- a. QHPI hereby acknowledges and agrees to accept and abide by the standard rules of conduct set forth below, and to require that its employees, officers, directors, contractors, agents, and representatives strictly adhere to the same, in order to gain and maintain access to the CMS Data Services Hub Web Services ("Hub Web Services"). QHPI agrees that it will create, collect, disclose, access, maintain, use, or store PII that it receives from Hub Web Services only in accordance with all laws as applicable, including HIPAA and section 1411(g) of the ACA.
- b. Standards for Communication with the Hub.

- (1) QHPI must complete testing for each type of transaction it will implement and shall not be allowed to exchange data with CMS in production mode until testing is satisfactorily passed as determined by CMS in its sole discretion. Satisfactorily passed testing generally means the ability to pass all HIPAA compliance standards, and to process electronic healthcare information transmitted by QHPI to the Hub. This capability to submit test transactions will be maintained by QHPI throughout the term of this Agreement.
- (2) As applicable, all transactions must be formatted in accordance with the Accredited Standards Committee Implementation Guides, adopted under HIPAA, available at <http://store.x12.org/store/>. CMS will make available Companion Guides for all applicable transactions, which specify certain situational data elements necessary.
- (3) QHPI agrees to abide by the Standard Companion Guide Transaction Information Instructions related to the ASC X12 Benefit Enrollment and Maintenance (834) transaction, based on the 005010X220 Implementation Guide and its associated 005010X220A1 addenda for the Federally facilitated Exchange (FFE) Companion Guide Version 1.5, released March 22, 2013, and the CMS Instructions related to the ASC X12 820 transaction as specified in the ASC X12 005010X306 Health Insurance Exchange Related Payments (820) Implementation Guide.

- (5) QHPI agrees that prior to the submission of any additional transaction types to the FFE production system, or as a result of making changes to an existing transaction type or system, it will submit test transactions to the Hub in accordance with paragraph (1) above.
- (6) If QHPI enters into relationships with other affiliated entities, or their authorized designees, for submitting and receiving FFE data, it must execute contracts with such entities that stipulate that such entities and any subcontractors or affiliates of

<sup>1</sup> While CMS owns data in the FFE, other contractors operate the FFE system in which the enrollment and financial management data flow. Contractors provide the pipeline network for the transmission of electronic data, including the transport of Exchange data to and from the Hub and QHPI so that QHPI may discern the activity related to enrollment functions of persons they serve. QHPI may also use the transported data to receive descriptions of financial transactions from CMS.

such entities, must be bound by the terms of this Agreement, test software, and receive QHPI's approval of software as being in the proper format and compatible with the FFE system.

- c. As part of a monthly payments and collections reconciliation process, CMS will recoup or net payments due to QHPI against amounts owed to CMS by QHPI or any entity operating under the same tax identification number as QHPI (including overpayments previously made) with respect to offering of QHPs, including the following types of payments: APTCs, advance payments of CSRs, and payment of Federally-facilitated Exchange user fees.
- d. CMS will undertake all reasonable efforts to implement systems and processes that will support QHPI functions. In the event of a major failure of CMS systems and processes, CMS will work with QHPI in good faith to mitigate any harm caused by such failure.

### III. Effective Date; Term; Renewal.

- a. Effective Date and Term. This Agreement becomes effective on the date the last of the two Parties executes this Agreement and ends December 31, 2014.
- b. Renewal. This Agreement may be renewed upon the mutual written consent of both parties for subsequent and consecutive one (1) year periods.

### IV. Termination.

- a. This Agreement shall terminate automatically upon QHPI's ceasing to provide all coverage under any QHPs that were offered through an FFE in the State(s) QHPI offered them.
- b. Termination with Cause.
  - 1. Termination with Notice by CMS. CMS may terminate this Agreement for cause upon sixty (60) Days' written notice to QHPI if QHPI materially breaches any term of this Agreement as determined at the sole but reasonable discretion of CMS, unless QHPI commences curing such breach(es) within such 60-Day period to the reasonable satisfaction of CMS in the manner hereafter described in this subsection, and thereafter diligently prosecutes such cure to completion. A QHPI's inability to perform due to a CMS error will not be considered a material breach. The 60-Day notice from CMS shall contain a description of the material breach and any suggested options for curing the breach(es), whereupon QHPI shall have seven (7) Days from the date of the

notice in which to propose a plan and a time frame to cure the material breach(es), which plan and time frame may be rejected, approved, or amended in CMS' sole but reasonable discretion. The Agreement shall not be terminated if QHPI cures the cause for termination within 30 Days' of the written notice to the satisfaction of CMS, which satisfaction shall be in CMS' sole discretion but shall not be unreasonably withheld. Notwithstanding the foregoing, QHPI shall be considered in "Habitual Default" of this Agreement in the event that it has been served with a 60-Day notice under this subsection more than three (3) times in any calendar year, whereupon CMS may, in its sole discretion, immediately thereafter terminate this Agreement upon notice to QHPI without any further opportunity to cure or propose cure.

2. Termination with Notice by QHPI. At any time prior to midnight on October 31, 2013, QHPI may terminate this Agreement upon sixty (60) Days' written notice to CMS if CMS materially breaches any term of this Agreement, unless CMS commences curing such breach(es) within such 60-Day period to the reasonable satisfaction of QHPI in the manner hereafter described in this subsection, and thereafter diligently prosecutes such cure to completion. The 60-Day notice shall contain a description of the material breach(es) and any suggested options for curing the breach(es), whereupon CMS shall have fifteen (15) Days from the date of the notice in which to propose a plan and a time frame to cure the material breach(es), which plan and time frame shall be accepted by QHPI unless the same is substantially unreasonable on its face, in which case the Parties shall thereafter use good faith efforts to come to an agreement of reasonable cure terms.

c. QHPI acknowledges that termination of this Agreement 1) may affect its ability to continue to offer QHPs through the FFE; 2) does not relieve QHPI of applicable obligations to continue providing coverage to enrollees; and 3) specifically does not relieve QHPI of any obligation under applicable State law to continue to offer coverage for a full plan year. This Agreement does not impose any independent obligation on QHPI, after termination of this Agreement, to continue enrollment or treat those enrolled as being contracted for coverage.

QHPI shall further be thereafter subject to such compliance actions for functions assigned to subcontractors or assignees as may otherwise be provided for under applicable law. - c. Amendment. CMS may amend this Agreement for purposes of reflecting changes in applicable law or regulations, with such amendments taking effect upon sixty (60) Days' written notice to QHPI ("CMS notice period"). Any amendments made under this provision will only have prospective effect and will not be applied retrospectively. QHPI may reject such amendment, by providing to CMS, during the CMS notice period, sixty (60) Days' written notice of its intent to reject the amendment ("rejection notice period"). Any such rejection of an amendment made by CMS shall result in the termination of this Agreement upon expiration of the rejection notice period.
- d. Severability. The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement. In the event that any provision of this Agreement is determined to be invalid,

unenforceable or otherwise illegal, such provision shall be deemed restated, in accordance with applicable law, to reflect as nearly as possible the original intention of the parties, and the remainder of the Agreement shall be in full force and effect.

- f. Remedies Cumulative. No remedy herein conferred upon or reserved to CMS under this Agreement is intended to be exclusive of any other remedy or remedies available to CMS under operative law and regulation, and each and every such remedy, to the extent permitted by law, shall be cumulative and in addition to any other remedy now or hereafter existing at law or in equity or otherwise.
- g. Governing Law. This Agreement will be governed by the laws and common law of the United States of America, including without limitation such regulations as may be promulgated from time to time by the Department of Health and Human Services or any of its constituent agencies, without regard to any conflict of laws statutes or rules. QHPI further agrees and consents to the jurisdiction of the Federal Courts located within the District of Columbia and the courts of appeal therefrom, and waives any claim of lack of jurisdiction or forum *non conveniens*.
- h. Audit. QHPI agrees that CMS, the Comptroller General, the Office of the Inspector General of HHS or their designees have the right to audit, inspect, evaluate, examine, and make excerpts, transcripts, and copies of any books, records, documents, and other evidence of QHPI's compliance with the requirements of this Agreement, upon reasonable notice to QHPI and during QHPI's regular business hours and at QHPI's regular business location.
