

December 2019 OASIS Education and OASIS Automation Coordinators State Contacts

Please notify hhasurveyprotocols@cms.hhs.gov when the State Agency education or automation coordinator changes.

*******This document contains the list for both OASIS Education and Automation Coordinators*******

Education coordinator: Each State has a designated Outcome and Assessment Information Set (OASIS) education coordinator with the responsibility to ensure that all home care providers in the State have access to:

- Training in the OASIS data
- Training and technical support in integrating the OASIS items in the agency's record keeping system

Automation Coordinator: Each State has a designated OASIS Automation (Technical) Coordinator with the responsibility to ensure that all home care providers in the State have access to:

- Training on the electronic submission of OASIS data
- Training on correction of errors to OASIS data
- Support in answering questions on the technical aspects of OASIS

Help Desks:

The Home Health Quality Help Desk (HHQHD) provides guidance on OASIS coding and documentation of OASIS items. This mailbox is made available specifically to support the educational needs of home health providers and stakeholders related to the Home Health Quality Reporting Program: homehealthqualityquestions@cms.hhs.gov

For OASIS questions related to the Conditions of Participation please contact the Home Health Agency Survey Protocols Help Desk Mailbox: hhasurveyprotocols@cms.hhs.gov
