CENTER FOR MEDICARE

DATE: April 22, 2011

TO: All Registered HPMS Users

FROM: Cynthia G. Tudor, Ph.D., Director
Medicare Drug Benefit and C & D Data Group

SUBJECT: Health Plan Management System (HPMS) Site Name Changes

CMS has implemented changes to the site names used to access HPMS. The following table presents the old and new site names for both internal and external users by method of accessing the system:

User Type and Access Method	Old Site Name	New Site Name
External users accessing HPMS via the Medicare Data Communications Network (MDCN)	https://32.90.191.19	https://hpms.cms.gov
External users accessing HPMS via the Internet (SSL VPN)	https://gateway.cms.hhs.gov	https://gateway.cms.gov
Internal CMS users accessing HPMS via the CMS network	https://32.90.191.19	https://hpms.cms.gov
Internal CMS users accessing HPMS via the Internet (SSL VPN)	https://gateway.cms.hhs.gov	https://gateway.cms.gov

Users should ensure that bookmarks to HPMS are updated to reference the new site names. Support for the old site names will end on June 30, 2011.

For external users accessing HPMS over the MDCN, please consult with your internal IT staff if you encounter issues using the new domain name (<https://hpms.cms.gov>).

For questions related to this memo, please contact Don Freeburger at either don.freeburger@cms.hhs.gov or 410-786-4586.
