Subject: Integrated Denial Notice for Medicare-Medicaid Plans (MMPs)

Because CMS has not yet finalized the updated Notice of Denial of Medical Coverage (or Payment), Form CMS-10003-NDMCP, we instruct MMPs to continue using their state-specific CY 2019 Integrated Denial Notice (IDN) models until further notice.

Please contact the Medicare-Medicaid Coordination Office at MMCOCapsModel@cms.hhs.gov if you have any questions.
