**Note:** Applications submitted to CMS must be supported by the applicable State Administering Agency (SAA) and include all required documentation, including a signed and dated state assurance form upon submission. An application will not be considered complete and valid without this form. The only exception is the state readiness review (SRR) of a proposed center site, as applicable. The SRR may be submitted in response to a CMS request for additional information.

Our application training is recorded and posted here: <https://www.cms.gov/Medicare/Health-Plans/PACE/Overview.html>.
