Transmittal 79	Date: October 19, 2007
	Change Request 5743

Transmittal 79 was rescinded on December 19, 2007, and is being replaced at this time with Transmittal 80. The original Section 80.6.2 has been deleted. The remaining sections have been renumbered on the Table of Contents and manual instruction. Additionally, the section numbers in Business Requirement 5743.1 have been adjusted to reflect the change. All other information remains the same.
