**Date:**        May 12, 2023

**Subject:**        CY2024 Bid-Related Updates in HPMS - 5/11/2023

CMS released the following bid-related updates on Thursday, May 11:

**Plan Benefit Package:**

- Rx segment statuses are now presented consistently.

- The selection of benefits for the MOOP has been updated in the PBP data report.

- Questions on the PLCS screens are refreshed when values are changed from "Yes" to "No."

- Questions with a "no" answer in the cost share group section are displayed in the PBP data report.

- An issue with the VBID Reduction in Cost Sharing Packages copy function has been addressed.

**API/JSON:**

- An API validation regarding Additional Days in the PLCS section has been removed.

- The display of Rx tier data has been corrected in the JSON report and API schema.

- An API and JSON download issue regarding the standard MOOP amount has been addressed.
