**Title: Part D Claims Messaging Requirement**

**Date:** August 16, 2006

**Summary:** In response to the strong support for the proposed 2007 Coordination of Benefits (COB) policy, and in order to further facilitate the rapid adoption of claims messaging, we are releasing new guidance that updates the policy memorandum of May 22, 2006. Accordingly, as of this date, the following policy regarding plan implementation of new standardized claims messaging to support real-time COB will be effective.

**Title: Closing Repeat Complaints in the Complaint Tracking Module**

**Date:** August 15, 2006

**Summary:** CMS appreciates the actions Part D plan sponsors are taking to reduce casework associated with beneficiary complaints. An issue that has been identified by sponsors as hindering this effort has been the inability to identify all complaints by the same person for the same issue. As a result, CMS is proposing some short term solutions that may help Part D sponsors identify and address this problem.
