Pub 100-07 State Operations Provider Certification	Centers for Medicare & Medicaid Services (CMS)
Transmittal 25	Date: APRIL 20, 2007
	Change Request 5490

Subject: New Number Series and State Codes for CMS Certification Numbers (formerly OSCAR Provider Numbers)

Note: Transmittal 25, dated April 20, 2007, is rescinded and replaced with transmittal 29. Information regarding the Transplant Centers new series 9800-9899 was incorrectly added. The new series will only be used by CMS. Also the Transplant Centers will bill on the hospital number; and therefore, the FIs do not need to make any changes for this. All other information remains the same.
