**SUBJECT:** Final Contract Year 2014 Ohio State-Specific Reporting Requirements Appendix

The purpose of this memorandum is to announce the release of the state-specific reporting requirements appendix for the Ohio MyCare Demonstration, the Ohio capitated model demonstration under the Financial Alignment Initiative. The document is designed to provide guidance and technical specifications for the state-specific measures that the Ohio Medicare-Medicaid Plans (MMPs) will be required to collect and report under the demonstration.

These state-specific measures supplement the reporting requirements in the core reporting requirements document available on the CMS website at:

<http://www.cms.gov/Medicare-Medicaid-Coordination/Medicare-and-Medicaid-Coordination/Medicare-Medicaid-Coordination-Office/FinancialAlignmentInitiative/Downloads/FinalCY2014CoreReportingRequirements.pdf>.

The specifications for these state-specific demonstration measures include their reporting frequency and due dates.

As outlined in their MOUs and three-way contracts, MMPs will also be required to meet established thresholds on certain “quality withhold” measures in order to earn back a withheld percentage of the demonstration rate. Specifications for these measures are included in the Ohio-specific appendix, and additional details about the quality withhold payment methodology and required thresholds will be provided in subsequent guidance.
