Subject: COB/TrOOP Attestation

Message:

On June 14, 2006, CMS requested all Part D sponsors complete an attestation regarding compliance with our coordination of benefits requirements – including the tracking of “true out-of-pocket” (TrOOP expenditures). The email address listed in the memo was not valid.

Consequently, CMS did NOT receive any attestations sent to that address. CMS is requesting that Part D sponsors resubmit their electronically signed attestation to [PartDBenefitImpl@cms.hhs.gov](mailto:PartDBenefitImpl@cms.hhs.gov) by 5pm EDT July 20, 2006.

We recognize that this was our error and apologize for the inconvenience of submitting your COB/TrOOP attestation a second time.

If you have any questions or need additional information, please feel to contact your account manager.

Thank you.
