Medicare and Medicaid Notice to Public

Notice is hereby given that on September 9, 2024, the Centers for Medicare & Medicaid Services (CMS) will terminate the agreement between the Secretary of Health and Human Services and Aspire of Donnellson (CCN 165260) located at 901 State Street, Donnellson, Iowa 52625 as a skilled nursing facility in the Medicare program. In addition, as authorized by the Iowa Department of Inspection and Appeals notice is given that the provider's agreement as a nursing facility in the Medicaid program will also be terminated effective September 9, 2024. These actions are taken because CMS has determined that Aspire of Donnellson failed to attain substantial compliance with certain Medicare and Medicaid participation requirements.

In addition, Federal Financial Participation will not be available to the State for any Medicaid residents admitted to the facility on or after September 9, 2024. For Medicaid residents admitted prior to September 9, 2024, Federal Financial Participation may continue to be made to the State for up to 30 days of covered services to qualified residents furnished on or after September 9, 2024, the date of termination.
