TO: All Drug Manufacturers

SUBJECT: NOTICE: January Drug Manufacturer Call on Implementation of IRA Medicare Provisions

The purpose of this memorandum is to notify drug manufacturers that the Centers for Medicare & Medicaid Services (CMS), Center for Medicare hosts monthly calls on implementation of the Medicare provisions of the Inflation Reduction Act of 2022 (Public Law 117-169). The January call will be held on Tuesday, January 30, at 2:00 pm ET.

CMS is committed to engaging our partners and the communities we serve throughout the policymaking and implementation process, including the implementation of the Inflation Reduction Act (IRA). Aligned with our strategic pillar, CMS created this forum to provide drug manufacturers the opportunity to ask questions and provide feedback to CMS on issues related to the implementation of the Medicare provisions of the IRA.

The January 30 call will focus on the revised Medicare Inflation Rebate Program guidance and the revised guidance on the use of the 340B modifier for the Medicare Part B Inflation Rebate Program that was published on December 14, 2023. Additionally, while not an IRA provision but of interest to drug manufacturers, CMS will highlight the discarded drug preliminary reports sent to certain manufacturers in December 2023 (see Provision of Information to Manufacturers discussed at 87 FR 69724 through 69726 and 88 FR 79047 through 79049).

Registered attendees are welcome to submit feedback by email at any time. CMS also welcomes submitted questions, which can be emailed to IRAREbateandNegotiation@cms.hhs.gov, indicating "1/30 Discussion Question" in the subject line.

To register for the January 30 call, please click [here](#). **Registration will close at 5:00 pm ET on Thursday, January 25.** The zoom link and an agenda with additional details will be sent to registrants in advance of the meeting. Please allow for some time to receive the e-mail with this information; zoom links will not be sent automatically after registering.

Please note that the registration link for this event is associated with one email address and device.

Note, this call is limited to drug manufacturers. Manufacturers that participate in the Medicare Coverage Gap Discount Program (CGDP) should use their P# (i.e., HPMS Contract ID) to register for this call. Manufacturers having issue accessing HPMS or recalling their P# can reach out to the HPMS Access Help Desk (hpms_access@cms.hhs.gov) for assistance. Manufacturers who wish to join this call but are currently not participating in the CGDP should reach out to IRAREbateandNegotiation@cms.hhs.gov to request access.
