PDP Sponsors,

The Centers for Medicare and Medicaid Services (CMS) is excited to announce that the AB2D API is now live!

The AB2D API securely provides stand-alone Prescription Drug Plan (PDP) Sponsors with Medicare Parts A and B claims data for their active enrollees. This data has the potential to transform how PDP sponsors coordinate care, monitor treatment effectiveness, and access patient's medical history.

For more information please visit the AB2D API website!

Sincerely,

The AB2D Team
