Transmittal 11990	Date: April 21, 2023
	Change Request 13163

Transmittal 11990 issued April 21, 2023, is being rescinded and replaced by Transmittal 12103, dated June 27, 2023, to remove all references contained in this CR directing the MCS contractor to retrieve and load the ASC Code Pair file by revising the background section and Business Requirement (BR) 13163.1 and deleting BR 13163.1.4. The MACs who process this file shall continue to pull the file into the processing environments under the existing design. This CR is also removing any reference to the End Date - 8 characters - YYYYMMDD format being a required data element by revising BR 13163.1.1. All other information remains the same.
