Pub 100-20 One-Time Notification	Centers for Medicare & Medicaid Services (CMS)
Transmittal 625	Date: January 25, 2010
	Change Request 6566

Transmittal 625, dated January 25, 2010, is being rescinded and replaced by Transmittal 669 to update BR 6566.12 to clarify the Remittance Advice Remark Code and the Claim Adjustment Reason Code to be used by DME MACs for claims processing denials as a result of this instruction. In addition, the “Supporting Information,” in part IV was revised to delete the editing requirement of “Miami Only” in the Support Surfaces category in Attachment C, per contractor request. All other information remains the same.
