CENTER FOR BENEFICIARY CHOICES

DATE: March 6, 2007
TO: Prescription Drug Plans
FROM: Cynthia Tudor, Ph.D., Director, Medicare Drug Benefit Group
SUBJECT: Reposting of Model Explanation of Benefits (EOB)

It has been brought to our attention that during the conversion from the old CMS website to the new one, an older, outdated version of the EOB was inadvertently posted. This notice is to inform you that we are reposting the correct version (titled: **Model PART D EOB: Updated Final Draft November 7, 2005**). It will be posted at <http://www.cms.hhs.gov/PrescriptionDrugCovContra/PartDMMM/list.asp>.

This version should not be confused with the next updated version that will be forthcoming for public comment in the next several weeks. You will receive a notice once the updated version has been released. Once the updated version has been finalized and released, there will be a transition period to allow plans to make the necessary systems changes.

If you have any questions about the EOB model, please contact your regional office plan manager or account manager.
