

The Center of Innovation

The Center for Medicare & Medicaid Innovation (CMMI) develops and tests new healthcare payment and service delivery models. CMMI's models are alternative payment models (APMs) which reward health care providers for delivering high-quality and cost-efficient care.

Mission: Innovate in the pursuit of affordable and better health care for all Americans.

Vision: A health care system that achieves equitable outcomes through high quality, affordable, and person-centered care.

Executive Operations Staff

CMMI's Executive Operations Staff is an internal executive and operational support group that assists all teams Groups in the Center with several services, including candidate outreach and recruitment, selection, hiring, staffing, onboarding, training and development, human resources, travel and conferences, facilities and space management, employee newsletter, supplies purchasing, and administrative support.

Why work with us?

If you enjoy contributing to the creation and maintenance of a positive work environment, assisting in the resolution of people-related matters, and providing timely and effective internal customer support to empower the Innovation Center to accomplish its mission and support affordable and better health care for all Americans, this is a dynamic environment in which you can learn and grow!

Skills we're looking for

We seek individuals with a passion for providing customer support, researching and implementing solutions to a wide range of issues, resiliency, and the ability to handle multiple tasks and initiatives simultaneously. A positive, optimistic outlook, and personable approach are also essential.
