SUBJECT: Update to the **Advance Announcement of January 2025 Software Release** - Additions to the Model Individual Enrollment Request Form to Enroll in a Medicare Advantage Plan (MA) or a Medicare Prescription Drug Plan (Part D)

Based on feedback received from the memorandum issued July 2, 2024 (**Advance Announcement of January 2025 Software Release**), CMS is providing additional information and clarification of the file layouts. As indicated in the July 2nd memo, CMS will release an additional memo in Fall 2024, that will detail the transaction reply codes (TRCs) and MARx UI screens related to these updates for calendar year 2025; these updates will not impact the model enrollment form exhibits.

MA and Part D Plans can only submit data collected from the additional data fields for enrollment requests received on or after January 1, 2025.

NOTE: All file layouts listed below have been increased to accommodate additional data.

See the file layout changes listed below (bolded and shaded):

- Full Transaction Code 61 Layout (Attachment A)
- Full Transaction Code 92 Layout (Attachment B)
- Full Daily Transaction Reply Report (DTRR) Layout (Attachment C)
- Update to BCSS Failed Transaction Layout (Attachment D)
