SUBJECT: Release of Revised Contract Year 2024 Marketing Models

Accompanying this memorandum is an updated version of Chapter 4 of the Member Handbook for Medicare-Medicaid Plans (MMPs) for Contract Year (CY) 2024 developed jointly by CMS and the state of Michigan for MMPs operating in the Michigan capitated financial alignment model demonstration. This model replaces the model previously issued for CY 2024.

The marketing model updates include:

Member Handbook (Evidence of Coverage): Chapter 1, Page 13 - addition of community health worker (CHW) benefit.

Michigan MMPs must communicate these revisions to enrollees in accordance with the "Mid-Year Change Notification to Enrollees" instructions in the "CMS required materials and content (422.2267(e))" section in the CY 2024 Marketing Guidance for Michigan Medicare-Medicaid Plans, issued on July 26, 2023. Michigan MMPs must not use the errata process to communicate these changes.

We will post the revised models on the Medicare-Medicaid Coordination Office's Information and Guidance for Plans webpage at www.cms.gov/Medicare-Medicaid-Coordination/Medicare-and-Medicaid-Coordination/Medicare-Medicaid-Coordination-Office/FinancialAlignmentInitiative/MMPInformationandGuidance/MMPMarketingInformationandResources, grouped alphabetically by state under the "State-Specific Information" heading.
