# MCD Search Introduction

The Medicare Coverage Database (MCD) Search quick facts:

- ❖ Complete redesign completed September 2021.
- ❖ Supports searching for document IDs, codes (CPT/HCPCS or ICD-10-CM), keywords, and MAC short names using a single search term box.
- ❖ Search Results page includes filters that allow in-place adjustment of search terms.
- ❖ Users can quickly see feature highlights by taking the Search Tour.

# MCD Search Page – General Information

Key elements of the Search page:

- ❖ Search term box – Where you enter a search term (document ID, code, keyword, or MAC name).
- ❖ State filter – Use to limit your search results to a particular state.
- ❖ Hints – As you type a search term, hints will appear below the search term box.

The screenshot shows the top portion of the CMS.gov website. The header includes the CMS.gov logo, the text "Centers for Medicare & Medicaid Services", and navigation links for "About Us", "Newsroom", and "Data & Research". Below this is a dark blue navigation bar with the "MCD Medicare Coverage Database" logo, a "Search" link, and other options like "Reports" and "Downloads". A search input field is present with the placeholder text "Enter keyword, code, or document ID", a state filter dropdown set to "All States", and a green search button.

The screenshot shows the search results for the term "hyaluronan". The search input field contains "hyaluronan" and the state filter is set to "All States". Below the input field is a green link that says "Search entire database for complete results". The results are categorized into "Articles (3 of 5 Title Matches)" and "Local Coverage Determinations (LCDs)".

Category	Item
Articles (3 of 5 Title Matches)	A55036 - Billing and Coding: Hyaluronan Acid Therapies for Osteoarthritis of... [Novitas]
	A52420 - Billing and Coding: Hyaluronans Intra-articular Injections of [NGS]
	A56157 - Billing and Coding: Intraarticular Knee Injections of Hyaluronan [WPS]
Local Coverage Determinations (LCDs)	L35427 - Hyaluronan Acid Therapies for Osteoarthritis of the Knee [Novitas]

# Document ID Search

- ❖ If known, the document ID is the most direct way to search. Enter it into the search term box.
- ❖ Hints will appear below the box as you type. Once the entire ID is entered, an exact match row will appear. Click on a hint/exact match to view the document.
- ❖ If you enter an LCD ID, you may also receive a Proposed LCD and/or a Future effective LCD version in the hint list.
- ❖ If the document is no longer in the MCD, but has moved to the MCD Archive, you may see that hint.

# View a document from the hint list

Before viewing the document you may be prompted to accept the CPT/HCPCS Procedure Codes AMA License Agreement. Once you click the Accept button, the full document will be visible. The license agreement should only appear once per browser session.

The screenshot shows a web interface for the Medicare Coverage Database (MCD). A modal window titled "License Agreements" is displayed over the document content. The modal contains the following text:

Please review and accept the agreements in order to view Medicare Coverage documents, which may include licensed information and codes.

**LICENSE FOR USE OF PHYSICIANS' CURRENT PROCEDURAL TERMINOLOGY, FOURTH EDITION ("CPT")**

**End User Point and Click Amendment:**

At the bottom of the modal, there are two buttons: "I Accept" and "I Do Not Accept".

The background interface shows a sidebar with a "Contents" menu and a document title "Original ICD-9 Article ID: A5311E".

# Document ID Search (continued)

You can search by ID for the following document types:

- ❖ LCDs (6 characters starting with the letter L. Example: L99999)
- ❖ Proposed LCDs (7 characters starting with the letters DL. Example: DL99999)
- ❖ Articles (6 characters starting with the letter A. Example: A99999)
- ❖ NCDs (All numbers, with 2 or 3 segments separated by periods. Example: 99.9.9)
- ❖ NCAs (Start with CAG-, then 6 or 7 characters. Example: CAG-00190R2)

# Search by Code (CPT/HCPCS or ICD-10-CM)

Enter your code into the search term box.

- ❖ As you type, the MCD will begin to recognize your search term as a code.
- ❖ If you are entering a CPT/HCPCS code and have not yet accepted the CPT/HCPCS Procedure Codes AMA License Agreement for your browser session, you will see a yellow banner in the hint list. You must click on this, then Accept the agreement, in order to continue the search for codes.

1101| All States 

[Search entire database for complete results](#) 

CPT/HCPCS Procedure (Billing) Codes – To view possible code matches, click here to accept the AMA License Agreement. 

# Search by Code (CPT/HCPCS or ICD-10-CM) (continued)

- ❖ After accepting the license, a full list of code hints will appear based on your search term.
- ❖ Clicking a code hint displays a list of document results which contain that code.
- ❖ Select a state before clicking a hint, to narrow results to only one state. (Or you can filter for states on the Search Results page.)
- ❖ Don't see what you expected? Click "Search entire database for complete results" to expand the search.

The screenshot shows a search interface for the Medicare Coverage Database. At the top, there is a search input field containing the text "1101". To the right of the input field is a dropdown menu labeled "All States" with a search icon. Below the input field is a green button with the text "Search entire database for complete results" and a magnifying glass icon. Below this button is a section titled "Select a CPT/HCPCS Procedure Code Below to Search for Local Coverage Documents" with a question mark icon. Below this section is a list of search results:

- 11010 - DEBRIDEMENT INCLUDING REMOVAL OF FOREIGN MATERIAL AT THE SITE OF AN...
- 11011 - DEBRIDEMENT INCLUDING REMOVAL OF FOREIGN MATERIAL AT THE SITE OF AN...
- 11012 - DEBRIDEMENT INCLUDING REMOVAL OF FOREIGN MATERIAL AT THE SITE OF AN...
- 1101F - PATIENT SCREENED FOR FUTURE FALL RISK; DOCUMENTATION OF NO FALLS IN...

# Search by Keyword

Enter your keyword/ keyword phrase into the search term box.

- ❖ As you type, possible matches appear as hints below the box. Matching is based on term being in the title (or a document’s Keyword field).
- ❖ Maximum of 3 hints per document type will display.
- ❖ Click on a hint to view the document directly.
- ❖ If no hints appear to be what you are looking for, click “Search entire database for complete results” or click the green magnifying glass button to submit the full search.

The screenshot shows a search interface with a search box containing the text 'osteo|'. To the right of the search box is a dropdown menu set to 'All States' and a green magnifying glass button. Below the search box is a green link that says 'Search entire database for complete results' with a magnifying glass icon. The search results are organized into two sections: 'Articles (3 of 33 Title Matches)' and 'Local Coverage Determinations (LCDs) (3 of 21 Title Matches)'. Each section has a question mark icon in a circle to its right. The 'Articles' section lists three items: 'A54061 - Arthroscopic Lavage and Arthroscopic Debridement for Osteoarthritic... [Noridian]', 'A54063 - Arthroscopic Lavage and Arthroscopic Debridement for Osteoarthritic... [Noridian]', and 'A56532 (Retired) - Billing and Coding for Percutaneous Vertebral Augmentation (PVA) for... [CGS]'. The 'LCDs' section lists two items: 'L33270 - Bisphosphonates (Intravenous [IV]) and Monoclonal Antibodies in the... [First Coast]' and 'L35427 - Hyaluronan Acid Therapies for Osteoarthritis of the Knee [Novitas]'. A vertical scrollbar is visible on the right side of the results area.

# Search by MAC Name

- ❖ Another way to search for local coverage documents (i.e., LCDs and articles) is by Medicare Administrative Contractor (MAC) short name. Accepted values are:
  - ❖ CGS
  - ❖ First Coast
  - ❖ NGS
  - ❖ Noridian
  - ❖ Novitas
  - ❖ Palmetto
  - ❖ WPS
- ❖ Type the MAC name into the search term box and submit the search.
- ❖ On the Search Results page, the documents for the MAC you entered will display.
- ❖ You can also combine the MAC name with another term to receive LCDs and articles which include both (e.g., “CGS cancer” will return LCDs and articles by CGS that include the word “cancer.”)

# Search Results

If you searched by code or keyword and chose to search the entire database, you will be brought to the Search Results page.

The results display documents that include your term in the title or somewhere within the document body.

All Document Types ▾ All States ▾ All Contractors ▾ More ▾

- ❖ A keyword entered on the Search page will appear in the keyword text box on Search Results. You can change your keyword with the Search Results filter. You can also enter a document ID if you want to search by ID.
- ❖ Keyword options:
  - ❖ Starts With (default). The keyword/phrase will be matched to document text that starts with what you entered. Example: “hemo” will return hemodialysis, hemoglobin, and hemophilia.
  - ❖ All Words. The keywords do not have to be found as a phrase, but only documents with all the words you have entered will be in the results. Example: “hemoglobin test” will match to anything that has both “test” and “hemoglobin” in the document.
  - ❖ Any Word. The keywords do not have to be found as a phrase, a document with any one of the words you have entered will be in the results. Example: “hemoglobin test” will match to anything that has either “test” or “hemoglobin” in the document.

# Search Results – Filter Bar: Document Type

The Document Type filter allows you to change which document types are included in the results.

- ❖ The default is “All Document Types” which includes all National Coverage and all Local Coverage document types.
- ❖ If you change this filter, the filter label will update to reflect the selection.

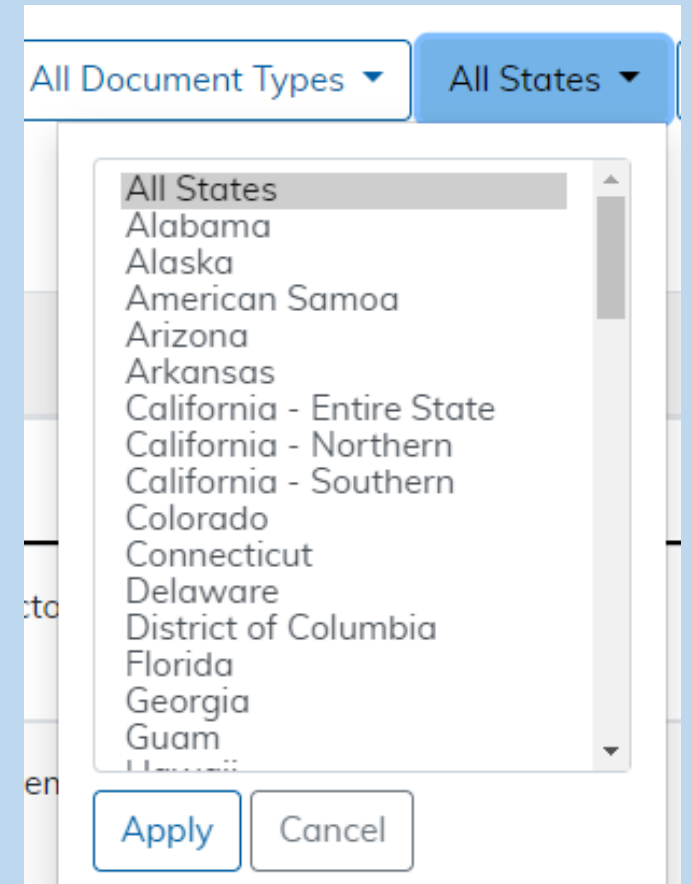

- ❖ Click the Apply button to submit the filter changes.

A screenshot of the 'All Document Types' dropdown menu. The menu is open, showing two columns of options. The left column is titled 'All National Coverage' and includes: NCA (National Coverage Analyses), CAL (Coding Analyses for Labs), NCD (National Coverage Determinations), MEDCAC (Medicare Evidence Development & Coverage Advisory Committee Meetings), TA (Technology Assessments), and MCD (Medicare Coverage Documents). The right column is titled 'All Local Coverage' and includes: All Articles, B&C (Billing and Coding) Articles, SAD (Self-Administered Drug Exclusion) Articles, RTC (Response to Comment) Articles, All Other Articles, All LCDs (Policies), Final LCDs (Final Policies), and Proposed LCDs (Proposed Policies). At the bottom of the menu are 'Apply' and 'Cancel' buttons. The top of the menu shows the current selection 'All Document Types' and other filters like 'All States' and 'All Contractors'.

# Search Results – Filter Bar: State

The State filter allows you to change which states are included in the results.

- ❖ The default is “All States.”
- ❖ States include states, territories, and CMS Regions.
- ❖ If you change this filter, the label will update to reflect the selection.

# Search Results – Filter Bar: Contractor

The Contractor filter allows you to change which contractors are included in the results.

- ❖ The default is “All Contractors” which will search all Local Coverage contractor documents and all National Coverage documents.
- ❖ You can also select contractors by Contractor Number, Contract Type, or Contractor Name. When you select these options, additional select lists appear.
- ❖ If you change this filter, the filter label will update to reflect the selection.

# Search Results – Filter Bar: More

The More filter includes several sub-filters.

- ❖ NCA/CAL Status - Since NCA/CAL Status applies only to NCAs and CALs, all other document types will be excluded from the results.
- ❖ Benefit Category - Since Benefit Category applies only to NCDs, NCAs, and CALs, all other document types will be excluded from the results.
- ❖ CPT/HCPCS - Filter for documents containing specific CPT/HCPCS codes. Note: National Coverage documents do not include CPT/HCPCS codes.
- ❖ ICD-10-CM - Filter for documents containing a specific ICD-10-CM code. Also provides an ICD-10-CM code lookup function. Note: National Coverage documents do not include ICD-10-CM codes.
- ❖ Date Criteria –
  - ❖ Latest Update: filter for the most recent version of articles and LCDs, whether that version is currently in effect, future effective, or retired. National Coverage documents are not versioned, so this does not impact the National Coverage results.
  - ❖ Currently in Effect; In Effect on a particular date; and In Effect Between two dates are also offered.
- ❖ Article/LCD Status - Since Article/LCD Status applies only to Local Coverage, all other document types will be excluded from the results.

The screenshot shows the 'More' filter section of the Medicare Coverage Database (MCD) search results. The filter bar includes a search icon, dropdown menus for 'All Document Types', 'All States', and 'All Contractors', and a 'More' dropdown. The 'More' section is expanded, showing several filter categories with checkboxes and input fields. The categories are: NCA/CAL Status (checked), Benefit Category (checked), CPT/HCPCS (checked), ICD-10-CM (checked), Date Criteria (checked), and Article/LCD Status (checked). Each category has a dropdown menu or input fields for filtering. The 'Benefit Category' dropdown is open, showing a list of categories. The 'Date Criteria' section has radio buttons for 'Latest Update', 'Currently in Effect', 'In Effect on this Date', and 'In Effect Between'. The 'Article/LCD Status' dropdown is set to 'All'. At the bottom of the filter bar are 'Apply' and 'Cancel' buttons.

# Search Results – Sort By

A Sort By option is available. Choices are: Relevance (default), Title, Doc Type, Contractor, Last Updated.

- ❖ Relevance sort - Results are divided into two sections; one for Title Results and one for Entire Document Results.
- ❖ Results with the keyword in the title (or in the document's Keyword field) are considered more relevant, and are included in the Title grouping which is presented first. Results with the keyword in the body of the document (entire document search) are considered less relevant, and are listed second.
- ❖ Document types are mixed. Within each section the sort is alphabetical by title.
- ❖ Changing Sort By also changes the offered Jump To links.

# Search Results – Sort By (continued)

- ❖ Title sort – Sorts entire results set by title. There are no Jump To links for this sort, as there is only one section.
- ❖ Doc Type sort – Sorts the results set by document type (articles, CALs, LCDs, etc.) Within each document type section, the results will be alphabetical by title. This sort will include Jump To links above the results table; one link for each section in the results.
- ❖ Contractor sort – Sorts the results into a National Coverage section (where the Contractor column is blank because there is no contractor for National Coverage) and a Local Coverage section. The Local Coverage section should be sorted alphabetically by contractor name, then alphabetically by document title. This sort will include Jump To links above the results table; one link for National Coverage, one for Local Coverage, if there is at least one result for that coverage type.
- ❖ Last Updated sort – Sorts the results in descending order by their most recent edit date. When using this sort, the results table will display a Last Updated date under the title for each document. The results will co-mingle National Coverage and Local Coverage documents. There are no Jump To links for this sort.

# Search Results – New Search & Copy this Search

The Search Results page includes:

- ❖ New search – This option will clear out all criteria and take you back to the Search page to begin a new search.
- ❖ Copy this search – Provides an easy-to-copy URL to use for bookmarking or sharing searches. The URL will allow a user to re-submit the exact search criteria.

# Search Results – See Also

The right side of the Search Results page includes a See Also section which provides important notes related to your search.

There is also a Selected Criteria section.

- ❖ Criteria from the filters will display here.
- ❖ Multiple criteria will be partially shown to save space, but click on ...More to show all. Click on Less to collapse again.

The Document Counts section also helps keep track of results.

The sections update as criteria is changed.
