Revised SNF QRP APU Table for FY 2025 and SNF QRP APU Table for FY 2026

The FY 2024 Skilled Nursing Facility (SNF) Prospective Payment System (PPS) Final Rule (88 FR 53200) revised data collection and submission requirements for the SNF Quality Reporting Program (QRP) affecting the Fiscal Year (FY) 2025 and FY 2026 QRPs.

A revised table providing the data elements that will be required to meet the Annual Payment Update (APU) minimum data completion threshold for the FY 2025 SNF QRP and the SNF QRP APU Table for reporting assessment-based QMs and standardized patient assessment data elements to CMS affecting FY 2026 APU determination are now available in the **Downloads** section of this webpage. We also note that the FY 2024 SNF PPS final rule (88 FR 53272) finalized the requirement for SNFs to report 100 percent of the required quality measures data and standardized patient assessment data collected using the MDS on at least 90 percent of all assessments submitted beginning with the FY 2026 QRP (1/1/2024 through 12/31/2024).
