Dear Commissioner Godfread:

On July 31, 2019, the Department of Health and Human Services and the Department of the
Treasury approved North Dakota's State Innovation Waiver under section 1332 of the Patient
Protection and Affordable Care Act (ACA). North Dakota's approved application waives the
ACA's requirement for the single risk pool to the extent necessary to implement a state
reinsurance program called the Reinsurance Association of North Dakota for plan years 2020
through 2024.

It is the Department of the Treasury's final administrative determination that North Dakota's
pass-through funding amount for calendar year 2024 is $20,773,277, which must be used for
purposes of implementing North Dakota's State Innovation Waiver.

We look forward to continuing to work with you and your staff. If you have any questions
regarding program matters or official correspondence concerning the waiver, please contact
stateinnovationwaivers@cms.hhs.gov.

Sincerely,
