from Chapter 3, Section K V1.08  
to Chapter 3, Section K V1.09**

Chapter	Section	Page	Change
3	K	K-4	<b>Steps for Assessment</b> <i>This item compares the resident's weight in the <del>current</del> 7-day look back period <del>observation period</del> with his or her weight at two snapshots in time:</i>
3	K	K-5	<b>For Subsequent Assessments</b> <div>1. From the medical record, compare the resident's weight in the <del>current</del> 7-day look back period <del>observation period</del> to his or her weight in the observation period 30 days ago.</div> <div>3. From the medical record, compare the resident's weight in the <del>current</del> 7-day look back period <del>observation period</del> to his or her weight in the observation period 180 days ago.</div>
3	K	K-8	<b>Steps for Assessment</b> <i>This item compares the resident's weight in the <del>current</del> 7-day look back period <del>observation period</del> with his or her weight at two snapshots in time:</i>
3	K	K-8	<div>Added Definitions box.</div> <div><b>DEFINITIONS</b>  5% WEIGHT GAIN IN 30 DAYS Start with the resident's weight closest to 30 days ago and multiply it by 1.05 (or 105%). The resulting figure represents a 5% gain from the weight 30 days ago. If the resident's current weight is equal to or more than the resulting figure, the resident has gained more than 5% body weight.  10% WEIGHT GAIN IN 180 DAYS Start with the resident's weight closest to 180 days ago and multiply it by 1.10 (or 110%). The resulting figure represents a 10% gain from the weight 180 days ago. If the resident's current weight is equal to or more than the resulting figure, the resident has gained more than 10% body weight.</div>
3	K	K-9	<b>For Subsequent Assessments</b> <div>1. From the medical record, compare the resident's weight in the <del>current</del> 7-day look back period <del>observation period</del> to his or her weight in the observation period 30 days ago.</div> <div>3. From the medical record, compare the resident's weight in the <del>current</del> 7-day look back period <del>observation period</del> to his or her weight in the observation period 180 days ago.</div>
