**LEGAL PUBLIC NOTICE OF TERMINATION FROM MEDICARE/MEDICAID PROGRAM**

The Centers for Medicare & Medicaid Services (CMS) is providing notice that on January 31, 2025, Sterling Manor, 794 N. Forklanding Road, Maple Shade NJ, 08052, a skilled nursing facility in the Medicare program, will no longer participate in the Medicare program. The Medicare provider agreement between Sterling Manor and the Secretary of Health and Human Services (HHS) will be terminated on January 31, 2025, due to the facility's failure to meet Medicare's health and safety requirements.

In addition, as authorized by the STATE MEDICAID AGENCY, notice is given that the provider's agreement as a nursing facility in the Medicaid program will also be terminated effective January 31, 2025.

The facility has been notified that Medicare will cease to pay for services furnished to Medicare and Medicaid beneficiaries admitted after January 31, 2025, although payment may continue for up to 30 calendar days for patients admitted before the effective date of the denial of payment for new admissions on October 31, 2024. CMS is committed to patient safety and quality of care. We are closely monitoring the relocation of Medicare and Medicaid patients to other facilities.

CMS requires facilities to meet certain health and safety standards to be certified as a Medicare provider. Mandatory termination of a provider agreement is generally a last resort after all other attempts to remedy the deficiencies at a facility have been exhausted. In this instance, CMS has found that Sterling Manor is out of compliance with CMS's health and safety requirements. While we understand that relocation of residents and patients can be challenging for all parties involved, CMS prioritizes patient safety and care quality.

For residents, patients, and their family members, CMS recommends visiting the following websites for additional assistance through the relocation process:

Public notice of termination will be posted on the Survey & Certification website at <https://www.cms.gov/medicare/health-safety-standards/medicare-termination-notice>
