#### III. FUNDING:

### For Medicare Administrative Contractors (MACs):

The Medicare Administrative Contractor is hereby advised that this constitutes technical direction as defined in your contract. CMS does not construe this as a change to the MAC Statement of Work. The contractor is not obligated to incur costs in excess of the amounts allotted in your contract unless and until specifically authorized by the Contracting Officer. If the contractor considers anything provided, as described above, to be outside the current scope of work, the contractor shall withhold performance on the part(s) in question and immediately notify the Contracting Officer, in writing or by e-mail, and request formal directions regarding continued performance requirements.

#### II. GENERAL INFORMATION

**A. Background:** The purpose of this Change Request (CR) is to provide instructions for the Medicare contractors to download, test, and implement the annual January MPFSDB update files.

The Centers for Medicare & Medicaid Services releases a recurring Change Request (CR) each year for the annual January Medicare Physician Fee Schedule (MPFS) update. This CR provides the Medicare contractors with instructions on how they will receive the file names for downloading, testing, and implementation of the annual January MPFS update. In addition, Medicare contractors will need to be prepared to implement up to three revised January MPFS payment files in the event that technical errors are discovered or any other corrections are required.

**B.** Policy: Contractors shall follow the instructions for retrieving the annual January MPFS files as stated in Publication 100-04, Chapter 23, Section 30.1.
