**SUBJECT:** Centene D-SNP Look-alike Plan: Non-Renewal Enrollee Notification  
Model for January 2023

On September 29, 2022, the Centers for Medicare & Medicaid Services (CMS) released an HPMS memorandum entitled, “Non-Renewal and Service Area Reduction Guidance and Enrollee Notification Models.” Included with the attachments is a model non-renewal notice for D-SNP look-alike non-renewals; Tab M.

The purpose of this memorandum is to provide Centene non-renewing D-SNP look-alikes in Illinois with an alternative state specific non-renewal notice; modified Tab M. The alternative model notice includes language indicating that current enrollees will be passively enrolled into Meridian Medicare-Medicaid Plan (MMP). Centene will use the attached modified Tab M instead of the Tab M model notice included with the September 29, 2022 HPMS Memo. Requirements included in CY23 Non-Renewal and Service Area Reduction Guidance remains applicable for the modified Tab M.

For those individuals not eligible to be passively enrolled in the Meridian MMP, Centene will follow the requirements in the September 29, 2022 guidance that apply to non-renewing D-SNP look-alikes in Illinois; non-modified Tab M.
