting by group health plan arrangements and by liability insurance (including self-insurance), no-fault insurance, and workers' compensation laws and plans. The law provides that, notwithstanding any other provision of law, the Secretary of Health and Human Services may implement this provision by program instruction or otherwise. The Secretary has elected not to implement the provision through rulemaking and will implement by publishing instructions on a publicly available Web site and submitting an information collection request to OMB for review and approval of the associated information collection requirements.

Effective July 1, 2009, as required by the MMSEA, "applicable plans," must: (1) Determine whether a claimant is entitled to Medicare benefits; and, if so, (2) report the identity of such claimant and provide such other information as the Secretary may require to properly coordinate Medicare benefits with respect to such insurance arrangements in the form and manner (including

frequency) as the Secretary may specify after the claim is resolved through a settlement, judgment, award or other payment (regardless of whether or not there is a determination or admission of liability). Applicable plan refers to the following laws, plans or other arrangements, including the fiduciary or administrator for such law, plan or arrangement: (1) Liability insurance (including self-insurance); (2) No-fault insurance; and (3) Workers' compensation laws or plans.

As indicated, the Secretary has elected to implement this provision by publishing instructions at a Web site established for such purpose. The Web site is (<http://www.cms.hhs.gov/MandatoryInsRep/>). CMS shall use this Web site to publish preliminary guidance as well as the final instructions. The Web site also advises interested parties how to comment on the preliminary guidance. *Form Number:* CMS-10265 (OMB# 0938-New); *Frequency:* Yearly; *Affected Public:* Business or other for-profits, not-for-profit institutions and State, Local or Tribal Governments; *Number of Respondents:* 290,404; *Total Annual Responses:* 6,920,504; *Total Annual Hours:* 2,120,478. #### SUPPLEMENTARY INFORMATION:

##### I. Background

MEDCAC, formerly known as the Medicare Coverage Advisory Committee (MCAC), provides advice and recommendations to CMS regarding clinical issues. (For more information on MCAC, see the December 14, 1998 **Federal Register** (63 FR 68780).) This notice announces a public meeting of the Committee. During this meeting, the Committee will discuss the use of Bayesian statistics to interpret evidence in making coverage decisions. The meeting will introduce Bayesian concepts, contrast Bayesian approaches with frequentist approaches, and provide some examples of using Bayesian techniques for meta-analyses. Background information about this topic, including panel materials, is available at <http://www.cms.hhs.gov/coverage>. We encourage the

participation of appropriate organizations with expertise in Bayesian statistics, meta-analyses, and clinical trial design and analyses.

##### II. Meeting Format

This meeting is open to the public. The Committee will hear oral presentations from the public for approximately 45 minutes. The Committee may limit the number and duration of oral presentations to the time available. Comments should focus on issues specific to the list of topics that we have proposed to the Committee. The list of research topics to be discussed at the meeting will be available prior to the meeting on the CMS Web site at [http://www.cms.hhs.gov/mcd/index\\_list.asp?list\\_type=mcac](http://www.cms.hhs.gov/mcd/index_list.asp?list_type=mcac). We require that speakers publicly declare at the meeting any financial involvement with manufacturers (or their competitors) of any items or services being discussed.

The Committee will deliberate openly on the topics under consideration. Interested persons may observe the deliberations, but the Committee will not hear further comments during this time except at the request of the chairperson. The Committee will also allow a 15-minute unscheduled open public session for any attendee to address issues specific to the topics under consideration. At the conclusion of the day, the members will vote and the Committee will make its recommendation(s) to CMS.

##### III. Registration Instructions

CMS' Coverage and Analysis Group is coordinating meeting registration. While there is no registration fee, individuals must register to attend. You may register by contacting the person listed in the **FOR FURTHER INFORMATION CONTACT** section of this notice by the deadline listed in the **DATES** section of this notice. Please provide your full name (as it appears on your state-issued driver's license), address, organization, telephone, fax number(s), and e-mail address. You will receive a registration confirmation with instructions for your arrival at the CMS complex or you will be notified the seating capacity has been reached.

##### IV. Security, Building, and Parking Guidelines

This meeting will be held in a Federal Government building; therefore, Federal security measures are applicable. We recommend that confirmed registrants arrive reasonably early, but no earlier than 45 minutes prior to the start of the meeting, to allow additional time to

clear security. Security measures include the following:

- Presentation of government-issued photographic identification to the Federal Protective Service or Guard Service personnel.
- Inspection of vehicle's interior and exterior (this includes engine and trunk inspection) at the entrance to the grounds. Parking permits and instructions will be issued after the vehicle inspection.
- Inspection, via metal detector or other applicable means of all persons brought entering the building. We note that all items brought into CMS, whether personal or for the purpose of presentation or to support a presentation, are subject to inspection. We cannot assume responsibility for coordinating the receipt, transfer, transport, storage, set-up, safety, or timely arrival of any personal belongings or items used for presentation or to support a presentation.

**Note:** Individuals who are not registered in advance will not be permitted to enter the building and will be unable to attend the meeting. The public may not enter the building earlier than 45 minutes prior to the convening of the meeting.

All visitors must be escorted in areas other than the lower and first floor levels in the Central Building.
