Subject: Updated PBP API Documentation

CMS has posted updated PBP API documentation in response to industry comments submitted to date:

- Fine-tuned the current sample JSON files

- Added a new sample JSON file for the MMP plan type

These materials are available in the **Documentation** section of the publicly available HPMS landing page at https://hpms.cms.gov. They can also be retrieved from the **Documentation** section of the PBP module.

Please note that CMS has also updated the plan copy function in the PBP module.

For questions related to the PBP API, please send an e-mail to hpmstechsupport@softrams.com.

For other HPMS questions, please contact the HPMS Help Desk at either hpms@cms.hhs.gov or 1-800-220-2028.
