Subject: Public Reporting of 2014 SNPs Models of Care

E-mail Message:

CMS's planned public display of summaries and scores of 2014 SNPs' Models of Care (MOCs), as announced in our September 30, 2013 HPMS memo, titled "Public Reporting of Summaries of Special Needs Plans' Models of Care," will be delayed. We expect that all final summaries will be posted to the CMS website during the first quarter of 2014.

Please direct any questions regarding this memorandum to SNP_Mail@cms.hhs.gov.
