Medicare and Medicaid Notice to Public

Notice is hereby given that on July 9, 2024, the Centers for Medicare & Medicaid Services (CMS) will terminate the agreement between the Secretary of Health and Human Services and Ivy at Great Falls (CCN 275026) located at 1130 17th Ave South, Great Falls, MT 59405 as a skilled nursing facility in the Medicare program. In addition, as authorized by the Montana Department of Health and Human Services (DPHHS), notice is given that the provider's agreement as a nursing facility in the Medicaid program will also be terminated effective July 9, 2024. These actions are taken because CMS has determined that Ivy at Great Falls failed to attain substantial compliance with certain Medicare and Medicaid participation requirements.

In addition, Federal Financial Participation will not be available to the State for any Medicaid residents admitted to the facility on or after July 9, 2024. For Medicaid residents admitted prior to July 9, 2024, Federal Financial Participation may continue to be made to the State for up to 30 days of covered services to qualified residents furnished on or after July 9, 2024, the date of termination.
