

# How To – Search

Last Updated: October 22, 2024

# MCD Search Introduction

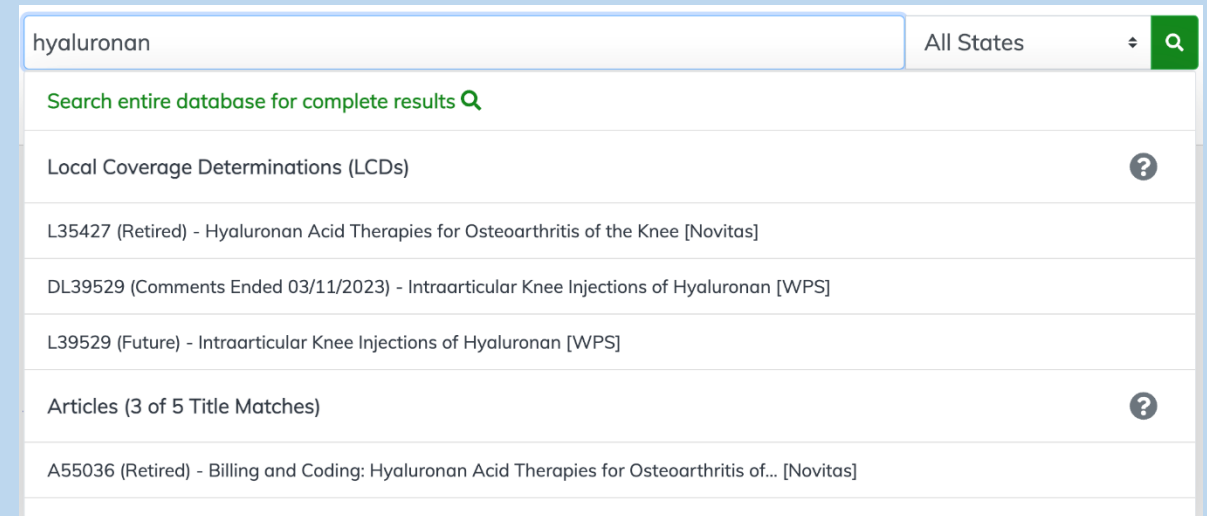

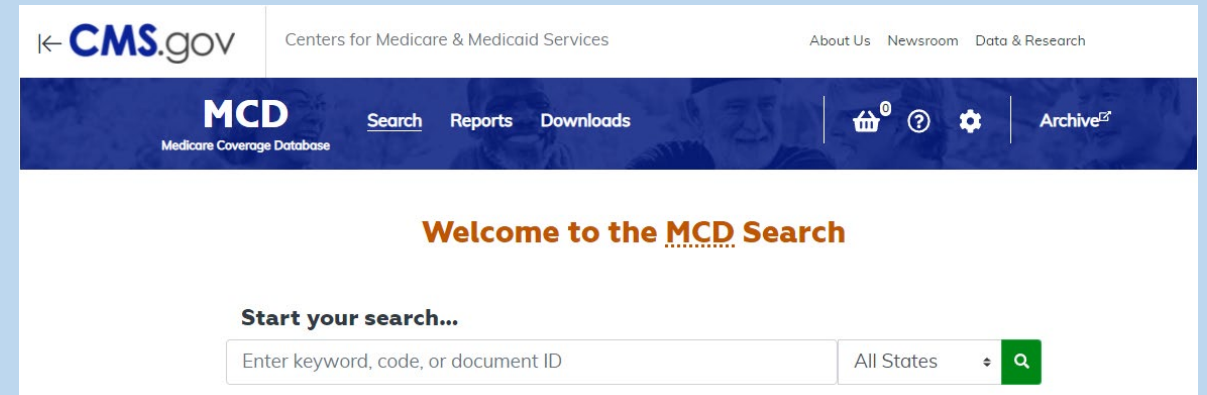

The Medicare Coverage Database (MCD) Search quick facts:

- ❖ Complete redesign completed September 2021.
- ❖ Supports searching for document IDs, codes (CPT/HCPCS or ICD-10-CM), keywords, and MAC short names using a single search term box.
- ❖ Search Results page includes filters that allow in-place adjustment of search terms.
- ❖ Users can quickly see feature highlights by taking the Search Tour.

# MCD Search Page – General Information

Key elements of the Search page:

- ❖ Search term box – Where you enter a search term (document ID, code, keyword, or MAC name).
- ❖ State filter – Use to limit your search results to a particular state.
- ❖ Hints – As you type a search term, hints will appear below the search term box.

# Document ID Search

- ❖ If known, the document ID is the most direct way to search. Enter it into the search term box.
- ❖ Hints will appear below the box as you type. Once the entire ID is entered, an exact match row will appear. Click on a hint/exact match to view the document.
- ❖ If you enter an LCD ID, you may also receive a Proposed LCD and/or a Future effective LCD version in the hint list.
- ❖ If the document is no longer in the MCD, but has moved to the MCD Archive, you may see that hint.

L33794| All States

Exact match found: [View L33794](#)

Local Coverage Determinations (LCDs) (4 ID Matches)

DL33794 (Comments Ended 06/15/2020) - External Infusion Pumps [CGS, Noridian]

DL33794 (Comments Ended 02/10/2020) - External Infusion Pumps [CGS, Noridian]

L33794 - External Infusion Pumps [CGS, Noridian]

L33794 (Future) - External Infusion Pumps [CGS, Noridian]

# View a document from the hint list

Before viewing the document you may be prompted to accept the CPT/HCPCS Procedure Codes AMA License Agreement. Once you click the Accept button, the full document will be visible. The license agreement should only appear once per browser session.

The screenshot shows a web browser window with a CMS (Centers for Medicare and Medicaid Services) interface. A modal window titled "License Agreements" is displayed in the center. The modal contains the following text:

Please review and accept the agreements in order to view Medicare Coverage documents, which may include licensed information and codes.

**LICENSE FOR USE OF PHYSICIANS' CURRENT PROCEDURAL TERMINOLOGY, FOURTH EDITION ("CPT")**

**End User Point and Click Amendment:**

CPT codes, descriptions and other data only are copyright 2020 American Medical Association. American Medical Association. All Rights Reserved (or such other date of publication of CPT). CPT is a trademark of the American Medical Association (AMA).

You, your employees and agents are authorized to use CPT only as contained in the following authorized materials of CMS internally within your organization within the United States for the sole use by yourself, employees and agents. Use is limited to use in Medicare, Medicaid or other programs administered by the Centers for Medicare and Medicaid Services (CMS). You agree to take all necessary steps to insure that your employees and agents abide by the terms of this agreement.

Any use not authorized herein is prohibited, including by way of illustration and not by way of limitation, making copies of CPT for resale and/or license, transferring copies of CPT to any party not bound by this agreement, creating any modified or derivative work of CPT, or making any commercial use of CPT. License to use CPT for any use not authorized herein must be obtained **through** the AMA, CPT Intellectual Property Services, AMA Plaza, 330 Wabash Ave., Suite 39300, Chicago, IL 60611-5885. Applications are available at the AMA Web site, <http://www.ama-assn.org/cpt>.

At the bottom of the modal, there are two buttons: "I Accept" and "I Do Not Accept".

The background of the browser window shows a CMS page with a navigation menu on the left and a main content area on the right. The navigation menu includes "Back to MCD Search", "Contents", "Contractor Information", "Article Information", "General Information", "Article ID", "Original ICD-9 Article ID", "Article Title", "Article Type", "Original Effective Date", "Revision Effective Date", "Revision Ending Date", "Retirement Date", "Article Guidance", "Article Text", and "Coding Information".

# Document ID Search (continued)

You can search by ID for the following document types:

- ❖ LCDs (6 characters starting with the letter L. Example: L99999)
- ❖ Proposed LCDs (7 characters starting with the letters DL. Example: DL99999)
- ❖ Articles (6 characters starting with the letter A. Example: A99999)
- ❖ NCDs (All numbers, with 2 or 3 segments separated by periods. Example: 99.9.9)
- ❖ NCAs (Start with CAG-, then 6 or 7 characters. Example: CAG-00190R2)

# Search by Code (CPT/HCPCS or ICD-10-CM)

Enter your code into the search term box.

- ❖ As you type, the MCD will begin to recognize your search term as a code.
- ❖ If you are entering a CPT/HCPCS code and have not yet accepted the CPT/HCPCS Procedure Codes AMA License Agreement for your browser session, you will see a yellow banner in the hint list. You must click on this, then Accept the agreement, in order to continue the search for codes.

1101| All States 

[Search entire database for complete results](#) 

CPT/HCPCS Procedure (Billing) Codes – To view possible code matches, click here to accept the AMA License Agreement. 

# Search by Code (CPT/HCPCS or ICD-10-CM) (continued)

- ❖ After accepting the license, a full list of code hints will appear based on your search term.
- ❖ Clicking a code hint displays a list of document results which contain that code.
- ❖ Select a state before clicking a hint, to narrow results to only one state. (Or you can filter for states on the Search Results page.)
- ❖ Don't see what you expected? Click "Search entire database for complete results" to expand the search.

The screenshot shows a search interface with a search bar containing '1101' and a dropdown menu set to 'All States'. Below the search bar is a green button labeled 'Search entire database for complete results' with a magnifying glass icon. Below that is a heading 'Select a CPT/HCPCS Procedure Code Below to Search for Local Coverage Documents' with a question mark icon. The results list includes:

- 11010 - DEBRIDEMENT INCLUDING REMOVAL OF FOREIGN MATERIAL AT THE SITE OF AN...
- 11011 - DEBRIDEMENT INCLUDING REMOVAL OF FOREIGN MATERIAL AT THE SITE OF AN...
- 11012 - DEBRIDEMENT INCLUDING REMOVAL OF FOREIGN MATERIAL AT THE SITE OF AN...
- 1101F - PATIENT SCREENED FOR FUTURE FALL RISK; DOCUMENTATION OF NO FALLS IN...

# Search by Keyword

Enter your keyword/ keyword phrase into the search term box.

- ❖ As you type, possible matches appear as hints below the box. Matching is based on term being in the title (or a document's Keyword field).
- ❖ Maximum of 3 hints per document type will display.
- ❖ Click on a hint to view the document directly.
- ❖ If no hints appear to be what you are looking for, click “Search entire database for complete results” or click the green magnifying glass button to submit the full search.

The screenshot shows a search interface with a search box containing the text "osteo". To the right of the search box is a dropdown menu set to "All States" and a green magnifying glass icon. Below the search box, there is a green link that says "Search entire database for complete results" with a magnifying glass icon. Below that, there are several hints displayed in a list:

- National Coverage Determinations (NCDs) [?]
- 30.3.2 - Acupuncture for Osteoarthritis
- 150.9 - Arthroscopic Lavage and Arthroscopic Debridement for the...
- 150.2 - Osteogenic Stimulators
- Local Coverage Determinations (LCDs) (3 of 13 Title Matches) [?]
- L33270 - Bisphosphonates (Intravenous [IV]) and Monoclonal Antibodies in the... [First Coast]

# Search by MAC Name

- ❖ Another way to search for local coverage documents (i.e., LCDs and articles) is by Medicare Administrative Contractor (MAC) short name. Accepted values are:
  - ❖ CGS
  - ❖ First Coast
  - ❖ NGS
  - ❖ Noridian
  - ❖ Novitas
  - ❖ Palmetto
  - ❖ WPS
- ❖ Type the MAC name into the search term box and submit the search.
- ❖ On the Search Results page, the documents for the MAC you entered will display.
- ❖ You can also combine the MAC name with another term to receive LCDs and articles which include both (e.g., “CGS cancer” will return LCDs and articles by CGS that include the word “cancer.”)

# Search Results

If you searched by code or keyword and chose to search the entire database, you will be brought to the Search Results page.

The results display documents that include your term in the title or somewhere within the document body.

# Search Results – Filter Bar: Keyword

**Search Results**

hemo Starts With 🔍

All Document Types ▾ All States ▾ All Contractors ▾ More ▾

- ❖ A keyword entered on the Search page will appear in the keyword text box on Search Results. You can change your keyword with the Search Results filter. You can also enter a document ID if you want to search by ID.
- ❖ Keyword options:
  - ❖ Starts With (default). The keyword/phrase will be matched to document text that starts with what you entered. Example: “hemo” will return hemodialysis, hemoglobin, and hemophilia.
  - ❖ All Words. The keywords do not have to be found as a phrase, but only documents with all the words you have entered will be in the results. Example: “hemoglobin test” will match to anything that has both “test” and “hemoglobin” in the document.
  - ❖ Any Word. The keywords do not have to be found as a phrase, a document with any one of the words you have entered will be in the results. Example: “hemoglobin test” will match to anything that has either “test” or “hemoglobin” in the document.

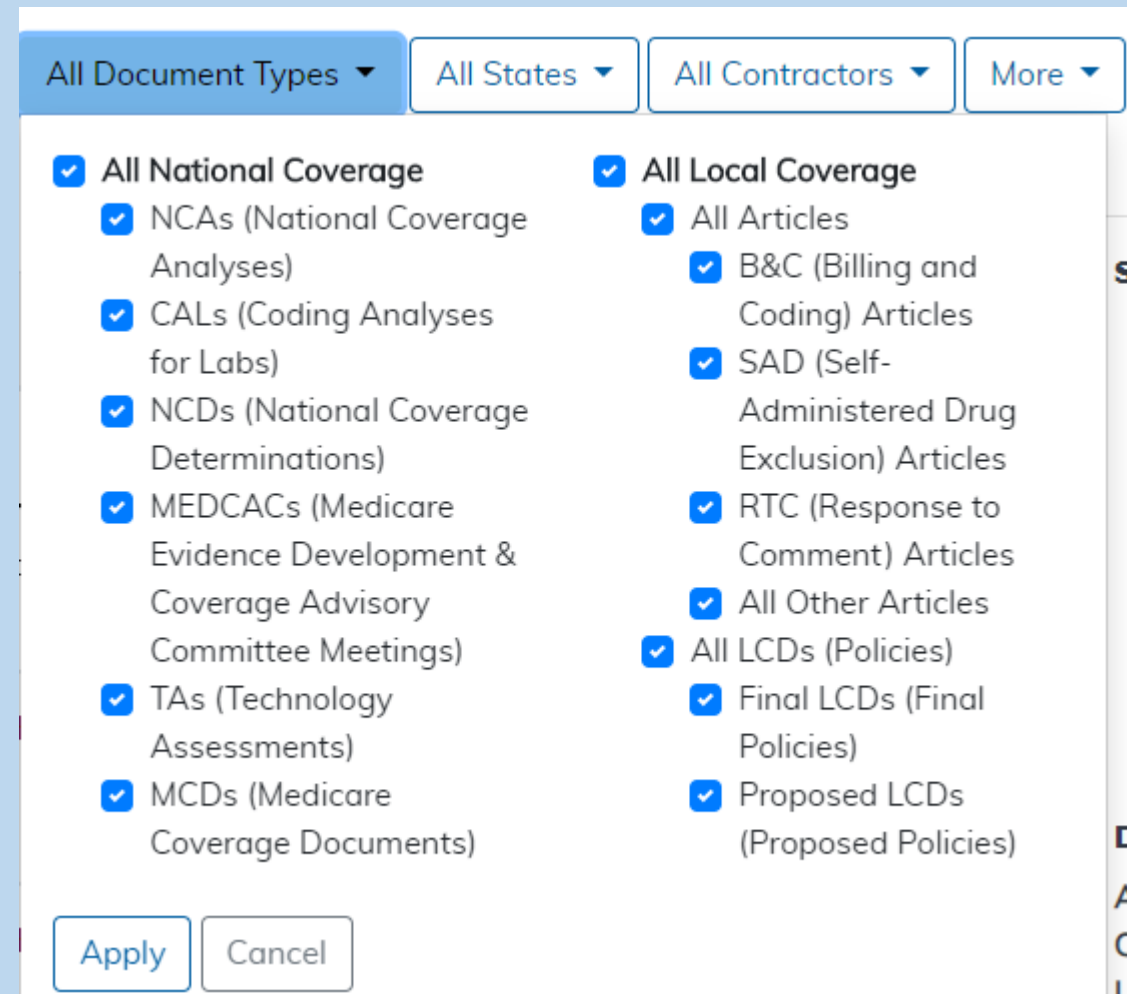

# Search Results – Filter Bar: Document Type

The Document Type filter allows you to change which document types are included in the results.

- ❖ The default is “All Document Types” which includes all National Coverage and all Local Coverage document types.
- ❖ If you change this filter, the filter label will update to reflect the selection.

- ❖ Click the Apply button to submit the filter changes.

# Search Results – Filter Bar: State

The State filter allows you to change which states are included in the results.

- ❖ The default is “All States.”
- ❖ States include states, territories, and CMS Regions.
- ❖ If you change this filter, the label will update to reflect the selection.

The filter bar consists of three dropdown menus. The first menu is labeled 'Guam', the second is labeled 'CMS Region X', and the third is labeled 'Multiple States'. Each menu has a small downward-pointing triangle on its right side.

The screenshot shows a dropdown menu for the 'All States' filter. The menu is open, displaying a list of states and regions. The 'All States' option is highlighted at the top. The list includes: Alabama, Alaska, American Samoa, Arizona, Arkansas, California - Entire State, California - Northern, California - Southern, Colorado, Connecticut, Delaware, District of Columbia, Florida, Georgia, Guam, and Hawaii. Below the list are two buttons: 'Apply' and 'Cancel'.

# Search Results – Filter Bar: Contractor

The Contractor filter allows you to change which contractors are included in the results.

- ❖ The default is “All Contractors” which will search all Local Coverage contractor documents and all National Coverage documents.
- ❖ You can also select contractors by Contractor Number, Contract Type, or Contractor Name. When you select these options, additional select lists appear.
- ❖ If you change this filter, the filter label will update to reflect the selection.

# Search Results – Filter Bar: More

The More filter includes several sub-filters.

- ❖ NCA/CAL Status - Since NCA/CAL Status applies only to NCAs and CALs, all other document types will be excluded from the results.
- ❖ Benefit Category - Since Benefit Category applies only to NCDs, NCAs, and CALs, all other document types will be excluded from the results.
- ❖ CPT/HCPCS - Filter for documents containing specific CPT/HCPCS codes. Note: National Coverage documents do not include CPT/HCPCS codes.
- ❖ ICD-10-CM - Filter for documents containing a specific ICD-10-CM code. Also provides an ICD-10-CM code lookup function. Note: National Coverage documents do not include ICD-10-CM codes.
- ❖ Date Criteria –
  - ❖ Latest Update: filter for the most recent version of articles and LCDs, whether that version is currently in effect, future effective, or retired. National Coverage documents are not versioned, so this does not impact the National Coverage results.
  - ❖ Currently in Effect; In Effect on a particular date; and In Effect Between two dates are also offered.
- ❖ Article/LCD Status - Since Article/LCD Status applies only to Local Coverage, all other document types will be excluded from the results.

Search results filter bar showing the 'More' filter section. The filter bar includes a search icon, a search input field, and dropdown menus for 'All Document Types', 'All States', 'All Contractors', and 'More'. The 'More' filter section is expanded, showing several sub-filters with checkboxes and input fields.

# Search Results – Sort By

A Sort By option is available. Choices are: Relevance (default), Title, Doc Type, Contractor, Last Updated.

- ❖ Relevance sort - Results are divided into two sections; one for Title Results and one for Entire Document Results.
- ❖ Results with the keyword in the title (or in the document's Keyword field) are considered more relevant, and are included in the Title grouping which is presented first. Results with the keyword in the body of the document (entire document search) are considered less relevant, and are listed second.
- ❖ Document types are mixed. Within each section the sort is alphabetical by title.
- ❖ Changing Sort By also changes the offered Jump To links.

**Search Results**

# Search Results – Sort By (continued)

- ❖ Title sort – Sorts entire results set by title. There are no Jump To links for this sort, as there is only one section.
- ❖ Doc Type sort – Sorts the results set by document type (articles, CALs, LCDs, etc.) Within each document type section, the results will be alphabetical by title. This sort will include Jump To links above the results table; one link for each section in the results.
- ❖ Contractor sort – Sorts the results into a National Coverage section (where the Contractor column is blank because there is no contractor for National Coverage) and a Local Coverage section. The Local Coverage section should be sorted alphabetically by contractor name, then alphabetically by document title. This sort will include Jump To links above the results table; one link for National Coverage, one for Local Coverage, if there is at least one result for that coverage type.
- ❖ Last Updated sort – Sorts the results in descending order by their most recent edit date. When using this sort, the results table will display a Last Updated date under the title for each document. The results will co-mingle National Coverage and Local Coverage documents. There are no Jump To links for this sort.

# Search Results – New Search & Copy this Search

The Search Results page includes:

- ❖ New search – This option will clear out all criteria and take you back to the Search page to begin a new search.
- ❖ Copy this search – Provides an easy-to-copy URL to use for bookmarking or sharing searches. The URL will allow a user to re-submit the exact search criteria.

# Search Results – See Also

The right side of the Search Results page includes a See Also section which provides important notes related to your search.

There is also a Selected Criteria section.

- ❖ Criteria from the filters will display here.
- ❖ Multiple criteria will be partially shown to save space, but click on ...More to show all. Click on Less to collapse again.

The Document Counts section also helps keep track of results.

The sections update as criteria is changed.
