Subject: You are Invited to a National Stakeholder Call with the CMS Administrator on the Inflation Reduction Act (8/25/22 @ 2:00 pm ET)

Please join the Administrator of the Centers for Medicare & Medicaid Services (CMS), Chiquita Brooks-LaSure, and members of her leadership team, as we review the impacts and highlight implementation of the Inflation Reduction Act. The law will meaningfully lower health care costs for people across the country - it extends lower premiums for people with Marketplace health plans and reduces out of pocket costs for many people with Medicare Part D prescription drug coverage.

This call is open to national and local stakeholders and will provide an opportunity to learn how you can partner with us to implement the new law. We look forward to having you join us on August 25th. For more information, please visit [Statements by CMS Leadership on Inflation Reduction Act](#).
