General Information

- Pre-training materials do not contain answer slides. Consequently, you will notice missing slides in materials that may have been downloaded prior to the training.
- All training materials with answers will be posted to the Skilled Nursing Facility (SNF) Quality Reporting Program (QRP) Training page on the CMS website.
- Video recordings of today's presentations will be posted to CMS' YouTube site.
- Certificates of Completion will be provided and emailed to those attending in person today.
 - This training does not offer Continuing Education Units.

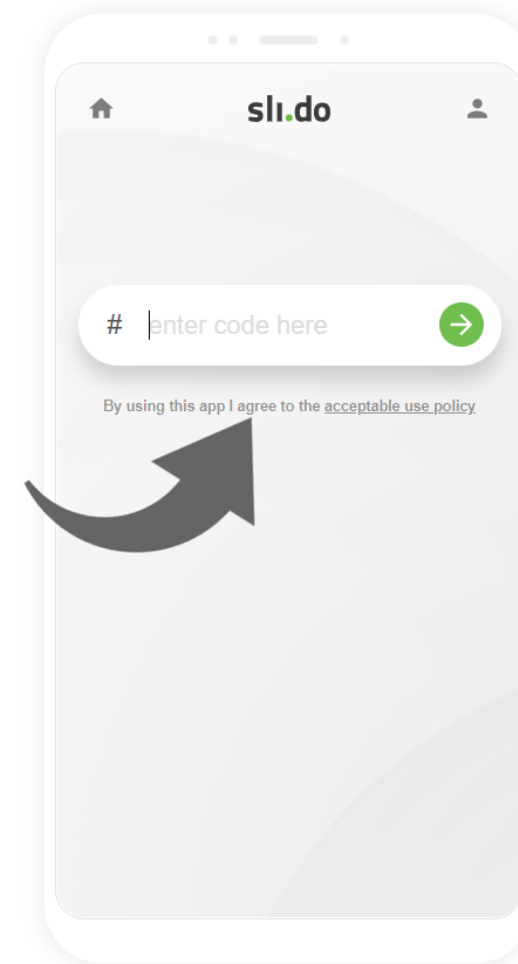

Icebreaker Activity

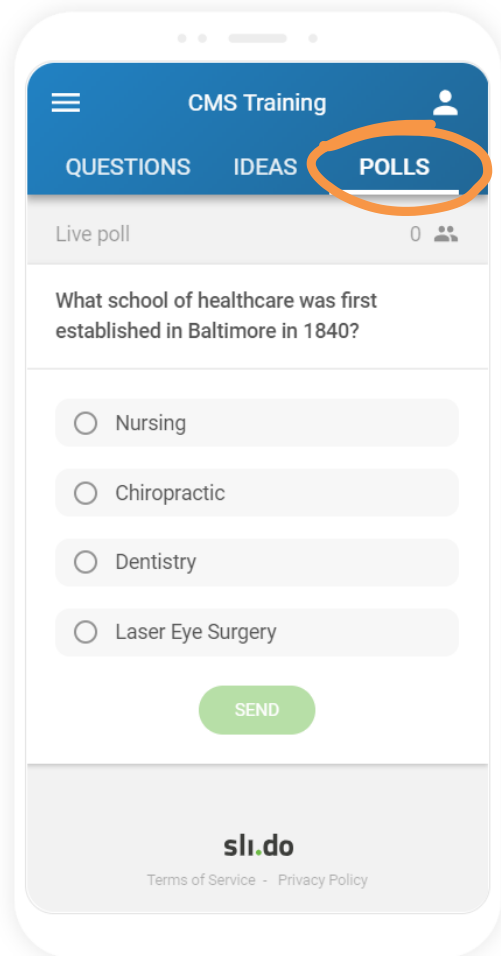

Audience Interaction (Slido)

Today's presentation is interactive.
Using your internet-connected phone,
tablet, or laptop, please navigate to:
<http://www.slido.com>

Then enter event code **#Econometrica**

Respond to Poll Questions (Slido)

Occasionally we will ask questions of the audience. Questions will automatically update on your device, and responding is easy.

Simply choose your response, then hit send. **Let's give it a try.**

- C. Venice.
- D. Madrid.

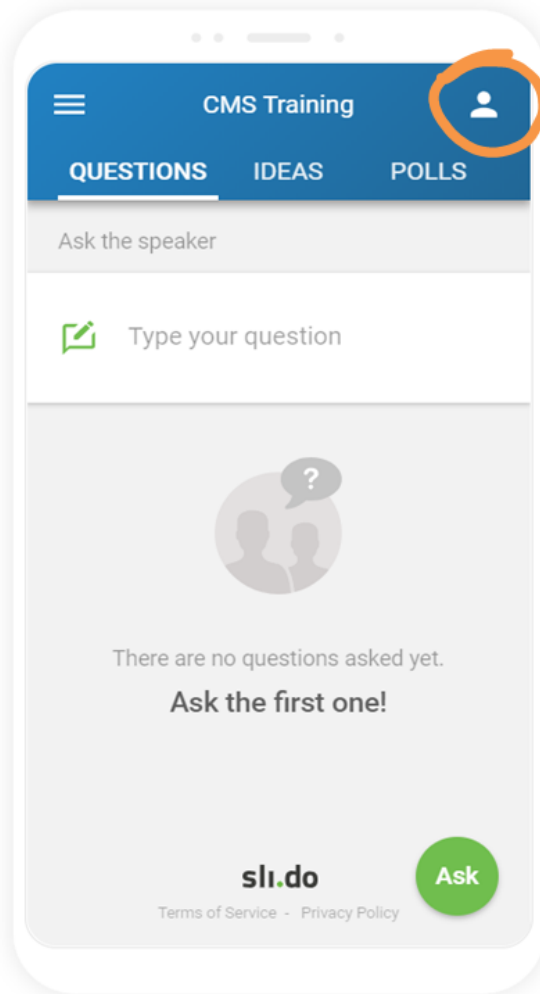

Kansas City has an abundance of restaurants serving what cuisine?

- A. Barbeque.
- B. Italian.
- C. Mexican.
- D. German.

Asking Questions

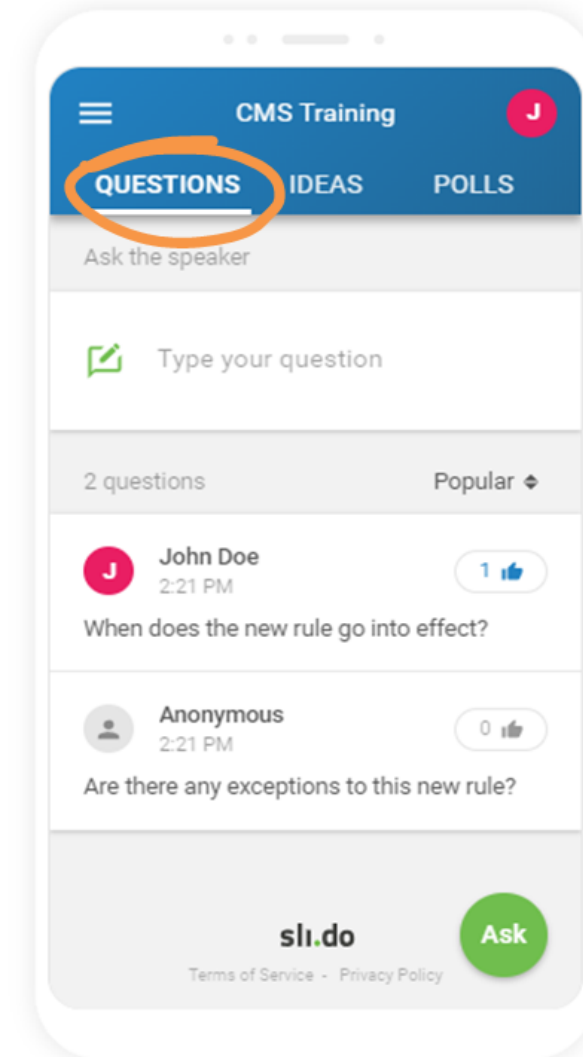

Quick Profile Setup

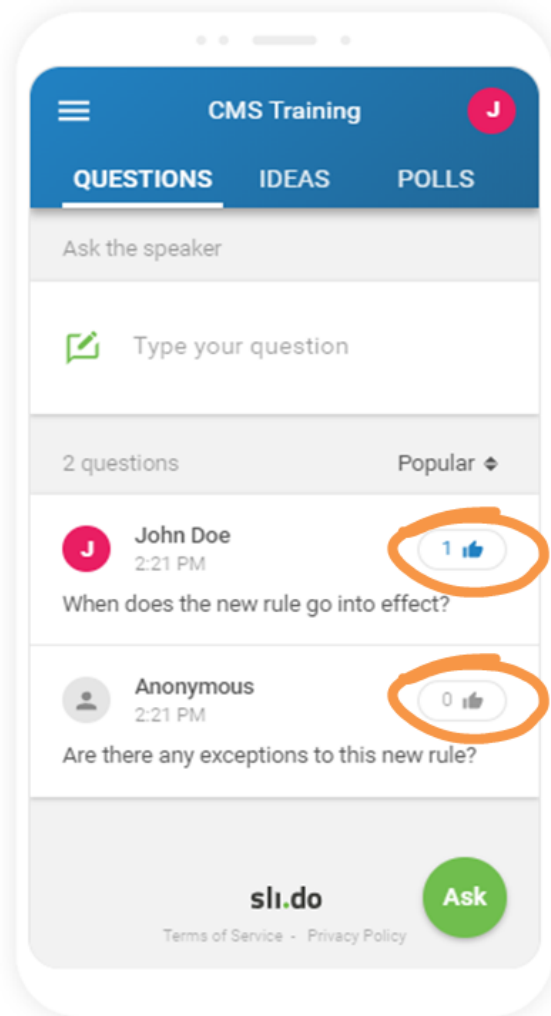

1. To begin, click the user avatar icon in the top-right corner of the web app.
2. Please enter your full name, organization, and email address.

How to Ask Questions

Once you have completed your profile, you will be able to ask questions via the Questions tab. We will address questions during the afternoon Q&A session, as time allows. If we are unable to answer a question during the session, answers will be posted later with the training materials.

Upvoting Questions

Submitted questions are generally visible to all participants. If there is a question you would like to see answered, click the “like” button next to it.

This will help us prioritize questions, as we may not be able to address all questions during the event.

Action Plan

Topic	Policies, Procedures, Processes, and/or Documentation Systems and Tools Potentially Impacted	Action Steps Needed	Education Needed (Topic and Audience)	Timeline
Section N: Medications (Drug Regimen Review)	<ul style="list-style-type: none"> Develop, review, and revise the current policies, as needed: <ul style="list-style-type: none"> Medication drug regimen review and reconciliation. <ul style="list-style-type: none"> Define "potentially clinically significant" to assure consistency amongst staff. Documentation of medication events and occurrences. Admission and discharge policies and processes. 	<ul style="list-style-type: none"> Develop or revise a process for admitting physicians to document any "potentially clinically significant" medication issues on admission and throughout the stay. Work with medical records to update any relevant assessments or forms. Ensure all appropriate staff members have been trained. 	<ul style="list-style-type: none"> Staff nurses. Quality department staff. Case manager. Unit-based leader. Clinical educator. Pharmacy. Medical staff. Admitting. 	<ul style="list-style-type: none"> Meet with team to assess educational and organizational needs by 08/31/19. Create training plan by 09/07/19. Implement any required policy changes by 09/24/19. Provide education to staff trainers by 09/21/19. Trainers complete staff training by 09/28/19. Implement and assess prior to need to transmit.
