

# STAY UP TO DATE ON VACCINES

## PARTNER SOCIAL MEDIA TOOLKIT

Protect yourself and your loved ones this fall and winter — stay up to date on your vaccines. Medicare covers vaccines for flu, COVID-19, RSV and more. Use this toolkit to encourage your followers to get their recommended vaccines. As always, the best way to stay up to date with Medicare is to “follow” our [Medicare Facebook page](#) and follows us [@MedicareGov](#).

Did you know vaccination can help protect you against flu, COVID-19, and RSV? Medicare covers these vaccines and more, including the vaccines for shingles and whooping cough. Talk with your doctor about which vaccines may be right for you this fall and winter. Visit [www.vaccines.gov](http://www.vaccines.gov) to find pharmacies with vaccines near you.

Protect yourself and your loved ones this fall and winter — stay up to date on your vaccines. Medicare covers many recommended vaccines, like vaccines for flu, COVID-19, RSV, and more at no cost to you. Find pharmacies with vaccines near you: [www.vaccines.gov](http://www.vaccines.gov)

It's important to stay up to date on all your vaccines this fall and winter. Remember, Medicare covers the flu shot and the updated 2024-2025 COVID-19 vaccine. Medicare Part D (drug coverage) also covers vaccines for RSV, shingles, whooping cough, and more at no cost.
