

DATE: September 22, 2021

SUBJECT: Notice of DCEs Participating in the second Implementation Period (IP2) of the Global and Professional Direct Contracting (GPDC) Model

The Center for Medicare and Medicaid Innovation (Innovation Center) is excited to announce that 19 Direct Contracting Entities (DCEs) are participating in the second Implementation Period (IP2) of the Global and Professional Direct Contracting (GPDC) Model, which runs from August 1, 2021 through December 31, 2021. The IP2 provides an opportunity for DCEs to prepare for the upcoming Performance Year (PY2022), which starts on January 1, 2022. All 19 DCEs participating in the IP2 will have the opportunity to participate in PY2022, along with DCEs that are currently participating in PY2021 and DCEs that deferred participation to PY2022 and chose not to join the IP2. The 19 IP2 DCEs will serve beneficiaries in 28 states as well as in the District of Columbia.

The Innovation Center congratulates the following organizations and looks forward to their participation in the GPDC Model:
