Medicare and Medicaid Notice to Public

Notice is hereby given that on December 6, 2024, the Centers for Medicare & Medicaid Services (CMS) will terminate the agreement between the Secretary of Health and Human Services and Holiday Resort (CCN 175173) located at 2700 W 30th Street, Emporia, KS, 66801, as a skilled nursing facility in the Medicare program. In addition, as authorized by the Kansas Department for Aging & Disability Services (KDADS) notice is given that the provider's agreement as a nursing facility in the Medicaid program will also be terminated effective December 6, 2024. These actions are taken because CMS has determined that Holiday Resort failed to attain substantial compliance with certain Medicare and Medicaid participation requirements.

In addition, Federal Financial Participation will not be available to the State for any Medicaid residents admitted to the facility on or after December 5, 2024. For Medicaid residents admitted prior to December 5, 2024, Federal Financial Participation may continue to be made to the State for up to 30 days of covered services to qualified residents furnished on or after December 6, 2024, the date of termination.
