**SUBJECT:** Request for Comments on Contract Year 2014 Ohio State-Specific Reporting Requirements Appendix

Attached to this memorandum is a draft of the Ohio State-Specific Reporting Requirements Appendix. The document is designed to provide guidance and technical specifications for the state-specific measures that the Ohio Medicare-Medicaid Plans (MMPs) will be required to collect and report under the Ohio demonstration.

These state-specific measures supplement the reporting requirements in the core reporting requirements document. We will revise this draft document following the comment period announced in this memorandum.
