

View ETC Participant Details in 4i

v1.0 | 04/29/2022

This tip sheet highlights information on how and where users will view their ETC Participant Details in the 4iInnovation (4i) application.

View ETC Participant Details

Step 1: Click “**My Details**” on the left navigation pane. The page displays your ETC Participant. Users affiliated with more than one ETC participant can view all participants.

Step 2: Click on the participant to navigate to the “**Participation Details**” tab of that participant. The participant’s details display in different sections (or cards), as follows:

- Participant Information
- General Information
- Measurement Years (MYs)
- Performance Period Adjustment (PPA) Periods

Note: These sections (or cards) including the Participant Information, General Information, MYs, and PPA Periods are not editable by ETC participants. Please contact the [ETC Model Help Desk](#) if any of your information in these sections is incorrect.

The **Participant Information section** (or card) contains the following details of the participant:

- For ESRD Facility (Dialysis Facility):
 - Legal Business Name
 - Measurement Year – the Measurement Year(s) that the participant is/are participating in
 - Participant Type
 - CCN
- For Managing Clinicians:
 - First Name
 - Last Name
 - Measurement Year – the Measurement Year(s) that the participant is/are participating in
 - Participant Type
