MEMORANDUM

DATE: July 31, 2006

Memorandum to: All Part D Plan Sponsors

From: Cynthia Tudor, Ph.D., Director, Medicare Drug Benefit Group

Subject: Medication Therapy Management (MTM) Reporting Requirements

The Medication Therapy Management (MTM) Reporting section of the CY 2006 Reporting Requirements document (released on 1/25/06) states that Part D sponsors shall report data at the PBP or Plan level. CMS recognizes that these MTM data more appropriately should be reported at the Part D contract level since that is the level at which MTM programs were approved. HPMS changes necessary to accommodate this change in the level of MTM reporting will be completed by October 2006. Therefore, for the first MTM reporting deadline of August 31, 2006, Part D Sponsors should input their contract level MTM data within the first PBP listed under their contract number, and select “No Data to Report” for all other PBP fields. This is depicted in the example below.

Example:

Plan ID	<u>No Data to Report</u>	<u>Not Ready to Report</u>	# Beneficiaries Eligible for MTMP	# MTMP Participants	# MTMP Participants Disenrolled from MTMP	# MTMP Eligible Beneficiaries Declined MTMP	Total Part D Prescription Cost for MTMP Participants (per MTMP participant per month)
001	<input type="checkbox"/>		DATA HERE	DATA HERE	DATA HERE	DATA HERE	\$ DATA HERE
002	<input checked="" type="checkbox"/>						\$
003	<input checked="" type="checkbox"/>						\$

We hope this change will better reflect your MTM program operations. We appreciate your continued cooperation in implementing the Medicare drug benefit. Questions regarding MTM reporting should be sent via email to partd-planreporting@cms.hhs.gov.
