

# State Based Marketplace Data Collection Template: Open Enrollment Period Priority and Expanded End of Open Enrollment Reporting

## Exhibit 1: General

Indicator	Title	Description
1	<b>Total Plan Selections (net)</b>	Count of unique individuals who have selected a Plan Year (PY) 20XX Marketplace medical plan. Count includes all new and re-enrolling consumers (defined in Indicators 2 and 3), regardless of whether the consumer has paid the first month premium. Count does not include plans that were canceled or terminated.
2	<b>New Consumers (net)</b>	Count of unique individuals who have selected a PY 20XX Marketplace medical plan, where the consumer did not have PY 20XX Marketplace medical coverage on or after 11/1/20XX. Count does not include plans that were canceled or terminated.
3	<b>Total Re-enrollees (net)</b>	Count of unique individuals who have selected a PY 20XX Marketplace medical plan, where the consumer had non-canceled PY 20XX Marketplace medical coverage on 11/1/20XX. Count includes consumers who either returned to the Marketplace and actively selected a PY 20XX Marketplace medical coverage or were automatically enrolled into a PY 20XX Marketplace medical coverage. Count does not include plans that were canceled or terminated.
4	<b>Active Re-enrollees (net)</b>	Count of unique individuals who returned to the Marketplace to actively select a PY 20XX Marketplace medical plan, where the consumer had non-canceled PY 20XX Marketplace medical coverage on or after 11/1/20XX. Count does not include plans that were canceled or terminated.
4.1	<b>Active Re-enrollees who Switched Plans (net)</b>	Count of active re-enrollees who were crosswalked into an alternate plan and actively selected another plan than the crosswalked plan for 20XX.
4.2	<b>Active Re-enrollees who Remained in the Same Plan or a Crosswalked Plan (net)</b>	Count of active re-enrollees who were crosswalked into an alternative plan and actively selected their crosswalked plan.

Indicator	Title	Description
5	Automatic Re-enrollees (net)	Count of unique individuals who were automatically re-enrolled into a PY 20XX Marketplace medical plan, where the consumer had non-canceled PY 20XX Marketplace medical coverage on or after 11/1/20XX. Count does not include plans that were canceled or terminated.
6	Number of Submitted Applications (gross)	Total count of submitted electronic and paper applications. When a consumer is renewed into a plan, whether automatic or active, that should be counted as an application submission. Updated applications should not be counted as an additional application.
6.1	Number of Account Transfers (gross)	Total count of account transfers received by the Marketplace from Medicaid/CHIP with at least one applicant determined ineligible for Medicaid or CHIP. This metric only applies to SBEs that operate an account transfer process with the state Medicaid/CHIP agency. An account transfer may also be counted as an application, depending on the Marketplace.
7	Consumers on Applications Submitted (gross)	Total count of individuals requesting coverage on submitted applications. Both new consumers and consumers re-enrolling (automatic and active) in coverage should be counted.
7.1	Consumers on Account Transfers (gross)	Total count of individuals on account transfers received by the Marketplace from Medicaid/CHIP who were determined ineligible for Medicaid or CHIP. This metric only applies to SBEs that operate an account transfer process with the state Medicaid/CHIP agency.
8	Consumers Determined or Assessed Eligible for Medicaid/CHIP (gross)	Count of individuals on submitted applications who are determined or assessed eligible for enrollment in Medicaid or CHIP. This includes both new consumers and consumers re-enrolling (automatic and active) in coverage should be counted. This count is a subset of Consumers on Applications Submitted (Indicator 7). Eligibility for Medicaid/CHIP takes precedence over eligibility for a QHP without financial assistance. Individuals determined eligible for both Medicaid/CHIP and a non-financial QHP should be counted, but should not be counted in Indicator 9.

Indicator	Title	Description
<b>9</b>	<b>Consumers Eligible for QHP (gross)</b>	Count of individuals on submitted applications who were determined eligible for enrollment in a PY 20XX Marketplace medical plan, regardless of whether they applied for or are eligible for financial assistance. Both new consumers and consumers re-enrolling (automatic and active) in coverage should be counted. This count is a subset of Consumers on Applications Submitted (Indicator 7). Eligibility for Medicaid/CHIP takes precedence over eligibility for a QHP without financial assistance. Individuals determined eligible for both Medicaid/CHIP and a non-financial QHP should not be counted.
<b>9.1</b>	<b>Consumers Eligible for QHP, with Financial Assistance (gross)</b>	Count of individuals on submitted applications who were determined eligible for enrollment in a PY 20XX Marketplace medical plan and eligible to receive APTC and/or CSRs. Both new consumers and consumers re-enrolling (automatic and active) in coverage should be counted. This count is a subset of Consumers Eligible for QHP (Indicator 9).
<b>11</b>	<b>Consumers with a 20XX Plan Selection as of 11/1/20XX</b>	Count of unique individuals with non-canceled PY 20XX Marketplace medical coverage as of 11/1/20XX.
<b>12</b>	<b>New Consumers without a Previous Marketplace Application (net)</b>	Count of unique individuals with a non-canceled PY 20XX Marketplace medical plan selection, where the consumer did not submit a PY 20XX Marketplace application.
<b>13</b>	<b>New Consumers with a Prior Application but No Plan Selection (net)</b>	Count of unique individuals with a non-canceled PY 20XX Marketplace medical plan selection, where the consumer submitted a PY 20XX Marketplace application but did not make a plan selection for PY 20XX Marketplace medical coverage.
<b>14</b>	<b>New Consumers with a Prior Plan Selection but No Coverage on November 1, 20XX (net)</b>	Count of unique individual with a non-canceled PY 20XX Marketplace medical plan selection, where the consumer made a PY 20XX Marketplace medical plan selection but did not have PY 20XX Marketplace medical coverage on or after 11/1/20XX.
<b>20</b>	<b>Cancellations and Terminations (gross)</b>	Count of individuals who have canceled their PY 20XX Marketplace medical plan or had their PY 20XX Marketplace medical plan terminated by the issuer or Exchange during Open Enrollment. All cancellations and terminations should be counted. For example, if an individual selects a plan in November and immediately cancels it, then selects another plan in December and again immediately cancels it, both cancellations should be counted.

**Exhibit 2: Financial Assistance/Premiums**

Indicator	Title	Description
<b>21</b>	<b>Number of Plan Selections with Federal Financial Assistance (net)</b>	Count of unique individuals with a non-canceled PY 20XX Marketplace medical plan selection, where the consumer has elected to receive APTC in an amount greater than \$0 and/or receives CSRs. This count includes consumers with APTC and CSRs (Indicator 22), consumers with only APTC (Indicator 23), and consumers with only CSRs (Indicator 24).
<b>21.1</b>	<b>Number of Plan Selections with a <math>\leq</math> \$10 Premium After APTC (net)</b>	Count of unique individuals with a non-canceled PY 20XX Marketplace medical plan selection, where the consumer has elected to receive APTC and their monthly premium after APTC is less than or equal to \$10.
<b>22</b>	<b>Number of Plan Selections with both CSR and APTC (net)</b>	Count of unique individuals with a non-canceled PY 20XX Marketplace medical plan selection, where the consumer has elected to receive APTC in an amount greater than \$0 and receives CSRs. Count includes consumers with APTC and CSRs. Consumers with only APTC or with only CSRs should not be counted.
<b>23</b>	<b>Number of Plan Selections with APTC only (net)</b>	Count of unique individuals with a non-canceled PY 20XX Marketplace medical plan selection, where the consumer has elected to receive APTC in an amount greater than \$0. Consumers with CSRs should not be counted.
<b>24</b>	<b>Number of Plan Selections with CSR only (net)</b>	Count of unique individuals with a non-canceled PY 20XX Marketplace medical plan selection, where the consumer receives CSR. Consumers with APTC should not be counted. Count may include consumers who are eligible to receive APTC but have elected not to receive APTC.
<b>24.1</b>	<b>Number of Plan Selections with CSR (net)</b>	Count of unique individuals with a non-canceled PY 20XX Marketplace medical plan selection, where the consumer receives CSR. Count includes consumers with only CSRs or with both APTC and CSRs.
<b>24.2</b>	<b>Consumers with 73% Actuarial Value</b>	Count of consumers with a non-canceled PY 20XX Marketplace medical plan where the consumer receives CSR and selected a silver plan with an actuarial value of 73% (or the state equivalent).
<b>24.3</b>	<b>Consumers with 87% Actuarial Value</b>	Count of consumers with a non-canceled PY 20XX Marketplace medical plan where the consumer receives CSR and selected a silver plan with an actuarial value of 87% (or the state equivalent).

Indicator	Title	Description
24.4	Consumers with 94% Actuarial Value	Count of consumers with a non-canceled PY 20XX Marketplace medical plan where the consumer receives CSR and selected a silver plan with an actuarial value of 94% (or the state equivalent).
24.5	Consumers with CSRs, American Indian/Alaska Native	Count of consumers who selected a non-canceled PY 20XX Marketplace medical plan with CSRs reserved for members of federally recognized tribes and Alaska Native Claims Settlement Act shareholders.
25	Number of Plan Selections without Federal Financial Assistance (net)	Count of unique individuals with a non-canceled PY 20XX Marketplace medical plan selection, where the consumer is not eligible to receive APTC, is eligible but elects not to receive APTC, and/or does not receive CSRs.
26	Average Premium for All Consumers with a Plan Selection (net)	The average per person monthly premium for all consumers with a non-canceled PY 20XX Marketplace medical plan selection, before the application of any APTC.
27	Average Premium for all Consumers with a Plan Selection after APTC (net)	The average per person monthly premium for all consumers with a non-canceled PY 20XX Marketplace medical plan selection, after the application of any APTC. That is, where the consumer receives APTC, the policy premium should be reduced by the APTC amount before being included in the numerator. The denominator should be the total covered lives.
28	Average APTC Amount for All Consumers with a Plan Selection Receiving APTC (net)	The average per person monthly APTC for all consumers with a non-canceled PY 20XX Marketplace medical plan selection, who have elected to receive an APTC amount greater than \$0.
29	Average Premium after APTC for All Consumers with a Plan Selection Receiving APTC (net)	The average per person monthly premium for all consumers with a non-canceled PY 20XX Marketplace medical plan selection, who have elected to receive an APTC amount greater than \$0, after the application of APTC.
29.1	Number of Plan Selections with Any Financial Assistance (net)	Count of unique individuals with a non-canceled PY 20XX Marketplace medical plan selection, where the consumer has elected to receive federal financial assistance (Indicator 21) and/or financial assistance from a state premium or cost sharing subsidy program. States with no state subsidy program should mark N/A.
29.2	Number of Plan Selections with a <= \$10 Premium After APTC and State Premium Subsidy (net)	Count of unique individuals with a non-canceled PY 20XX Marketplace medical plan selection, where the consumer has elected to receive APTC and/or financial assistance from a state premium subsidy program, and their monthly premium after APTC and the state premium subsidy is less than or equal to \$10.

Indicator	Title	Description
29.3	<b>Average Premium for all Consumers with a Plan Selection after APTC and State Premium Subsidy (net)</b>	The average per person monthly premium for all consumers with a non-canceled PY 20XX Marketplace medical plan selection, after the application of any APTC and financial assistance from a state premium subsidy program. That is, where the consumer receives APTC and/or financial assistance from a state premium subsidy program, the policy premium should be reduced by the APTC amount and state subsidy amount before being included in the numerator. The denominator should be the total covered lives.
29.4	<b>Average Premium after APTC and State Premium Subsidy for All Consumers with a Plan Selection Receiving APTC and State Premium Subsidy (net)</b>	The average per person monthly premium for all consumers with a non-canceled PY 20XX Marketplace medical plan selection, who have elected to receive an APTC amount greater than \$0, and/or financial assistance from a state premium subsidy program, after the application of APTC and the state subsidy amount.
29.5	<b>Number of Plan Selections without Any Financial Assistance (net)</b>	Count of unique individuals with a non-canceled PY 20XX Marketplace medical plan selection, where the consumer is not eligible to receive APTC, is eligible but elects not to receive APTC, does not receive CSRs, and does not receive financial assistance from a state premium or cost sharing subsidy program. States with no state subsidy program should mark N/A.

**Exhibit 3: Demographics**

Indicator	Title	Description
30	<b>Number of Plan Selections where age is 0 - 17 (net)</b>	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who are age of 0 - 17. Age represents the recorded age as of the policy effective coverage date.
31	<b>Number of Plan Selections where age is 18 - 25 (net)</b>	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who age of 18 - 25. Age represents the recorded age as of the policy effective coverage date.
31.1	<b>Number of Plan Selections where age is 26 - 34 (net)</b>	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who are age 26 - 34. Age represents the recorded age as of the policy effective coverage date.
32	<b>Number of Plan Selections where age is 35 - 44 (net)</b>	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who are age of 35 - 44. Age represents the recorded age as of the policy effective coverage date.

Indicator	Title	Description
32.1	Number of Plan Selections where age is 45 - 54 (net)	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who are age 45 - 54. Age represents the recorded age as of the policy effective coverage date.
33	Number of Plan Selections where age is 55 - 64 (net)	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who are age of 55 - 64. Age represents the recorded age as of the policy effective coverage date.
33.1	Number of Plan Selections where age is ≥ 65 (net)	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who are age ≥ 65. Age represents the recorded age as of the policy effective coverage date.
34	Number of Plan Selections where age is unknown (net)	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and whose age is unknown. Age represents the recorded age as of the policy effective coverage date.
35	Number of Plan Selections where gender is Female (net)	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who attested that they are female.
36	Number of Plan Selections where gender is Male (net)	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who attested that they are male.
37	Number of Plan Selections where gender is Unknown (net)	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan whose gender is unknown.
37.1	Number of Plan Selections where gender is Other (net)	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who attested that their gender is "other".
37.2	Number of Plan Selections whose gender identity is Transgender Female (net)	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who attested that they are transgender female.
37.3	Number of Plan Selections whose gender identity is Transgender Male (net)	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who attested that they are transgender male.
37.4	Number of Plan Selections whose gender identity is Nonbinary (net)	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who attested that they are nonbinary.
37.5	Number of Plan Selections whose gender identity is Other (net)	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who attested that their gender identity is "other"..
37.6	Number of Plan Selections whose gender identity is Not Reported (net)	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan whose gender identity is not reported.

Indicator	Title	Description
38	<b>Number of Plan Selections where Ethnicity is Hispanic or Latino (net)</b>	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who have indicated they are Mexican, Mexican American or Chicano/a, Puerto Rican, Cuban, or “other Hispanic or Latino ethnicity” on their application. Individuals who have indicated that they are Hispanic or Latino should be counted, regardless of the race selection on their application.
39	<b>Number of Plan Selections where Race is White (net)</b>	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who have indicated they are white on their application. Individuals who have indicated that they are white should be counted, regardless of the ethnicity selection on their application.
39.1	<b>Number of Plan Selections where Race/Ethnicity is White, Non-Hispanic (net)</b>	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who 1. Indicated that they are white on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application.
40	<b>Number of Plan Selections where Race is African American (net)</b>	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who have indicated they are black or African American on their application. Individuals who have indicated that they are black or African American should be counted, regardless of the ethnicity selection on their application.
40.1	<b>Number of Plan Selections where Race/Ethnicity is African American, Non-Hispanic (net)</b>	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who 1. Indicated that they are black or African American on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application.
41	<b>Number of Plan Selections where Race is Asian (net)</b>	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who have indicated they are Asian Indian, Chinese, Filipino, Korean, Vietnamese, Japanese, or “other Asian” on their application. Individuals who have indicated that they are Asian should be counted, regardless of the ethnicity selection on their application.

Indicator	Title	Description
41.1	<b>Number of Plan Selections where Race/Ethnicity is Asian, Non-Hispanic (net)</b>	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who 1. Indicated that they are Asian Indian, Chinese, Filipino, Korean, Vietnamese, Japanese, or “other Asian” on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application.
42	<b>Number of Plan Selections where Race is Native Hawaiian/Pacific Islander (net)</b>	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who have indicated they are Guamanian or Chamorro, Native Hawaiian, Samoan, or “Other Pacific Islander” on their application. Individuals who have indicated that they are Native Hawaiian or Pacific Islander should be counted, regardless of the ethnicity selection on their application.
42.1	<b>Number of Plan Selections where Race/Ethnicity is Native Hawaiian/Pacific Islander, Non-Hispanic (net)</b>	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who 1. Indicated that they are Guamanian or Chamorro, Native Hawaiian, Samoan, or “other Pacific Islander” on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application.
43	<b>Number of Plan Selections where Race is American Indian/Alaska Native (net)</b>	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who have indicated they were American Indian or Alaska Native on their application. Individuals who have indicated that they are American Indian or Alaska Native should be counted, regardless of the ethnicity selection on their application.
43.1	<b>Number of Plan Selections where Race/Ethnicity is American Indian/Alaska Native, Non-Hispanic (net)</b>	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who 1. Indicated that they are American Indian or Alaska Native on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application.
43.2	<b>Number of Plan Selections where Race is Middle Eastern/North African (net)</b>	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who have indicated they are Lebanese, Iranian, Egyptian, Syrian, Iraqi, and Israeli, or “other Middle Eastern or North African” on their application. Individuals who have indicated that they are Middle Eastern or North African should be counted, regardless of the ethnicity selection on their application.

Indicator	Title	Description
43.3	<b>Number of Plan Selections where Race is Middle Eastern/North African, Non-Hispanic (net)</b>	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who 1. Indicated that they are Lebanese, Iranian, Egyptian, Syrian, Iraqi, and Israeli, or “other Middle Eastern or North African” and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application.
44	<b>Number of Plan Selections where Race is Multi-Racial (net)</b>	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who have indicated more than one distinct racial: American Indian / Alaska Native, Asian, Native Hawaiian / Pacific Islander, African-American, Middle Eastern / North African, and White on their application. Individuals who have indicated more than one racial group should be counted, regardless of the ethnicity selection on their application.
44.1	<b>Number of Plan Selections where Race/Ethnicity is Multi-Racial, Non-Hispanic (net)</b>	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who 1. Have indicated more than one distinct racial group: American Indian / Alaska Native, Asian, Native Hawaiian / Pacific Islander, African-American, Middle Eastern / North African, and White, on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application should be counted.
45	<b>Number of Plan Selections where Race/Ethnicity is Unknown, Non-Hispanic (net)</b>	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who 1. Did not indicate a race on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application.
45.1	<b>Number of Plan Selections where Race is Other (net)</b>	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who have indicated another race or “Other” on their application. Individuals should be counted, regardless of the ethnicity selection on their application. This does not include individuals who are already counted in indicators 39-45 and indicated other Asian, other Pacific Islander, etc.
45.2	<b>Number of Plan Selections where Race/Ethnicity is Other, Non-Hispanic (net)</b>	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who 1. Indicated another race or “Other” on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application. This does not include individuals who are already counted in indicators 38-45 and indicated other Hispanic or Latino, other Asian, other Pacific Islander, etc.

Indicator	Title	Description
46	Number of Plan Selections where Metal Level is Platinum (net)	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan where the metal level is Platinum.
47	Number of Plan Selections where Metal Level is Gold (net)	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan where the metal level is Gold.
48	Number of Plan Selections where Metal Level is Silver (net)	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan where the metal level is Silver.
49	Number of Plan Selections where Metal Level is Bronze (net)	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan where the metal level is Bronze.
50	Number of Plan Selections where Metal Level is Catastrophic (net)	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan where the metal level is Catastrophic.
51	Consumers with a Plan Selection and Income < 100%	Count of unique individuals in households with income less than 100% of FPL who have selected a non-canceled PY 20XX Marketplace medical plan.
52	Consumers with a Plan Selection and Income $\geq 100\%$ FPL and $\leq 150\%$ FPL (net)	Count of unique individuals in households with income greater than or equal to 100% and less than or equal to 150% of FPL who have selected a non-canceled PY 20XX Marketplace medical plan.
52.1	Consumers with a Plan Selection and Income $\geq 100\%$ FPL and $\leq 138\%$ FPL (net)	Count of unique individuals in households with income greater than or equal to 100% and less than or equal to 138% of FPL who have selected a non-canceled PY 20XX Marketplace medical plan.
53	Consumers with a Plan Selection and Income > 150% FPL and $\leq 200\%$ FPL (net)	Count of unique individuals in households with income greater than 150% and less than or equal to 200% of FPL who have selected a non-canceled PY 20XX Marketplace medical plan.
54	Consumers with a Plan Selection and Income > 200% FPL and $\leq 250\%$ FPL (net)	Count of unique individuals in households with income greater than 200% and less than or equal to 250% of FPL who have selected a non-canceled PY 20XX Marketplace medical plan.
54.1	Consumers with a Plan Selection and Income > 250% FPL and $\leq 300\%$ FPL (net)	Count of unique individuals in households with income greater than 250% and less than or equal to 300% of FPL who have selected a non-canceled PY 20XX Marketplace medical plan.
54.2	Consumers with a Plan Selection and Income > 300% FPL and $\leq 350\%$ FPL (net)	Count of unique individuals in households with income greater than 300% and less than or equal to 350% of FPL who have selected a non-canceled PY 20XX Marketplace medical plan.
54.3	Consumers with a Plan Selection and Income > 350% FPL and $\leq 400\%$ FPL (net)	Count of unique individuals in households with income greater than 350% and less than or equal to 400% of FPL who have selected a non-canceled PY 20XX Marketplace medical plan.

Indicator	Title	Description
55	Consumers with a Plan Selections and Income > 400% FPL (net)	Count of unique individuals in households with income greater than 400% who have selected a non-canceled PY 20XX Marketplace medical plan.
55.1	Consumers with a Plan Selection and Income > 500% FPL (net)	Count of unique individuals in households with income greater than 500% of FPL who have selected a non-canceled PY 20XX Marketplace medical plan.
56	Number of Plan Selections where Income as a Percent of FPL is Unknown (net)	Count of unique individuals in households with non-reported income and who have selected a non-canceled PY 20XX Marketplace medical plan. Count should include individuals who do not report income because they are not requesting financial assistance.

**Exhibit 4: Operations**

Indicator	Title	Description
57	Call Center Volume	The total number of incoming calls received by the call center. Repeat calls from the same number should be counted separately.
58	Call Center Wait Time (in seconds)	The average wait time, rounded to the nearest second, for each incoming call to the call center.
59	Call Center Calls Abandoned	The number of incoming calls terminated while waiting to speak to a call center representative.
60	Average Call Handle Time (in seconds)	The average amount of time, rounded to the nearest second, spent by call center representatives on each individual call.
61	Number of Website Visits	The count of webpage and mobile application visits of each IP address that has not made a webpage or mobile application visit within the last 30 minutes. For example, if IP address 147.194.0.3 requests the webpage at 12:30 PM and 1:01 PM, that gets counted as 2 visits. If IP address 147.194.0.3 requests the webpage at 1:24, 1:54, and 1:56, this counts as 1 visit. At 1:24, there was no previous request within 30 minutes; at 1:54, there was a previous request exactly 30 minutes prior, and at 1:56 there was a previous request at 1:54. A subsequent request by that same IP address at 3:00 PM would be a new visit.
62	Number of Website Unique Visitors	The count of the unique IP addresses requesting the webpage or mobile application (e.g. IP 147.194.0.3 requests, gets counted as 1 unique visitor). A single person using dynamic IP address assignment (identified by login to the same Exchange account or some other method) should still be counted as two unique visitors if the IP addresses differ at the time of login.

Indicator	Title	Description
63	Planned Website Downtime	The amount of planned downtime for the Exchange website, rounded to the nearest second.
64	Unplanned Website Downtime (gross)	The amount of unplanned downtime for the Exchange website, rounded to the nearest second.
65	Plan Selections with Any Assistance (net)	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who received any form of personal assistance with enrollment. Assistance may have been provided by a navigator, certified application counselor (CAC), in-person assister, the call center, agent, or broker.
66	Plan Selections with Agent/Broker Assistance (net)	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who received personal assistance with enrollment from an agent or broker. This count should only include individuals who received assistance from an agent or broker.
67	Plan Selections with Other Assistance (net)	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who received personal assistance with enrollment from someone other than an agent or broker. This count should only include individuals who received assistance from a source other than an agent or broker. Such assistance may have been provided by a navigator, certified application counselor (CAC), the call center, or in-person assister.
67.1	Plan Selections with Call Center Assistance (net)	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who received personal assistance with enrollment from a call center worker or representative. This count should not include individuals who received assistance from an agent or broker.
67.2	Plan Selections with Navigator, In-Person Assistance (net)	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who received personal assistance with enrollment from a navigator, certified application counselor (CAC) or in-person assister. This count should not include individuals who received assistance from an agent or broker.
68	Plan Selections with No Assistance (net)	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and who received no personal assistance with enrollment.
68.1	Plan Selections through Direct Enrollment Channel	Count of unique individuals who have selected a non-canceled PY 20XX Marketplace medical plan and whose applications was received through a direct enrollment channel.

**Exhibit 5: Issuers**

Indicator	Title	Description
69	Plan Selection by Issuer: Issuer 1	Number of Individuals Selecting a QHP by Issuer.
70	Plan Selection by Issuer: Issuer 2	Number of Individuals Selecting a QHP by Issuer.
71	Plan Selection by Issuer: Issuer 3	Number of Individuals Selecting a QHP by Issuer.
72	Plan Selection by Issuer: Issuer 4	Number of Individuals Selecting a QHP by Issuer.
73	Plan Selection by Issuer: Issuer 5	Number of Individuals Selecting a QHP by Issuer.
74	Plan Selection by Issuer: Issuer 6	Number of Individuals Selecting a QHP by Issuer.
75	Plan Selection by Issuer: Issuer 7	Number of Individuals Selecting a QHP by Issuer.
76	Plan Selection by Issuer: Issuer 8	Number of Individuals Selecting a QHP by Issuer.
77	Plan Selection by Issuer: Issuer 9	Number of Individuals Selecting a QHP by Issuer.
78	Plan Selection by Issuer: Issuer 10	Number of Individuals Selecting a QHP by Issuer.
79	Plan Selection by Issuer: Issuer 11	Number of Individuals Selecting a QHP by Issuer.
80	Plan Selection by Issuer: Issuer 12	Number of Individuals Selecting a QHP by Issuer.
81	Plan Selection by Issuer: Issuer 13	Number of Individuals Selecting a QHP by Issuer.
82	Plan Selection by Issuer: Issuer 14	Number of Individuals Selecting a QHP by Issuer.
83	Plan Selection by Issuer: Issuer 15	Number of Individuals Selecting a QHP by Issuer.
83.1	Plan Selection by Issuer: Issuer 16	Number of Individuals Selecting a QHP by Issuer.
83.2	Plan Selection by Issuer: Issuer 17	Number of Individuals Selecting a QHP by Issuer.
83.3	Plan Selection by Issuer: Issuer 18	Number of Individuals Selecting a QHP by Issuer.
83.4	Plan Selection by Issuer: Issuer 19	Number of Individuals Selecting a QHP by Issuer.
83.5	Plan Selection by Issuer: Issuer 20	Number of Individuals Selecting a QHP by Issuer.
84	Name Issuer 1	Name of Issuer 1.
85	Name Issuer 2	Name of Issuer 2.
86	Name Issuer 3	Name of Issuer 3.
87	Name Issuer 4	Name of Issuer 4.
88	Name Issuer 5	Name of Issuer 5.
89	Name Issuer 6	Name of Issuer 6.
90	Name Issuer 7	Name of Issuer 7.
91	Name Issuer 8	Name of Issuer 8.
92	Name Issuer 9	Name of Issuer 9.
93	Name Issuer 10	Name of Issuer 10.
94	Name Issuer 11	Name of Issuer 11.

Indicator	Title	Description
95	Name Issuer 12	Name of Issuer 12.
96	Name Issuer 13	Name of Issuer 13.
97	Name Issuer 14	Name of Issuer 14.
98	Name Issuer 15	Name of Issuer 15.
98.1	Name Issuer 16	Name of Issuer 16.
98.2	Name Issuer 17	Name of Issuer 17.
98.3	Name Issuer 18	Name of Issuer 18.
98.4	Name Issuer 19	Name of Issuer 19.
98.5	Name Issuer 20	Name of Issuer 20.

**Exhibit 6: Stand-alone Dental Plans**

Indicator	Title	Description
99	Total SADP Plan Selections (net)	Count of unique individuals who have selected a PY 20XX SADP. Count does not include plans that were canceled or terminated.
100	Number of SADP Plan Selections where age is 0 - 17 (net)	Count of unique individuals who have selected a non-canceled PY 20XX SADP and who are age 0 - 17. Age represents the recorded age as of the policy effective coverage date.
101	Number of SADP Plan Selections where age is 18 - 25 (net)	Count of unique individuals who have selected a non-canceled PY 20XX SADP and who are age 18 - 25. Age represents the recorded age as of the policy effective coverage date.
101.1	Number of SADP Plan Selections where age is 26 - 34 (net)	Count of unique individuals who have selected a non-canceled PY 20XX SADP and who are age 26 - 34. Age represents the recorded age as of the policy effective coverage date.
102	Number of SADP Plan Selections where age is 35 - 44 (net)	Count of unique individuals who have selected a non-canceled PY 20XX SADP and who are age 35 - 44. Age represents the recorded age as of the policy effective coverage date.
102.1	Number of SADP Plan Selections where age is 45 - 54 (net)	Count of unique individuals who have selected a non-canceled PY 20XX SADP and who are age 45 - 54. Age represents the recorded age as of the policy effective coverage date.
102.2	Number of SADP Plan Selections where age is 55 - 64 (net)	Count of unique individuals who have selected a non-canceled PY 20XX SADP and who are age 55 - 64. Age represents the recorded age as of the policy effective coverage date.

Indicator	Title	Description
103	Number of SADP Plan Selections where age ≥65 (net)	Count of unique individuals who have selected a non-canceled PY 20XX SADP and who are age ≥65. Age represents the recorded age as of the policy effective coverage date.
104	Number of SADP Plan Selections where age is unknown (net)	Count of unique individuals who have selected a non-canceled PY 20XX SADP and whose age is unknown. Age represents the recorded age as of the policy effective coverage date.
105	Number of SADP Plan Selections where gender is Female (net)	Count of unique individuals who have selected a non-canceled PY 20XX SADP and whose gender is Female, according to the selected policy.
106	Number of SADP Plan Selections where gender is Male (net)	Count of unique individuals who have selected a non-canceled PY 20XX SADP and whose gender is Male, according to the selected policy.
107	Number of SADP Plan Selections where gender is unknown (net)	Count of unique individuals who have selected a non-canceled PY 20XX SADP and whose gender is unknown, according to the selected policy.

***Exhibit 7: Metal Level by Age, Income, Gender, and Race/Ethnicity***

Indicator	Title	Description
108	Silver plans selected by consumers age 0 - 17 (net)	Count of individuals who selected a silver medical plan (Indicator 48) and are in the 0 - 17 age group (Indicator 30).
109	Silver plans selected by consumers age 18 - 25 (net)	Count of individuals who selected a silver medical plan (Indicator 48) and are in the 18 - 25 age group (Indicator 31).
109.1	Silver plans selected by consumers age 26 - 34 (net)	Count of individuals who selected a silver medical plan (Indicator 48) and are in the 26 - 34 age group (Indicator 31.1).
110	Silver plans selected by consumers age 35 - 44 (net)	Count of individuals who selected a silver medical plan (Indicator 48) and are in the 35 - 44 age group (Indicator 32).
110.1	Silver plans selected by consumers age 45 - 54 (net)	Count of individuals who selected a silver medical plan (Indicator 48) and are in the 45 - 54 age group (Indicator 32.1).
110.2	Silver plans selected by consumers age 55 - 64 (net)	Count of individuals who selected a silver medical plan (Indicator 48) and are in the 55 - 64 age group (Indicator 33).
111	Silver plans selected by consumers age ≥65 (net)	Count of individuals who selected a silver medical plan (Indicator 48) and are in the ≥ 65 age group (Indicator 33.1).
112	Silver plans selected by consumers age is unknown (net)	Count of individuals who selected a silver medical plan (Indicator 48) and whose age is unknown (Indicator 34).
113	Bronze plans selected by consumers age 0 - 17 (net)	Count of individuals who selected a bronze medical plan (Indicator 49) and are in the 0 - 17 age group (Indicator 30).

Indicator	Title	Description
114	Bronze plans selected by consumers age 18 - 25 (net)	Count of individuals who selected a bronze medical plan (Indicator 49) and are in the 18 - 25 age group (Indicator 31).
114.1	Bronze plans selected by consumers age 26 - 34 (net)	Count of individuals who selected a bronze medical plan (Indicator 49) and are in the 26 - 34 age group (Indicator 31.1).
115	Bronze plans selected by consumers age 35 - 44 (net)	Count of individuals who selected a bronze medical plan (Indicator 49) and are in the 35 - 44 age group (Indicator 32).
115.1	Bronze plans selected by consumers age 45 - 54 (net)	Count of individuals who selected a bronze medical plan (Indicator 49) and are in the 45 - 54 age group (Indicator 32.1).
115.2	Bronze plans selected by consumers age 55 - 64 (net)	Count of individuals who selected a bronze medical plan (Indicator 49) and are in the 55 - 64 age group (Indicator 33).
116	Bronze plans selected by consumers age ≥65 (net)	Count of individuals who selected a bronze medical plan (Indicator 49) and are in the ≥ 65 age group (Indicator 33.1).
117	Bronze plans selected by consumers age is unknown (net)	Count of individuals who selected a bronze medical plan (Indicator 49) and whose age is unknown (Indicator 34).
117.1	Gold Plans selected by consumers ages 0-17 (net)	Count of individuals who selected a gold medical plan (Indicator 47) and are in the 0 - 17 age group (Indicator 30).
117.2	Gold Plans selected by consumers ages 18-25 (net)	Count of individuals who selected a gold medical plan (Indicator 47) and are in the 18 - 25 age group (Indicator 31).
117.3	Gold Plans selected by consumers ages 26-34 (net)	Count of individuals who selected a gold medical plan (Indicator 47) and are in the 26 - 34 age group (Indicator 31.1).
117.4	Gold plans selected by consumers aged 35 – 44 (net)	Count of individuals who selected a gold medical plan (Indicator 47) and are in the 35 - 44 age group (Indicator 32).
117.5	Gold Plans selected by consumers ages 45-54 (net)	Count of individuals who selected a gold medical plan (Indicator 47) and are in the 45 - 54 age group (Indicator 32.1).
117.6	Gold Plans selected by consumers ages 55-64 (net)	Count of individuals who selected a gold medical plan (Indicator 47) and are in the 55 - 64 age group (Indicator 33).
117.7	Gold Plans selected by consumers ages ≥ 65 (net)	Count of individuals who selected a gold medical plan (Indicator 47) and are in the ≥ 65 age group (Indicator 33.1).
117.8	Gold Plans selected by consumers whose age is unknown (net)	Count of individuals who selected a gold medical plan (Indicator 47) and whose age is unknown (Indicator 34). ]
190	Platinum Plans selected by consumers ages 0-17 (net)	Count of individuals who selected a platinum medical plan (Indicator 46) and are in the 0 - 17 age group (Indicator 30).

<b>Indicator</b>	<b>Title</b>	<b>Description</b>
<b>191</b>	<b>Platinum Plans selected by consumers ages 18-25 (net)</b>	Count of individuals who selected a platinum medical plan (Indicator 46) and are in the 18 - 25 age group (Indicator 31).
<b>192</b>	<b>Platinum Plans selected by consumers ages 26-34 (net)</b>	Count of individuals who selected a platinum medical plan (Indicator 46) and are in the 26 - 34 age group (Indicator 31.1).
<b>193</b>	<b>Platinum plans selected by consumers aged 35 – 44 (net)</b>	Count of individuals who selected a platinum medical plan (Indicator 46) and are in the 35 - 44 age group (Indicator 32).
<b>194</b>	<b>Platinum Plans selected by consumers ages 45-54 (net)</b>	Count of individuals who selected a platinum medical plan (Indicator 46) and are in the 45 - 54 age group (Indicator 32.1).
<b>195</b>	<b>Platinum Plans selected by consumers ages 55-64 (net)</b>	Count of individuals who selected a platinum medical plan (Indicator 46) and are in the 55 - 64 age group (Indicator 33).
<b>196</b>	<b>Platinum Plans selected by consumers ages ≥ 65 (net)</b>	Count of individuals who selected a platinum medical plan (Indicator 46) and are in the ≥ 65 age group (Indicator 33.1).
<b>197</b>	<b>Platinum Plans selected by consumers whose age is unknown (net)</b>	Count of individuals who selected a platinum medical plan (Indicator 46) and whose age is unknown (Indicator 34).
<b>198</b>	<b>Catastrophic Plans selected by consumers ages 0-17 (net)</b>	Count of individuals who selected a catastrophic medical plan (Indicator 50) and are in the 0 - 17 age group (Indicator 30).
<b>199</b>	<b>Catastrophic Plans selected by consumers ages 18-25 (net)</b>	Count of individuals who selected a catastrophic medical plan (Indicator 50) and are in the 18 - 25 age group (Indicator 31).
<b>200</b>	<b>Catastrophic Plans selected by consumers ages 26-34 (net)</b>	Count of individuals who selected a catastrophic medical plan (Indicator 50) and are in the 26 - 34 age group (Indicator 31.1).
<b>201</b>	<b>Catastrophic plans selected by consumers aged 35 – 44 (net)</b>	Count of individuals who selected a catastrophic medical plan (Indicator 50) and are in the 35 - 44 age group (Indicator 32).
<b>202</b>	<b>Catastrophic Plans selected by consumers ages 45-54 (net)</b>	Count of individuals who selected a catastrophic medical plan (Indicator 50) and are in the 45 - 54 age group (Indicator 32.1).
<b>203</b>	<b>Catastrophic Plans selected by consumers ages 55-64 (net)</b>	Count of individuals who selected a catastrophic medical plan (Indicator 50) and are in the 55 - 64 age group (Indicator 33).
<b>204</b>	<b>Catastrophic Plans selected by consumers ages ≥ 65 (net)</b>	Count of individuals who selected a catastrophic medical plan (Indicator 50) and are in the ≥ 65 age group (Indicator 33.1).
<b>205</b>	<b>Catastrophic Plans selected by consumers whose age is unknown (net)</b>	Count of individuals who selected a catastrophic medical plan (Indicator 50) and whose age is unknown (Indicator 34).
<b>118</b>	<b>Silver plans selected by consumers with income &lt; 100% FPL (net)</b>	Count of individuals in households with income less than 100% of FPL (Indicator 51) who have selected a silver medical plan (Indicator 48).

Indicator	Title	Description
118.1	Silver plans selected by consumers with income $\geq$ 100% FPL and $\leq$ 138% FPL (net)	Count of individuals in households with income greater than or equal to 100% and less than or equal to 138% of FPL (Indicator 52.1) who have selected a silver medical plan (Indicator 48).
119	Silver plans selected by consumers with income $\geq$ 100% FPL and $\leq$ 150% FPL (net)	Count of individuals in households with income greater than or equal to 100% and less than or equal to 150% of FPL (Indicator 52) who have selected a silver medical plan (Indicator 48).
120	Silver plans selected by consumers with income $>$ 150% FPL and $\leq$ 200% FPL (net)	Count of individuals in households with income greater than 150% and less than or equal to 200% of FPL (Indicator 53) who have selected a silver medical plan (Indicator 48).
121	Silver plans selected by consumers with income $>$ 200% FPL and $\leq$ 250% FPL (net)	Count of individuals in households with income greater than 200% and less than or equal to 250% of FPL (Indicator 54) who have selected a silver medical plan (Indicator 48).
121.1	Silver plans selected by consumers with income $>$ 250% PL and $\leq$ 300% FPL (net)	Count of individuals in households with income greater than 250% and less than or equal to 300% of FPL (Indicator 54.1) who have selected a silver medical plan (Indicator 48).
121.2	Silver plans selected by consumers with income $>$ 300% FPL and $\leq$ 350% FPL (net)	Count of individuals in households with income greater than 300% and less than or equal to 350% of FPL (Indicator 54.2) who have selected a silver medical plan (Indicator 48).
121.3	Silver plans selected by consumers with income $>$ 350% FPL and $\leq$ 400% FPL (net)	Count of individuals in households with income greater than 350% and less than or equal to 400% of FPL (Indicator 54.3) who have selected a silver medical plan (Indicator 48).
122	Silver plans selected by consumers with income $>$ 400% (net)	Count of individuals in households with income greater than 400% of FPL (Indicator 55) who have selected a silver medical plan (Indicator 48).
122.1	Silver plans selected by consumers with income $>$ 500% FPL (net)	Count of individuals in households with income greater than 500% of FPL (Indicator 55.1) who have selected a silver medical plan (Indicator 48).
123	Silver plans selected by consumers whose income is unknown (net)	Count of individuals in households whose income is unknown (Indicator 56) and have selected a silver medical plan (Indicator 48).
124	Bronze plans selected by consumers with income $<$ 100% FPL (net)	Count of individuals in households with income less than 100% of FPL (Indicator 51) who have selected a bronze medical plan (Indicator 49).
124.1	Bronze plans selected by consumers with income $\geq$ 100% FPL and $\leq$ 138% FPL (net)	Count of individuals in households with income greater than or equal to 100% and less than or equal to 138% of FPL (Indicator 52.1) who have selected a bronze medical plan (Indicator 49).

Indicator	Title	Description
125	<b>Bronze plans selected by consumers with income <math>\geq</math> 100% FPL and <math>\leq</math> 150% FPL (net)</b>	Count of individuals in households with income greater than or equal to 100% and less than or equal to 150% of FPL (Indicator 52) who have selected a bronze medical plan (Indicator 49).
126	<b>Bronze plans selected by consumers with income <math>&gt;</math> 150% FPL and <math>\leq</math> 200% FPL (net)</b>	Count of individuals in households with income greater than 150% and less than or equal to 200% of FPL (Indicator 53) who have selected a bronze medical plan (Indicator 49).
127	<b>Bronze plans selected by consumers with income <math>&gt;</math> 200% FPL and <math>\leq</math> 250% FPL (net)</b>	Count of individuals in households with income greater than 200% and less than or equal to 250% of FPL (Indicator 54) who have selected a bronze medical plan (Indicator 49).
127.1	<b>Bronze plans selected by consumers with income <math>&gt;</math> 250% FPL and <math>\leq</math> 300% FPL (net)</b>	Count of individuals in households with income greater than 250% and less than or equal to 300% of FPL (Indicator 54.1) who have selected a bronze medical plan (Indicator 49).
127.2	<b>Bronze plans selected by consumers with income <math>&gt;</math> 300% FPL and <math>\leq</math> 350% FPL (net)</b>	Count of individuals in households with income greater than 300% and less than or equal to 350% of FPL (Indicator 54.2) who have selected a bronze medical plan (Indicator 49).
127.3	<b>Bronze plans selected by consumers with income <math>&gt;</math> 350% FPL and <math>\leq</math> 400% FPL (net)</b>	Count of individuals in households with income greater than 350% and less than or equal to 400% of FPL (Indicator 54.3) who have selected a bronze medical plan (Indicator 49).
128	<b>Bronze plans selected by consumers with income <math>&gt;</math> 400% FPL (net)</b>	Count of individuals in households with income greater than 400% of FPL (Indicator 55) who have selected a bronze medical plan (Indicator 49).
128.1	<b>Bronze plans selected by consumers with income <math>&gt;</math> 500% FPL (net)</b>	Count of individuals in households with income greater than 500% of FPL (Indicator 55.1) who have selected a bronze medical plan (Indicator 49).
129	<b>Bronze plans selected by consumers whose income is unknown (net)</b>	Count of individuals in households whose income is unknown (Indicator 56) and have selected a bronze medical plan (Indicator 49).
129.1	<b>Gold plans selected by consumers with income <math>&lt;</math> 100% FPL (net)</b>	Count of individuals in households with income less than 100% of FPL (Indicator 51) who selected a gold medical plan (Indicator 47).
129.2	<b>Gold plans selected by consumers with income <math>\geq</math> 100% FPL and <math>\leq</math> 150% FPL (net)</b>	Count of individuals in households with income greater than or equal to 100% and less than or equal to 150% of FPL (Indicator 52) who have selected a gold medical plan (Indicator 47).
129.3	<b>Gold plans selected by consumers with income <math>&gt;</math> 150% FPL and <math>\leq</math> 200% FPL (net)</b>	Count of individuals in households with income greater than 150% and less than or equal to 200% of FPL (Indicator 53) who selected a gold medical plan (Indicator 47).

Indicator	Title	Description
129.4	Gold plans selected by consumers with income > 200% FPL and ≤ 250% FPL (net)	Count of individuals in households with income greater than 200% and less than or equal to 250% of FPL (Indicator 54) who selected a gold medical plan (Indicator 47).
129.5	Gold plans selected by consumers with income > 250% FPL and ≤ 300% FPL (net)	Count of individuals in households with income greater than 250% and less than or equal to 300% of FPL (Indicator 54.1) who selected a gold medical plan (Indicator 47).
129.6	Gold plans selected by consumers with income > 300% FPL and ≤ 350% FPL (net)	Count of individuals in households with income greater than 300% and less than or equal to 350% of FPL (Indicator 54.2) who selected a gold medical plan (Indicator 47).
129.7	Gold plans selected by consumers with income > 350% FPL and ≤ 400% FPL (net)	Count of individuals in households with income greater than 350% and less than or equal to 400% of FPL (Indicator 54.3) who selected a gold medical plan (Indicator 47).
129.8	Gold plans selected by consumers with income > 400% FPL (net)	Count of individuals in households with income greater than 400% of FPL (Indicator 55) who have selected a gold medical plan (Indicator 47).
129.8.1	Gold plans selected by consumers with income > 500% FPL (net)	Count of individuals in households with income greater than 500% of FPL (Indicator 55.1) who have selected a gold medical plan (Indicator 47).
129.9	Gold plans selected by consumers whose income is unknown (net)	Count of individuals in households whose income is unknown (Indicator 56) and have selected a gold medical plan (Indicator 47).
206	Platinum plans selected by consumers with income < 100% FPL (net)	Count of individuals in households with income less than 100% of FPL (Indicator 51) who selected a platinum medical plan (Indicator 46).
207	Platinum plans selected by consumers with income ≥ 100% FPL and ≤ 150% FPL (net)	Count of individuals in households with income greater than or equal to 100% and less than or equal to 150% of FPL (Indicator 52) who have selected a platinum medical plan (Indicator 46).
208	Platinum plans selected by consumers with income > 150% FPL and ≤ 200% FPL (net)	Count of individuals in households with income greater than 150% and less than or equal to 200% of FPL (Indicator 53) who selected a platinum medical plan (Indicator 46).
209	Platinum plans selected by consumers with income > 200% FPL and ≤ 250% FPL (net)	Count of individuals in households with income greater than 200% and less than or equal to 250% of FPL (Indicator 54) who selected a platinum medical plan (Indicator 46).
210	Platinum plans selected by consumers with income > 250% FPL and ≤ 300% FPL (net)	Count of individuals in households with income greater than 250% and less than or equal to 300% of FPL (Indicator 54.1) who selected a platinum medical plan (Indicator 46).

Indicator	Title	Description
211	Platinum plans selected by consumers with income > 300% FPL and ≤ 350% FPL (net)	Count of individuals in households with income greater than 300% and less than or equal to 350% of FPL (Indicator 54.2) who selected a platinum medical plan (Indicator 46).
212	Platinum plans selected by consumers with income > 350% FPL and ≤ 400% FPL (net)	Count of individuals in households with income greater than 350% and less than or equal to 400% of FPL (Indicator 54.3) who selected a platinum medical plan (Indicator 46).
213	Platinum plans selected by consumers with income > 400% FPL (net)	Count of individuals in households with income greater than 400% of FPL (Indicator 55) who have selected a platinum medical plan (Indicator 46).
214	Platinum plans selected by consumers with income > 500% FPL (net)	Count of individuals in households with income greater than 500% of FPL (Indicator 55.1) who have selected a platinum medical plan (Indicator 46).
215	Platinum plans selected by consumers whose income is unknown (net)	Count of individuals in households whose income is unknown (Indicator 56) and have selected a platinum medical plan (Indicator 46).
216	Catastrophic plans selected by consumers with income < 100% FPL (net)	Count of individuals in households with income less than 100% of FPL (Indicator 51) who selected a catastrophic medical plan (Indicator 50).
217	Catastrophic plans selected by consumers with income ≥ 100% FPL and ≤ 150% FPL (net)	Count of individuals in households with income greater than or equal to 100% and less than or equal to 150% of FPL (Indicator 52) who have selected a catastrophic medical plan (Indicator 50).
218	Catastrophic plans selected by consumers with income > 150% FPL and ≤ 200% FPL (net)	Count of individuals in households with income greater than 150% and less than or equal to 200% of FPL (Indicator 53) who selected a catastrophic medical plan (Indicator 50).
219	Catastrophic plans selected by consumers with income > 200% FPL and ≤ 250% FPL (net)	Count of individuals in households with income greater than 200% and less than or equal to 250% of FPL (Indicator 54) who selected a catastrophic medical plan (Indicator 50).
220	Catastrophic plans selected by consumers with income > 250% FPL and ≤ 300% FPL (net)	Count of individuals in households with income greater than 250% and less than or equal to 300% of FPL (Indicator 54.1) who selected a catastrophic medical plan (Indicator 50).
221	Catastrophic plans selected by consumers with income > 300% FPL and ≤ 350% FPL (net)	Count of individuals in households with income greater than 300% and less than or equal to 350% of FPL (Indicator 54.2) who selected a catastrophic medical plan (Indicator 50).
222	Catastrophic plans selected by consumers with income > 350% FPL and ≤ 400% FPL (net)	Count of individuals in households with income greater than 350% and less than or equal to 400% of FPL (Indicator 54.3) who selected a catastrophic medical plan (Indicator 50).

Indicator	Title	Description
223	Catastrophic plans selected by consumers with income > 400% FPL (net)	Count of individuals in households with income greater than 400% of FPL (Indicator 55) who have selected a catastrophic medical plan (Indicator 50).
224	Catastrophic plans selected by consumers with income > 500% FPL (net)	Count of individuals in households with income greater than 500% of FPL (Indicator 55.1) who have selected a catastrophic medical plan (Indicator 50).
225	Catastrophic plans selected by consumers whose income is unknown (net)	Count of individuals in households whose income is unknown (Indicator 56) and have selected a catastrophic medical plan (Indicator 50).
226	Bronze selected by consumers whose gender is Female (net)	Count of individuals who selected a bronze medical plan (Indicator 49) and whose gender is Female, according to the selected policy (Indicator 35).
227	Silver plans selected by consumers whose gender is Female (net)	Count of individuals who selected a silver medical plan (Indicator 48) and whose gender is Female, according to the selected policy (Indicator 35).
228	Gold plans selected by consumers whose gender is Female (net)	Count of individuals who selected a gold medical plan (Indicator 47) and whose gender is Female, according to the selected policy (Indicator 35).
229	Platinum plans selected by consumers whose gender is Female (net)	Count of individuals who selected a platinum medical plan (Indicator 46) and whose gender is Female, according to the selected policy (Indicator 35).
230	Catastrophic plans selected by consumers whose gender is Female (net)	Count of individuals who selected a catastrophic medical plan (Indicator 50) and whose gender is Female, according to the selected policy (Indicator 35).
231	Bronze plans selected by consumers whose gender is Male (net)	Count of individuals who selected a bronze medical plan (Indicator 49) and whose gender is Male, according to the selected policy (Indicator 36).
232	Silver plans selected by consumers whose gender is Male (net)	Count of individuals who selected a silver medical plan (Indicator 48) and whose gender is Male, according to the selected policy (Indicator 36).
233	Gold plans selected by consumers whose gender is Male (net)	Count of individuals who selected a gold medical plan (Indicator 47) and whose gender is Male, according to the selected policy (Indicator 36).
234	Platinum plans selected by consumers whose gender is Male (net)	Count of individuals who selected a platinum medical plan (Indicator 46) and whose gender is Male, according to the selected policy (Indicator 36).
235	Catastrophic plans selected by consumers whose gender is Male (net)	Count of individuals who selected a catastrophic medical plan (Indicator 50) and whose gender is Male, according to the selected policy (Indicator 36).
236	Bronze plans selected by consumers whose gender is unknown (net)	Count of individuals who selected a bronze medical plan (Indicator 49) and where gender is unknown, according to the selected policy (Indicator 37).
237	Silver plans selected by consumers whose gender is unknown (net)	Count of individuals who selected a silver medical plan (Indicator 48) and where gender is unknown, according to the selected policy (Indicator 37).
238	Gold plans selected by consumers whose gender is unknown (net)	Count of individuals who selected a gold medical plan (Indicator 47) and where gender is unknown, according to the selected policy (Indicator 37).

Indicator	Title	Description
239	Platinum plans selected by consumers whose gender is unknown (net)	Count of individuals who selected a platinum medical plan (Indicator 46) and whose gender is unknown, according to the selected policy (Indicator 37).
240	Catastrophic plans selected by consumers whose gender is unknown (net)	Count of individuals who selected a catastrophic medical plan (Indicator 50) and whose gender is unknown, according to the selected policy (Indicator 37).
241	Bronze plans selected by consumers whose Ethnicity is Hispanic or Latino	Count of individuals who selected a bronze medical plan (Indicator 49) and have indicated they are Mexican, Mexican American or Chicano/a, Puerto Rican, Cuban, or “other Hispanic or Latino ethnicity” on their application. Individuals who have indicated that they are Hispanic or Latino should be counted, regardless of the race selection on their application (Indicator 38).
242	Silver plans selected by consumers whose Ethnicity is Hispanic or Latino	Count of individuals who selected a silver medical plan (Indicator 48) and have indicated they are Mexican, Mexican American or Chicano/a, Puerto Rican, Cuban, or “other Hispanic or Latino ethnicity” on their application. Individuals who have indicated that they are Hispanic or Latino should be counted, regardless of the race selection on their application (Indicator 38).
243	Gold plans selected by consumers whose Ethnicity is Hispanic or Latino	Count of individuals who selected a gold medical plan (Indicator 47) and have indicated they are Mexican, Mexican American or Chicano/a, Puerto Rican, Cuban, or “other Hispanic or Latino ethnicity” on their application. Individuals who have indicated that they are Hispanic or Latino should be counted, regardless of the race selection on their application (Indicator 38).
244	Platinum plans selected by consumers whose Ethnicity is Hispanic or Latino	Count of individuals who selected a platinum medical plan (Indicator 46) and have indicated they are Mexican, Mexican American or Chicano/a, Puerto Rican, Cuban, or “other Hispanic or Latino ethnicity” on their application. Individuals who have indicated that they are Hispanic or Latino should be counted, regardless of the race selection on their application (Indicator 38).
245	Catastrophic plans selected by consumers whose Ethnicity is Hispanic or Latino	Count of individuals who selected a catastrophic medical plan (Indicator 50) and have indicated they are Mexican, Mexican American or Chicano/a, Puerto Rican, Cuban, or “other Hispanic or Latino ethnicity” on their application. Individuals who have indicated that they are Hispanic or Latino should be counted, regardless of the race selection on their application (Indicator 38).
246	Bronze plans selected by consumers whose Race is White	Count of individuals who selected a bronze medical plan (Indicator 49) and have indicated they are white on their application. Individuals who have indicated that they are white should be counted, regardless of the ethnicity selection on their application (Indicator 39).

<b>Indicator</b>	<b>Title</b>	<b>Description</b>
<b>247</b>	<b>Silver plans selected by consumers whose Race is White</b>	Count of individuals who selected a silver medical plan (Indicator 48) and have indicated they are white on their application. Individuals who have indicated that they are white should be counted, regardless of the ethnicity selection on their application (Indicator 39).
<b>248</b>	<b>Gold plans selected by consumers whose Race is White</b>	Count of individuals who selected a gold medical plan (Indicator 47) and have indicated they are white on their application. Individuals who have indicated that they are white should be counted, regardless of the ethnicity selection on their application (Indicator 39).
<b>249</b>	<b>Platinum plans selected by consumers whose Race is White</b>	Count of individuals who selected a platinum medical plan (Indicator 46) and have indicated they are white on their application. Individuals who have indicated that they are white should be counted, regardless of the ethnicity selection on their application (Indicator 39).
<b>250</b>	<b>Catastrophic plans selected by consumers whose Race is White</b>	Count of individuals who selected a catastrophic medical plan (Indicator 50) and have indicated they are white on their application. Individuals who have indicated that they are white should be counted, regardless of the ethnicity selection on their application (Indicator 39).
<b>251</b>	<b>Bronze plans selected by consumers whose Race/Ethnicity is White, Non-Hispanic</b>	Count of individuals who selected a bronze medical plan (Indicator 49) and have 1. Indicated that they are white on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 39.1).
<b>252</b>	<b>Silver plans selected by consumers whose Race/Ethnicity is White, Non-Hispanic</b>	Count of individuals who selected a silver medical plan (Indicator 48) and have 1. Indicated that they are white on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 39.1).
<b>253</b>	<b>Gold plans selected by consumers whose Race/Ethnicity is White, Non-Hispanic</b>	Count of individuals who selected a gold medical plan (Indicator 47) and have 1. Indicated that they are white on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 39.1).
<b>254</b>	<b>Platinum plans selected by consumers whose Race/Ethnicity is White, Non-Hispanic</b>	Count of individuals who selected a platinum medical plan (Indicator 46) and have 1. Indicated that they are white on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 39.1).

Indicator	Title	Description
255	<b>Catastrophic plans selected by consumers whose Race/Ethnicity is White, Non-Hispanic</b>	Count of individuals who selected a catastrophic medical plan (Indicator 50) and have 1. Indicated that they are white on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 39.1).
256	<b>Bronze plans selected by consumers whose Race is African American</b>	Count of individuals who selected a bronze medical plan (Indicator 49) and have indicated they are black or African American on their application. Individuals who have indicated that they are black or African American should be counted, regardless of the ethnicity selection on their application (Indicator 40).
257	<b>Silver plans selected by consumers whose Race is African American</b>	Count of individuals who selected a silver medical plan (Indicator 48) and have indicated they are black or African American on their application. Individuals who have indicated that they are black or African American should be counted, regardless of the ethnicity selection on their application (Indicator 40).
258	<b>Gold plans selected by consumers whose Race is African American</b>	Count of individuals who selected a gold medical plan (Indicator 47) and have indicated they are black or African American on their application. Individuals who have indicated that they are black or African American should be counted, regardless of the ethnicity selection on their application (Indicator 40).
259	<b>Platinum plans selected by consumers whose Race is African American</b>	Count of individuals who selected a platinum medical plan (Indicator 46) and have indicated they are black or African American on their application. Individuals who have indicated that they are black or African American should be counted, regardless of the ethnicity selection on their application (Indicator 40).
260	<b>Catastrophic plans selected by consumers whose Race is African American</b>	Count of individuals who selected a catastrophic medical plan (Indicator 50) and have indicated they are black or African American on their application. Individuals who have indicated that they are black or African American should be counted, regardless of the ethnicity selection on their application (Indicator 40).
261	<b>Bronze plans selected by consumers whose Race/Ethnicity is African American, Non-Hispanic</b>	Count of individuals who selected a bronze medical plan (Indicator 49) and have 1. Indicated that they are black or African American on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 40.1).
262	<b>Silver plans selected by consumers whose Race/Ethnicity is African American, Non-Hispanic</b>	Count of individuals who selected a silver medical plan (Indicator 48) and have 1. Indicated that they are black or African American on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 40.1).

Indicator	Title	Description
263	<b>Gold plans selected by consumers whose Race/Ethnicity is African American, Non-Hispanic</b>	Count of individuals who selected a gold medical plan (Indicator 47) and have 1. Indicated that they are black or African American on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 40.1).
264	<b>Platinum plans selected by consumers whose Race/Ethnicity is African American, Non-Hispanic</b>	Count of individuals who selected a platinum medical plan (Indicator 46) and have 1. Indicated that they are black or African American on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 40.1).
265	<b>Catastrophic plans selected by consumers whose Race/Ethnicity is African American, Non-Hispanic</b>	Count of individuals who selected a catastrophic medical plan (Indicator 50) and have 1. Indicated that they are black or African American on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 40.1).
266	<b>Bronze plans selected by consumers whose Race is Asian</b>	Count of individuals who selected a bronze medical plan (Indicator 49) and have indicated they are Asian Indian, Chinese, Filipino, Korean, Vietnamese, Japanese, or “other Asian” on their application. Individuals who have indicated that they are Asian should be counted, regardless of the ethnicity selection on their application (Indicator 41).
267	<b>Silver plans selected by consumers whose Race is Asian</b>	Count of individuals who selected a silver medical plan (Indicator 48) and have indicated they are Asian Indian, Chinese, Filipino, Korean, Vietnamese, Japanese, or “other Asian” on their application. Individuals who have indicated that they are Asian should be counted, regardless of the ethnicity selection on their application (Indicator 41).
268	<b>Gold plans selected by consumers whose Race is Asian</b>	Count of individuals who selected a gold medical plan (Indicator 47) and have indicated they are Asian Indian, Chinese, Filipino, Korean, Vietnamese, Japanese, or “other Asian” on their application. Individuals who have indicated that they are Asian should be counted, regardless of the ethnicity selection on their application (Indicator 41).
269	<b>Platinum plans selected by consumers whose Race is Asian</b>	Count of individuals who selected a platinum medical plan (Indicator 46) and have indicated they are Asian Indian, Chinese, Filipino, Korean, Vietnamese, Japanese, or “other Asian” on their application. Individuals who have indicated that they are Asian should be counted, regardless of the ethnicity selection on their application (Indicator 41).

Indicator	Title	Description
270	<b>Catastrophic plans selected by consumers whose Race is Asian</b>	Count of individuals who selected a catastrophic medical plan (Indicator 50) and have indicated they are Asian Indian, Chinese, Filipino, Korean, Vietnamese, Japanese, or “other Asian” on their application. Individuals who have indicated that they are Asian should be counted, regardless of the ethnicity selection on their application (Indicator 41).
271	<b>Bronze plans selected by consumers whose Race/Ethnicity is Asian, Non-Hispanic</b>	Count of individuals who selected a bronze medical plan (Indicator 49) and have 1. Indicated that they are Asian Indian, Chinese, Filipino, Korean, Vietnamese, Japanese, or “other Asian” on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 41.1).
272	<b>Silver plans selected by consumers whose Race/Ethnicity is Asian, Non-Hispanic</b>	Count of individuals who selected a silver medical plan (Indicator 48) and have 1. Indicated that they are Asian Indian, Chinese, Filipino, Korean, Vietnamese, Japanese, or “other Asian” on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 41.1).
273	<b>Gold plans selected by consumers whose Race/Ethnicity is Asian, Non-Hispanic</b>	Count of individuals who selected a gold medical plan (Indicator 47) and have 1. Indicated that they are Asian Indian, Chinese, Filipino, Korean, Vietnamese, Japanese, or “other Asian” on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 41.1).
274	<b>Platinum plans selected by consumers whose Race/Ethnicity is Asian, Non-Hispanic</b>	Count of individuals who selected a platinum medical plan (Indicator 46) and have 1. Indicated that they are Asian Indian, Chinese, Filipino, Korean, Vietnamese, Japanese, or “other Asian” on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 41.1).
275	<b>Catastrophic plans selected by consumers whose Race/Ethnicity is Asian, Non-Hispanic</b>	Count of individuals who selected a catastrophic medical plan (Indicator 50) and have 1. Indicated that they are Asian Indian, Chinese, Filipino, Korean, Vietnamese, Japanese, or “other Asian” on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 41.1).

Indicator	Title	Description
276	<b>Bronze plans selected by consumers whose Race is Native Hawaiian/Pacific Islander</b>	Count of individuals who selected a bronze medical plan (Indicator 49) and have indicated they are Guamanian or Chamorro, Native Hawaiian, Samoan, or “other Pacific Islander” on their application. Individuals who have indicated that they are Native Hawaiian or Pacific Islander should be counted, regardless of the ethnicity selection on their application (Indicator 42).
277	<b>Silver plans selected by consumers whose Race is Native Hawaiian/Pacific Islander</b>	Count of individuals who selected a silver medical plan (Indicator 48) and have indicated they are Guamanian or Chamorro, Native Hawaiian, Samoan, or “other Pacific Islander” on their application. Individuals who have indicated that they are Native Hawaiian or Pacific Islander should be counted, regardless of the ethnicity selection on their application (Indicator 42).
278	<b>Gold plans selected by consumers whose Race is Native Hawaiian/Pacific Islander</b>	Count of individuals who selected a gold medical plan (Indicator 47) and have indicated they are Guamanian or Chamorro, Native Hawaiian, Samoan, or “other Pacific Islander” on their application. Individuals who have indicated that they are Native Hawaiian or Pacific Islander should be counted, regardless of the ethnicity selection on their application (Indicator 42).
279	<b>Platinum plans selected by consumers whose Race is Native Hawaiian/Pacific Islander</b>	Count of individuals who selected a platinum medical plan (Indicator 46) and have indicated they are Guamanian or Chamorro, Native Hawaiian, Samoan, or “other Pacific Islander” on their application. Individuals who have indicated that they are Native Hawaiian or Pacific Islander should be counted, regardless of the ethnicity selection on their application (Indicator 42).
280	<b>Catastrophic plans selected by consumers whose Race is Native Hawaiian/Pacific Islander</b>	Count of individuals who selected a catastrophic medical plan (Indicator 50) and have indicated they are Guamanian or Chamorro, Native Hawaiian, Samoan, or “other Pacific Islander” on their application. Individuals who have indicated that they are Native Hawaiian or Pacific Islander should be counted, regardless of the ethnicity selection on their application (Indicator 42).
281	<b>Bronze plans selected by consumers whose Race/Ethnicity is Native Hawaiian/Pacific Islander, Non-Hispanic</b>	Count of individuals who selected a bronze medical plan (Indicator 49) and have 1. Indicated that they are Guamanian or Chamorro, Native Hawaiian, Samoan, or “other Pacific Islander” on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 42.1).

Indicator	Title	Description
282	<b>Silver plans selected by consumers whose Race/Ethnicity is Native Hawaiian/Pacific Islander, Non-Hispanic</b>	Count of individuals who selected a silver medical plan (Indicator 48) and have 1. Indicated that they are Guamanian or Chamorro, Native Hawaiian, Samoan, or “other Pacific Islander” on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 42.1).
283	<b>Gold plans selected by consumers whose Race/Ethnicity is Native Hawaiian/Pacific Islander, Non-Hispanic</b>	Count of individuals who selected a gold medical plan (Indicator 47) and have 1. Indicated that they are Guamanian or Chamorro, Native Hawaiian, Samoan, or “other Pacific Islander” on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 42.1).
284	<b>Platinum plans selected by consumers whose Race/Ethnicity is Native Hawaiian/Pacific Islander, Non-Hispanic</b>	Count of individuals who selected a platinum medical plan (Indicator 46) and have 1. Indicated that they are Guamanian or Chamorro, Native Hawaiian, Samoan, or “other Pacific Islander” on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 42.1).
285	<b>Catastrophic plans selected by consumers whose Race/Ethnicity is Native Hawaiian/Pacific Islander, Non-Hispanic</b>	Count of individuals who selected a catastrophic medical plan (Indicator 50) and have 1. Indicated that they are Guamanian or Chamorro, Native Hawaiian, Samoan, or “other Pacific Islander” on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 42.1).
286	<b>Bronze plans selected by consumers whose Race is American Indian/Alaska Native</b>	Count of individuals who selected a bronze medical plan (Indicator 49) and have indicated they are American Indian or Alaska Native on their application. Individuals who have indicated that they are American Indian or Alaska Native should be counted, regardless of the ethnicity selection on their application (Indicator 43).
287	<b>Silver plans selected by consumers whose Race is American Indian/Alaska Native</b>	Count of individuals who selected a silver medical plan (Indicator 48) and have indicated they are American Indian or Alaska Native on their application. Individuals who have indicated that they are American Indian or Alaska Native should be counted, regardless of the ethnicity selection on their application (Indicator 43).

Indicator	Title	Description
288	<b>Gold plans selected by consumers whose Race is American Indian/Alaska Native</b>	Count of individuals who selected a gold medical plan (Indicator 47) and have indicated they are American Indian or Alaska Native on their application. Individuals who have indicated that they are American Indian or Alaska Native should be counted, regardless of the ethnicity selection on their application (Indicator 43).
289	<b>Platinum plans selected by consumers whose Race is American Indian/Alaska Native</b>	Count of individuals who selected a platinum medical plan (Indicator 46) and have indicated they are American Indian or Alaska Native on their application. Individuals who have indicated that they are American Indian or Alaska Native should be counted, regardless of the ethnicity selection on their application (Indicator 43).
290	<b>Catastrophic plans selected by consumers whose Race is American Indian/Alaska Native</b>	Count of individuals who selected a catastrophic medical plan (Indicator 50) and have indicated they are American Indian or Alaska Native on their application. Individuals who have indicated that they are American Indian or Alaska Native should be counted, regardless of the ethnicity selection on their application (Indicator 43).
291	<b>Bronze plans selected by consumers whose Race/Ethnicity is American Indian/Alaska Native, Non-Hispanic</b>	Count of individuals who selected a bronze medical plan (Indicator 49) and have 1. Indicated that they are American Indian or Alaska Native on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 43.1).
292	<b>Silver plans selected by consumers whose Race/Ethnicity is American Indian/Alaska Native, Non-Hispanic</b>	Count of individuals who selected a silver medical plan (Indicator 48) and have 1. Indicated that they are American Indian or Alaska Native on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 43.1).
293	<b>Gold plans selected by consumers whose Race/Ethnicity is American Indian/Alaska Native, Non-Hispanic</b>	Count of individuals who selected a gold medical plan (Indicator 47) and have 1. Indicated that they are American Indian or Alaska Native on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 43.1).
294	<b>Platinum plans selected by consumers whose Race/Ethnicity is American Indian/Alaska Native, Non-Hispanic</b>	Count of individuals who selected a platinum medical plan (Indicator 46) and have 1. Indicated that they are American Indian or Alaska Native on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 43.1).

Indicator	Title	Description
295	<b>Catastrophic plans selected by consumers whose Race/Ethnicity is American Indian/Alaska Native, Non-Hispanic</b>	Count of individuals who selected a catastrophic medical plan (Indicator 50) and have 1. Indicated that they are American Indian or Alaska Native on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 43.1).
296	<b>Bronze plans selected by consumers whose Race is Middle Eastern/North African (net)</b>	Count of individuals who selected a bronze medical plan (Indicator 49) and have indicated they are Lebanese, Iranian, Egyptian, Syrian, Iraqi, and Israeli, or “other Middle Eastern or North African” on their application. Individuals who have indicated that they are Middle Eastern or North African should be counted, regardless of the ethnicity selection on their application (Indicator 43.2).
297	<b>Silver plans selected by consumers whose Race is Middle Eastern/North African (net)</b>	Count of individuals who selected a silver medical plan (Indicator 48) and have indicated they are Lebanese, Iranian, Egyptian, Syrian, Iraqi, and Israeli, or “other Middle Eastern or North African” on their application. Individuals who have indicated that they are Middle Eastern or North African should be counted, regardless of the ethnicity selection on their application (Indicator 43.2).
298	<b>Gold plans selected by consumers whose Race is Middle Eastern/North African (net)</b>	Count of individuals who selected a gold medical plan (Indicator 47) and have indicated they are Lebanese, Iranian, Egyptian, Syrian, Iraqi, and Israeli, or “other Middle Eastern or North African” on their application. Individuals who have indicated that they are Middle Eastern or North African should be counted, regardless of the ethnicity selection on their application (Indicator 43.2).
299	<b>Platinum plans selected by consumers whose Race is Middle Eastern/North African (net)</b>	Count of individuals who selected a platinum medical plan (Indicator 46) and have indicated they are Lebanese, Iranian, Egyptian, Syrian, Iraqi, and Israeli, or “other Middle Eastern or North African” on their application. Individuals who have indicated that they are Middle Eastern or North African should be counted, regardless of the ethnicity selection on their application (Indicator 43.2).
300	<b>Catastrophic plans selected by consumers whose Race is Middle Eastern/North African (net)</b>	Count of individuals who selected a catastrophic medical plan (Indicator 50) and have indicated they are Lebanese, Iranian, Egyptian, Syrian, Iraqi, and Israeli, or “other Middle Eastern or North African” on their application. Individuals who have indicated that they are Middle Eastern or North African should be counted, regardless of the ethnicity selection on their application (Indicator 43.2).

Indicator	Title	Description
301	<b>Bronze plans selected by consumers whose Race/Ethnicity is Middle Eastern/North African, Non-Hispanic (net)</b>	Count of individuals who selected a bronze medical plan (Indicator 49) and have 1. Indicated that they are Lebanese, Iranian, Egyptian, Syrian, Iraqi, and Israeli, or “other Middle Eastern or North African” and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (43.3).
302	<b>Silver plans selected by consumers whose Race/Ethnicity is Middle Eastern/North African, Non-Hispanic (net)</b>	Count of individuals who selected a silver medical plan (Indicator 48) and have 1. Indicated that they are Lebanese, Iranian, Egyptian, Syrian, Iraqi, and Israeli, or “other Middle Eastern or North African” and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (43.3).
303	<b>Gold plans selected by consumers whose Race/Ethnicity is Middle Eastern/North African, Non-Hispanic (net)</b>	Count of individuals who selected a gold medical plan (Indicator 47) and have 1. Indicated that they are Lebanese, Iranian, Egyptian, Syrian, Iraqi, and Israeli, or “other Middle Eastern or North African” and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (43.3).
304	<b>Platinum plans selected by consumers whose Race/Ethnicity is Middle Eastern/North African, Non-Hispanic (net)</b>	Count of individuals who selected a platinum medical plan (Indicator 46) and have 1. Indicated that they are Lebanese, Iranian, Egyptian, Syrian, Iraqi, and Israeli, or “other Middle Eastern or North African” and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (43.3).
305	<b>Catastrophic plans selected by consumers whose Race/Ethnicity is Middle Eastern/North African, Non-Hispanic (net)</b>	Count of individuals who selected a catastrophic medical plan (Indicator 50) and have 1. Indicated that they are Lebanese, Iranian, Egyptian, Syrian, Iraqi, and Israeli, or “other Middle Eastern or North African” and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (43.3).
306	<b>Bronze plans selected by consumers whose Race is Multi-Racial</b>	Count of individuals who selected a bronze medical plan (Indicator 49) and have indicated more than one distinct racial group: American Indian / Alaska Native, Asian, Native Hawaiian / Pacific Islander, African-American, Middle Eastern / North African, and White, on their application. Individuals who have indicated more than one racial group should be counted, regardless of the ethnicity selection on their application (Indicator 44).

Indicator	Title	Description
307	<b>Silver plans selected by consumers whose Race is Multi-Racial</b>	Count of individuals who selected a silver medical plan (Indicator 48) and have indicated more than one distinct racial group: American Indian / Alaska Native, Asian, Native Hawaiian / Pacific Islander, African-American, Middle Eastern / North African, and White, on their application. Individuals who have indicated more than one racial group should be counted, regardless of the ethnicity selection on their application (Indicator 44).
308	<b>Gold plans selected by consumers whose Race is Multi-Racial</b>	Count of individuals who selected a gold medical plan (Indicator 47) and have indicated more than one distinct racial group: American Indian / Alaska Native, Asian, Native Hawaiian / Pacific Islander, African-American, Middle Eastern / North African, and White, on their application. Individuals who have indicated more than one racial group should be counted, regardless of the ethnicity selection on their application (Indicator 44).
309	<b>Platinum plans selected by consumers whose Race is Multi-Racial</b>	Count of individuals who selected a platinum medical plan (Indicator 46) and have indicated more than one distinct racial group: American Indian / Alaska Native, Asian, Native Hawaiian / Pacific Islander, African-American, Middle Eastern / North African, and White, on their application. Individuals who have indicated more than one racial group should be counted, regardless of the ethnicity selection on their application (Indicator 44).
310	<b>Catastrophic plans selected by consumers whose Race is Multi-Racial</b>	Count of individuals who selected a catastrophic medical plan (Indicator 50) and have indicated more than one distinct racial group: American Indian / Alaska Native, Asian, Native Hawaiian / Pacific Islander, African-American, Middle Eastern / North African, and White, on their application. Individuals who have indicated more than one racial group should be counted, regardless of the ethnicity selection on their application (Indicator 44).
311	<b>Bronze plans selected by consumers whose Race/Ethnicity is Multi-Racial, Non-Hispanic</b>	Count of individuals who selected a bronze medical plan (Indicator 49) and have 1. Indicated more than one distinct racial group: American Indian / Alaska Native, Asian, Native Hawaiian / Pacific Islander, African-American, Middle Eastern / North African, and White, on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application should be counted (Indicator 44.1).

Indicator	Title	Description
312	<b>Silver plans selected by consumers whose Race/Ethnicity is Multi-Racial, Non-Hispanic</b>	Count of individuals who selected a silver medical plan (Indicator 48) and have 1. Indicated more than one distinct racial group: American Indian / Alaska Native, Asian, Native Hawaiian / Pacific Islander, African-American, Middle Eastern / North African, and White, on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application should be counted (Indicator 44.1).
313	<b>Gold plans selected by consumers whose Race/Ethnicity is Multi-Racial, Non-Hispanic</b>	Count of individuals who selected a gold medical plan (Indicator 47) and have 1. Indicated more than one distinct racial group: American Indian / Alaska Native, Asian, Native Hawaiian / Pacific Islander, African-American, Middle Eastern / North African, and White, on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application should be counted (Indicator 44.1).
314	<b>Platinum plans selected by consumers whose Race/Ethnicity is Multi-Racial, Non-Hispanic</b>	Count of individuals who selected a platinum medical plan (Indicator 46) and have 1. Indicated more than one distinct racial group: American Indian / Alaska Native, Asian, Native Hawaiian / Pacific Islander, African-American, Middle Eastern / North African, and White, on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application should be counted (Indicator 44.1).
315	<b>Catastrophic plans selected by consumers whose Race/Ethnicity is Multi-Racial, Non-Hispanic</b>	Count of individuals who selected a catastrophic medical plan (Indicator 50) and have 1. Indicated more than one distinct racial group: American Indian / Alaska Native, Asian, Native Hawaiian / Pacific Islander, African-American, Middle Eastern / North African, and White, on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application should be counted (Indicator 44.1).
316	<b>Bronze plans selected by consumers whose Race/Ethnicity is Unknown, Non-Hispanic</b>	Count of individuals who selected a bronze medical plan (Indicator 49) and 1. did not indicate a race on their application and 2. indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 45).
317	<b>Silver plans selected by consumers whose Race/Ethnicity is Unknown, Non-Hispanic</b>	Count of individuals who selected a silver medical plan (Indicator 48) and 1. did not indicate a race on their application and 2. indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 45).

Indicator	Title	Description
318	<b>Gold plans selected by consumers whose Race/Ethnicity is Unknown, Non-Hispanic</b>	Count of individuals who selected a gold medical plan (Indicator 47) and 1. did not indicate a race on their application and 2. indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 45).
319	<b>Platinum plans selected by consumers whose Race/Ethnicity is Unknown, Non-Hispanic</b>	Count of individuals who selected a platinum medical plan (Indicator 46) and 1. did not indicate a race on their application and 2. indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 45).
320	<b>Catastrophic plans selected by consumers whose Race/Ethnicity is Unknown, Non-Hispanic</b>	Count of individuals who selected a catastrophic medical plan (Indicator 50) and 1. did not indicate a race on their application and 2. indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 45).
321	<b>Bronze plans selected by consumers whose Race is Other</b>	Count of individuals who selected a bronze medical plan (Indicator 49) and have indicated another race or "Other" on their application. Individuals should be counted, regardless of the ethnicity selection on their application. This does not include individuals who are already counted in indicators 39-45 and indicated other Asian, other Pacific Islander, etc. (Indicator 45.1).
322	<b>Silver plans selected by consumers whose Race is Other</b>	Count of individuals who selected a silver medical plan (Indicator 48) and have indicated another race or "Other" on their application. Individuals should be counted, regardless of the ethnicity selection on their application. This does not include individuals who are already counted in indicators 39-45 and indicated other Asian, other Pacific Islander, etc. (Indicator 45.1).
323	<b>Gold plans selected by consumers whose Race is Other</b>	Count of individuals who selected a gold medical plan (Indicator 47) and have indicated another race or "Other" on their application. Individuals should be counted, regardless of the ethnicity selection on their application. This does not include individuals who are already counted in indicators 39-45 and indicated other Asian, other Pacific Islander, etc. (Indicator 45.1).
324	<b>Platinum plans selected by consumers whose Race is Other</b>	Count of individuals who selected a platinum medical plan (Indicator 46) and have indicated another race or "Other" on their application. Individuals should be counted, regardless of the ethnicity selection on their application. This does not include individuals who are already counted in indicators 39-45 and indicated other Asian, other Pacific Islander, etc. (Indicator 45.1).

Indicator	Title	Description
325	<b>Catastrophic plans selected by consumers whose Race is Other</b>	Count of individuals who selected a catastrophic medical plan (Indicator 50) and have indicated another race or “Other” on their application. Individuals should be counted, regardless of the ethnicity selection on their application. This does not include individuals who are already counted in indicators 39-45 and indicated other Asian, other Pacific Islander, etc. (Indicator 45.1).
326	<b>Bronze plans selected by consumers whose Race/Ethnicity is Other, Non-Hispanic</b>	Count of individuals who selected a bronze medical plan (Indicator 49) and have 1. Indicated another race or “Other” on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application. This does not include individuals who are already counted in indicators 38-45 and indicated other Hispanic or Latino, other Asian, other Pacific Islander, etc. (Indicator 45.2).
327	<b>Silver plans selected by consumers whose Race/Ethnicity is Other, Non-Hispanic</b>	Count of individuals who selected a silver medical plan (Indicator 48) and have 1. Indicated another race or “Other” on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application. This does not include individuals who are already counted in indicators 38-45 and indicated other Hispanic or Latino, other Asian, other Pacific Islander, etc. (Indicator 45.2).
328	<b>Gold plans selected by consumers whose Race/Ethnicity is Other, Non-Hispanic</b>	Count of individuals who selected a gold medical plan (Indicator 47) and have 1. Indicated another race or “Other” on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application. This does not include individuals who are already counted in indicators 38-45 and indicated other Hispanic or Latino, other Asian, other Pacific Islander, etc. (Indicator 45.2).
329	<b>Platinum plans selected by consumers whose Race/Ethnicity is Other, Non-Hispanic</b>	Count of individuals who selected a platinum medical plan (Indicator 46) and have 1. Indicated another race or “Other” on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application. This does not include individuals who are already counted in indicators 38-45 and indicated other Hispanic or Latino, other Asian, other Pacific Islander, etc. (Indicator 45.2).

Indicator	Title	Description
<b>330</b>	<b>Catastrophic plans selected by consumers whose Race/Ethnicity is Other, Non-Hispanic</b>	Count of individuals who selected a catastrophic medical plan (Indicator 50) and have 1. Indicated another race or “Other” on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application. This does not include individuals who are already counted in indicators 38-45 and indicated other Hispanic or Latino, other Asian, other Pacific Islander, etc. (Indicator 45.2).

***Exhibit 8: Consumer Type by Age, Metal Level, Income, Gender, and Race/Ethnicity***

Indicator	Title	Description
<b>130</b>	<b>New consumers who are age 0 – 17 (net)</b>	Count of new consumers (Indicator 2) who are in the 0 - 17 age group (Indicator 30).
<b>131</b>	<b>Active re-enrollees who are age 0 – 17 (net)</b>	Count of active re-enrollees (Indicator 4) who are in the 0 - 17 age group (Indicator 30).
<b>132</b>	<b>Automatic re-enrollees who are age 0 – 17 (net)</b>	Count of automatic re-enrollees (Indicator 5) who are in the 0 - 17 age group (Indicator 30).
<b>133</b>	<b>New consumers who are age 18 - 25 (net)</b>	Count of new consumers (Indicator 2) who are in the 18 - 25 age group (Indicator 31).
<b>134</b>	<b>Active re-enrollees who are age 18 - 25 (net)</b>	Count of active re-enrollees (Indicator 4) who are in the 18 - 25 age group (Indicator 31).
<b>135</b>	<b>Automatic re-enrollees who are age 18 – 25 (net)</b>	Count of automatic re-enrollees (Indicator 5) who are in the 18 - 25 age group (Indicator 31).
<b>136</b>	<b>New consumers who are age 26 - 34 (net)</b>	Count of new consumers (Indicator 2) who are in the 26 - 34 age group (Indicator 31.1).
<b>137</b>	<b>Active re-enrollees who are age 26 - 34 (net)</b>	Count of active re-enrollees (Indicator 4) who are in the 26 - 34 age group (Indicator 31.1).
<b>138</b>	<b>Automatic re-enrollees who are age 26 - 34 (net)</b>	Count of automatic re-enrollees (Indicator 5) who are in the 26 - 34 age group (Indicator 31.1).
<b>138.1</b>	<b>New consumers who are age 35 - 44 (net)</b>	Count of new consumers (Indicator 2) who are in the 35 - 44 age group (Indicator 32).
<b>138.2</b>	<b>Active re-enrollees who are age 35 - 44 (net)</b>	Count of active re-enrollees (Indicator 4) who are in the 35 - 44 age group (Indicator 32).
<b>138.3</b>	<b>Automatic re-enrollees who are age 35 - 44</b>	Count of automatic re-enrollees (Indicator 5) who are in the 35 - 44 age group (Indicator 32).

Indicator	Title	Description
138.4	New consumers who are age 45 - 54 (net)	Count of new consumers (Indicator 2) who are in the 45 - 54 age group (Indicator 32.1).
138.5	Active re-enrollees who are age 45 - 54 (net)	Count of active re-enrollees (Indicator 4) who are in the 45 - 54 age group (Indicator 32.1).
138.6	Automatic re-enrollees who are age 45 - 54 (net)	Count of automatic re-enrollees (Indicator 5) who are in the 45 - 54 age group (Indicator 32.1).
138.7	New consumers who are age 55 - 64 (net)	Count of new consumers (Indicator 2) who are in the 55 - 64 age group (Indicator 33).
138.8	Active re-enrollees who are age 55 - 64 (net)	Count of active re-enrollees (Indicator 4) who are in the 55 - 64 age group (Indicator 33).
138.9	Automatic re-enrollees who are age 55 - 64 (net)	Count of automatic re-enrollees (Indicator 5) who are in the 55 - 64 age group (Indicator 33).
139	New consumers who are age ≥65 (net)	Count of new consumers (Indicator 2) who are in the ≥ 65 age group (Indicator 33.1).
140	Active re-enrollees who are age ≥65 (net)	Count of active re-enrollees (Indicator 4) who are in the ≥ 65 age group (Indicator 33.1).
141	Automatic re-enrollees who are age ≥65(net)	Count of automatic re-enrollees (Indicator 5) who are in the ≥ 65 age group (Indicator 33.1).
142	New consumers whose age is unknown (net)	Count of new consumers (Indicator 2) whose age is unknown (Indicator 34).
143	Active re-enrollees whose age is unknown (net)	Count of active re-enrollees (Indicator 4) whose age is unknown (Indicator 34).
144	Automatic re-enrollees whose age is unknown (net)	Count of automatic re-enrollees (Indicator 5) whose age is unknown (Indicator 34).
145	New consumers who selected a silver plan (net)	Count of new consumers (Indicator 2) who selected a silver plan (Indicator 48).
146	Active re-enrollees who selected a silver plan (net)	Count of active re-enrollees (Indicator 4) who selected a silver plan (Indicator 48).
147	Automatic re-enrollees who selected a silver plan (net)	Count of automatic re-enrollees (Indicator 5) who selected a silver plan (Indicator 48).
148	New consumers who selected a bronze plan (net)	Count of new consumers (Indicator 2) who selected a bronze plan (Indicator 49).

Indicator	Title	Description
149	Active re-enrollees who selected a bronze plan (net)	Count of active re-enrollees (Indicator 4) who selected a bronze plan (Indicator 49).
150	Automatic re-enrollees who selected a bronze plan (net)	Count of automatic re-enrollees (Indicator 5) who selected a bronze plan (Indicator 49).
150.1	New consumers who selected a gold plan (net)	Count of new consumers (Indicator 2) who selected a gold plan (Indicator 47).
150.2	Active re-enrollees who selected a gold plan (net)	Count of active re-enrollees (Indicator 4) who selected a gold plan (Indicator 47).
150.3	Automatic re-enrollees who selected a gold plan (net)	Count of automatic re-enrollees (Indicator 5) who selected a gold plan (Indicator 47).
150.4	New consumers who selected a catastrophic plan (net)	Count of new consumers (Indicator 2) who selected a catastrophic plan (Indicator 50).
150.5	Active re-enrollees who selected a catastrophic plan (net)	Count of active re-enrollees (Indicator 4) who selected a catastrophic plan (Indicator 50).
150.6	Automatic re-enrollees who selected a catastrophic plan (net)	Count of automatic re-enrollees (Indicator 5) who selected a catastrophic plan (Indicator 50).
150.7	New consumers who selected a platinum plan (net)	Count of new consumers (Indicator 2) who selected a platinum plan (Indicator 46).
150.8	Active re-enrollees who selected a platinum plan (net)	Count of active re-enrollees (Indicator 4) who selected a platinum plan (Indicator 46).
150.9	Automatic re-enrollees who selected a platinum plan (net)	Count of automatic re-enrollees (Indicator 5) who selected a platinum plan (Indicator 46).
151	New consumers whose income is < 100% FPL (net)	Count of new consumers (Indicator 2) in households with income less than 100% of FPL (Indicator 51).
152	Active re-enrollees whose income is < 100% FPL (net)	Count of active re-enrollees (Indicator 4) in households with income less than 100% of FPL (Indicator 51).
153	Automatic Re-enrollees whose income is < 100% FPL (net)	Count of active re-enrollees (Indicator 5) in households with income less than 100% of FPL (Indicator 51).
153.1	New consumers whose income is ≥ 100% FPL and ≤ 138% FPL (net)	Count of new consumers (Indicator 2) in households with income greater than or equal to 100% of FPL and less than or equal to 138% FPL (Indicator 52.1).
153.2	Active re-enrollees whose income is ≥ 100% FPL and ≤ 138% FPL (net)	Count of active re-enrollees (Indicator 4) in households with income greater than or equal to 100% of FPL and less than or equal to 138% FPL (Indicator 52.1).

Indicator	Title	Description
153.3	Automatic Re-enrollees whose income is $\geq$ 100% FPL and $\leq$ 138% FPL (net)	Count of automatic re-enrollees (Indicator 5) in households with income greater than or equal to 100% of FPL and less than or equal to 138% FPL (Indicator 52.1).
154	New consumers whose income is $\geq$ 100% FPL and $\leq$ 150% FPL (net)	Count of new consumers (Indicator 2) in households with income greater than or equal to 100% of FPL and less than or equal to 150% FPL (Indicator 52).
155	Active re-enrollees whose income is $\geq$ 100% FPL and $\leq$ 150% FPL (net)	Count of active re-enrollees (Indicator 4) in households with income greater than or equal to 100% of FPL and less than or equal to 150% FPL (Indicator 52).
156	Automatic Re-enrollees whose income is $\geq$ 100% FPL and $\leq$ 150% FPL (net)	Count of automatic re-enrollees (Indicator 5) in households with income greater than or equal to 100% of FPL and less than or equal to 150% FPL (Indicator 52).
157	New consumers whose income is $>$ 150% FPL and $\leq$ 200% FPL (net)	Count of new consumers (Indicator 2) in households with income greater than 150% of FPL and less than or equal to 200% FPL (Indicator 53).
158	Active re-enrollees whose income is 150% FPL and $\leq$ 200% FPL (net)	Count of active re-enrollees (Indicator 4) in households with income greater than 150% of FPL and less than or equal to 200% FPL (Indicator 53).
159	Automatic Re-enrollees whose income is $>$ 150% FPL and $\leq$ 200% FPL (net)	Count of automatic re-enrollees (Indicator 5) in households with income greater than 150% of FPL and less than or equal to 200% FPL (Indicator 53).
159.1	New consumers whose income is $>$ 200% FPL and $\leq$ 250% FPL (net)	Count of new consumers (Indicator 2) in households with income greater than 200% of FPL and less than or equal to 250% FPL (Indicator 54).
159.2	Active re-enrollees whose income is $>$ 200% FPL and $\leq$ 250% FPL (net)	Count of active re-enrollees (Indicator 4) in households with income greater than 200% of FPL and less than or equal to 250% FPL (Indicator 54).
159.3	Automatic Re-enrollees whose income is $>$ 200% FPL and $\leq$ 250% FPL (net)	Count of automatic re-enrollees (Indicator 5) in households with income greater than 200% of FPL and less than or equal to 250% FPL (Indicator 54).
160	New consumers whose income is $>$ 250% FPL and $\leq$ 300% FPL (net)	Count of new consumers (Indicator 2) in households with income greater than 250% of FPL and less than or equal to 300% FPL (Indicator 54.1).
161	Active re-enrollees whose income is $>$ 250% FPL and $\leq$ 300% FPL (net)	Count of active re-enrollees (Indicator 4) in households with income greater than 250% of FPL and less than or equal to 300% FPL (Indicator 54.1).
162	Automatic Re-enrollees whose income is $>$ 250% FPL and $\leq$ 300% FPL (net)	Count of automatic re-enrollees (Indicator 5) in households with income greater than 250% of FPL and less than or equal to 300% FPL (Indicator 54.1).
162.1	New consumers whose income is $>$ 300% FPL and $\leq$ 350% FPL (net)	Count of new consumers (Indicator 2) in households with income greater than 300% of FPL and less than or equal to 350% FPL (Indicator 54.2).
162.2	Active re-enrollees whose income is $>$ 300% FPL and $\leq$ 350% FPL (net)	Count of active re-enrollees (Indicator 4) in households with income greater than 300% of FPL and less than or equal to 350% FPL (Indicator 54.2).
162.3	Automatic Re-enrollees whose income is $>$ 300% FPL and $\leq$ 350% FPL (net)	Count of automatic re-enrollees (Indicator 5) in households with income greater than 300% of FPL and less than or equal to 350% FPL (Indicator 54.2).

Indicator	Title	Description
162.4	New consumers whose income is > 350% FPL and ≤ 400% FPL	Count of new consumers (Indicator 2) in households with income greater than 350% of FPL and less than or equal to 400% FPL (Indicator 54.3).
162.5	Active re-enrollees whose income is > 350% FPL and ≤ 400% FPL (net)	Count of active re-enrollees (Indicator 4) in households with income greater than 350% of FPL and less than or equal to 400% FPL (Indicator 54.3).
162.6	Automatic Re-enrollees whose income is > 350% FPL and ≤ 400% FPL (net)	Count of automatic re-enrollees (Indicator 5) in households with income greater than 350% of FPL and less than or equal to 400% FPL (Indicator 54.3).
163	New consumers whose income is > 400% FPL (net)	Count of new consumers (Indicator 2) in households with income greater than 400% of FPL (Indicator 55).
164	Active re-enrollees whose income is > 400% FPL (net)	Count of active re-enrollees (Indicator 4) in households with income greater than 400% of FPL (Indicator 55).
165	Automatic Re-enrollees whose income is > 400% FPL (net)	Count of automatic re-enrollees (Indicator 5) in households with income greater than 400% of FPL (Indicator 55).
165.1	New consumers whose income is > 500% FPL (net)	Count of new consumers (Indicator 2) in households with income greater than 500% of FPL (Indicator 55.1).
165.2	Active re-enrollees whose income is > 500% FPL (net)	Count of active re-enrollees (Indicator 4) in households with income greater than 500% of FPL (Indicator 55.1).
165.3	Automatic Re-enrollees whose income is > 500% FPL (net)	Count of automatic re-enrollees (Indicator 5) in households with income greater than 500% of FPL (Indicator 55.1).
166	New consumers whose income is unknown (net)	Count of new consumers (Indicator 2) in households with income unknown (Indicator 56).
167	Active re-enrollees whose income is unknown (net)	Count of active re-enrollees (Indicator 4) in households with income unknown (Indicator 56).
168	Automatic Re-enrollees whose income is unknown (net)	Count of automatic re-enrollees (Indicator 5) in households with income unknown (Indicator 56).
331	New consumers whose gender is Female (net)	Count of new consumers (Indicator 2) whose gender is Female, according to the selected policy (Indicator 35).
332	Active re-enrollees whose gender is Female (net)	Count of active re-enrollees (Indicator 4) whose gender is Female, according to the selected policy (Indicator 35).
333	Automatic re-enrollees whose gender is Female (net)	Count of automatic re-enrollees (Indicator 5) whose gender is Female, according to the selected policy (Indicator 35).
334	New consumers whose gender is Male (net)	Count of new consumers (Indicator 2) whose gender is Male, according to the selected policy (Indicator 36).

Indicator	Title	Description
335	Active re-enrollees whose gender is Male (net)	Count of active re-enrollees (Indicator 4) whose gender is Male, according to the selected policy (Indicator 36).
336	Automatic re-enrollees whose gender is Male (net)	Count of automatic re-enrollees (Indicator 5) whose gender is Male, according to the selected policy (Indicator 36).
337	New consumers whose gender is unknown (net)	Count of new consumers (Indicator 2) where gender is unknown, according to the selected policy (Indicator 37).
338	Active re-enrollees whose gender is unknown (net)	Count of active re-enrollees (Indicator 4) where gender is unknown, according to the selected policy (Indicator 37).
339	Automatic re-enrollees whose gender is unknown (net)	Count of automatic re-enrollees (Indicator 5) where gender is unknown, according to the selected policy (Indicator 37).
340	New consumers whose Ethnicity is Hispanic or Latino	Count of new consumers (Indicator 2) who have indicated they are Mexican, Mexican American or Chicano/a, Puerto Rican, Cuban, or “other Hispanic or Latino ethnicity” on their application. Individuals who have indicated that they are Hispanic or Latino should be counted, regardless of the race selection on their application (Indicator 38).
341	Active re-enrollees whose Ethnicity is Hispanic or Latino	Count of active re-enrollees (Indicator 4) who have indicated they are Mexican, Mexican American or Chicano/a, Puerto Rican, Cuban, or “other Hispanic or Latino ethnicity” on their application. Individuals who have indicated that they are Hispanic or Latino should be counted, regardless of the race selection on their application (Indicator 38).
342	Automatic re-enrollees whose Ethnicity is Hispanic or Latino	Count of automatic re-enrollees (Indicator 5) who have indicated they are Mexican, Mexican American or Chicano/a, Puerto Rican, Cuban, or “other Hispanic or Latino ethnicity” on their application. Individuals who have indicated that they are Hispanic or Latino should be counted, regardless of the race selection on their application (Indicator 38).
343	New consumers whose Race is White	Count of new consumers (Indicator 2) who have indicated they are white on their application. Individuals who have indicated that they are white should be counted, regardless of the ethnicity selection on their application (Indicator 39).
344	Active re-enrollees whose Race is White	Count of active re-enrollees (Indicator 4) who have indicated they are white on their application. Individuals who have indicated that they are white should be counted, regardless of the ethnicity selection on their application (Indicator 39).

Indicator	Title	Description
345	<b>Automatic re-enrollees whose Race is White</b>	Count of automatic re-enrollees (Indicator 5) who have indicated they are white on their application. Individuals who have indicated that they are white should be counted, regardless of the ethnicity selection on their application (Indicator 39).
346	<b>New consumers whose Race/Ethnicity is White, Non-Hispanic</b>	Count of new consumers (Indicator 2) who have 1. Indicated that they are white on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 39.1).
347	<b>Active re-enrollees whose Race/Ethnicity is White, Non-Hispanic</b>	Count of active re-enrollees (Indicator 4) who have 1. Indicated that they are white on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 39.1).
348	<b>Automatic re-enrollees whose Race/Ethnicity is White, Non-Hispanic</b>	Count of automatic re-enrollees (Indicator 5) who have 1. Indicated that they are white on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 39.1).
349	<b>New consumers whose Race is African American</b>	Count of new consumers (Indicator 2) who have indicated they are black or African American on their application. Individuals who have indicated that they are black or African American should be counted, regardless of the ethnicity selection on their application (Indicator 40).
350	<b>Active re-enrollees whose Race is African American</b>	Count of active re-enrollees (Indicator 4) who have indicated they are black or African American on their application. Individuals who have indicated that they are black or African American should be counted, regardless of the ethnicity selection on their application (Indicator 40).
351	<b>Automatic re-enrollees whose Race is African American</b>	Count of automatic re-enrollees (Indicator 5) who have indicated they are black or African American on their application. Individuals who have indicated that they are black or African American should be counted, regardless of the ethnicity selection on their application (Indicator 40).
352	<b>New consumers whose Race/Ethnicity is African American, Non-Hispanic</b>	Count of new consumers (Indicator 2) who have 1. Indicated that they are black or African American on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 40.1).

Indicator	Title	Description
353	Active re-enrollees whose Race/Ethnicity is African American, Non-Hispanic	Count of active re-enrollees (Indicator 4) who have 1. Indicated that they are black or African American on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 40.1).
354	Automatic re-enrollees whose Race/Ethnicity is African American, Non-Hispanic	Count of automatic re-enrollees (Indicator 5) who have 1. Indicated that they are black or African American on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 40.1).
355	New consumers whose Race is Asian	Count of new consumers (Indicator 2) who have indicated they are Asian Indian, Chinese, Filipino, Korean, Vietnamese, Japanese, or “other Asian” on their application. Individuals who have indicated that they are Asian should be counted, regardless of the ethnicity selection on their application (Indicator 41).
356	Active re-enrollees whose Race is Asian	Count of active re-enrollees (Indicator 4) who have indicated they are Asian Indian, Chinese, Filipino, Korean, Vietnamese, Japanese, or “other Asian” on their application. Individuals who have indicated that they are Asian should be counted, regardless of the ethnicity selection on their application (Indicator 41).
357	Automatic re-enrollees whose Race is Asian	Count of automatic re-enrollees (Indicator 5) who have indicated they are Asian Indian, Chinese, Filipino, Korean, Vietnamese, Japanese, or “other Asian” on their application. Individuals who have indicated that they are Asian should be counted, regardless of the ethnicity selection on their application (Indicator 41).
358	New consumers whose Race/Ethnicity is Asian, Non-Hispanic	Count of new consumers (Indicator 2) who have 1. Indicated that they are Asian Indian, Chinese, Filipino, Korean, Vietnamese, Japanese, or “other Asian” on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 41.1).
359	Active re-enrollees whose Race/Ethnicity is Asian, Non-Hispanic	Count of active re-enrollees (Indicator 4) who have 1. Indicated that they are Asian Indian, Chinese, Filipino, Korean, Vietnamese, Japanese, or “other Asian” on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 41.1).

Indicator	Title	Description
360	<b>Automatic re-enrollees whose Race/Ethnicity is Asian, Non-Hispanic</b>	Count of automatic re-enrollees (Indicator 5) who have 1. Indicated that they are Asian Indian, Chinese, Filipino, Korean, Vietnamese, Japanese, or “other Asian” on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 41.1).
361	<b>New consumers whose Race is Native Hawaiian/Pacific Islander</b>	Count of new consumers (Indicator 2) who have indicated they are Guamanian or Chamorro, Native Hawaiian, Samoan, or “other Pacific Islander” on their application. Individuals who have indicated that they are Native Hawaiian or Pacific Islander should be counted, regardless of the ethnicity selection on their application (Indicator 42).
362	<b>Active re-enrollees whose Race is Native Hawaiian/Pacific Islander</b>	Count of active re-enrollees (Indicator 4) who have indicated they are Guamanian or Chamorro, Native Hawaiian, Samoan, or “other Pacific Islander” on their application. Individuals who have indicated that they are Native Hawaiian or Pacific Islander should be counted, regardless of the ethnicity selection on their application (Indicator 42).
363	<b>Automatic re-enrollees whose Race is Native Hawaiian/Pacific Islander</b>	Count of automatic re-enrollees (Indicator 5) who have indicated they are Guamanian or Chamorro, Native Hawaiian, Samoan, or “other Pacific Islander” on their application. Individuals who have indicated that they are Native Hawaiian or Pacific Islander should be counted, regardless of the ethnicity selection on their application (Indicator 42).
364	<b>New consumers whose Race/Ethnicity is Native Hawaiian/Pacific Islander, Non-Hispanic</b>	Count of new consumers (Indicator 2) who have 1. Indicated that they are Guamanian or Chamorro, Native Hawaiian, Samoan, or “other Pacific Islander” on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 42.1).
365	<b>Active re-enrollees whose Race/Ethnicity is Native Hawaiian/Pacific Islander, Non-Hispanic</b>	Count of active re-enrollees (Indicator 4) who have 1. Indicated that they are Guamanian or Chamorro, Native Hawaiian, Samoan, or “other Pacific Islander” on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 42.1).

Indicator	Title	Description
366	<b>Automatic re-enrollees whose Race/Ethnicity is Native Hawaiian/Pacific Islander, Non-Hispanic</b>	Count of automatic re-enrollees (Indicator 5) who have 1. Indicated that they are Guamanian or Chamorro, Native Hawaiian, Samoan, or “other Pacific Islander” on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 42.1).
367	<b>New consumers whose Race is American Indian/Alaska Native</b>	Count of new consumers (Indicator 2) who have indicated they are American Indian or Alaska Native on their application. Individuals who have indicated that they are American Indian or Alaska Native should be counted, regardless of the ethnicity selection on their application (Indicator 43).
368	<b>Active re-enrollees whose Race is American Indian/Alaska Native</b>	Count of active re-enrollees (Indicator 4) who have indicated they are American Indian or Alaska Native on their application. Individuals who have indicated that they are American Indian or Alaska Native should be counted, regardless of the ethnicity selection on their application (Indicator 43).
369	<b>Automatic re-enrollees whose Race is American Indian/Alaska Native</b>	Count of automatic re-enrollees (Indicator 5) who have indicated they are American Indian or Alaska Native on their application. Individuals who have indicated that they are American Indian or Alaska Native should be counted, regardless of the ethnicity selection on their application (Indicator 43).
370	<b>New consumers whose Race/Ethnicity is American Indian/Alaska Native, Non-Hispanic</b>	Count of new consumers (Indicator 2) who have 1. Indicated that they are American Indian or Alaska Native on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 43.1).
371	<b>Active re-enrollees whose Race/Ethnicity is American Indian/Alaska Native, Non-Hispanic</b>	Count of active re-enrollees (Indicator 4) who have 1. Indicated that they are American Indian or Alaska Native on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 43.1).
372	<b>Automatic re-enrollees whose Race/Ethnicity is American Indian/Alaska Native, Non-Hispanic</b>	Count of automatic re-enrollees (Indicator 5) who have 1. Indicated that they are American Indian or Alaska Native on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 43.1).

Indicator	Title	Description
373	<b>New consumers whose Race is Middle Eastern/North African</b>	Count of new consumers (Indicator 2) who have indicated they are Lebanese, Iranian, Egyptian, Syrian, Iraqi, and Israeli, or “other Middle Eastern or North African” on their application. Individuals who have indicated that they are Middle Eastern or North African should be counted, regardless of the ethnicity selection on their application (Indicator 43.2).
374	<b>Active re-enrollees whose Race is Middle Eastern/North African</b>	Count of active re-enrollees (Indicator 4) who have indicated they are Lebanese, Iranian, Egyptian, Syrian, Iraqi, and Israeli, or “other Middle Eastern or North African” on their application. Individuals who have indicated that they are Middle Eastern or North African should be counted, regardless of the ethnicity selection on their application (Indicator 43.2).
375	<b>Automatic re-enrollees whose Race is Middle Eastern/North African</b>	Count of automatic re-enrollees (Indicator 5) who have indicated they are Lebanese, Iranian, Egyptian, Syrian, Iraqi, and Israeli, or “other Middle Eastern or North African” on their application. Individuals who have indicated that they are Middle Eastern or North African should be counted, regardless of the ethnicity selection on their application (Indicator 43.2).
376	<b>New consumers whose Race/Ethnicity is Middle Eastern/North African, Non-Hispanic</b>	Count of new consumers (Indicator 2) who have 1. Indicated that they are Lebanese, Iranian, Egyptian, Syrian, Iraqi, and Israeli, or “other Middle Eastern or North African” and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 43.3).
377	<b>Active re-enrollees whose Race/Ethnicity is Middle Eastern/North African, Non-Hispanic</b>	Count of active re-enrollees (Indicator 4) who have 1. Indicated that they are Lebanese, Iranian, Egyptian, Syrian, Iraqi, and Israeli, or “other Middle Eastern or North African” and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 43.3).
378	<b>Automatic re-enrollees whose Race/Ethnicity is Middle Eastern/North African, Non-Hispanic</b>	Count of automatic re-enrollees (Indicator 5) who have 1. Indicated that they are Lebanese, Iranian, Egyptian, Syrian, Iraqi, and Israeli, or “other Middle Eastern or North African” and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 43.3).

Indicator	Title	Description
379	<b>New consumers whose Race is Multi-Racial</b>	Count of new consumers (Indicator 2) who have indicated more than one distinct racial group: American Indian / Alaska Native, Asian, Native Hawaiian / Pacific Islander, African-American, Middle Eastern / North African, and White, on their application. Individuals who have indicated more than one racial group should be counted, regardless of the ethnicity selection on their application (Indicator 44).
380	<b>Active re-enrollees whose Race is Multi-Racial</b>	Count of active re-enrollees (Indicator 4) who have indicated more than one distinct racial group: American Indian / Alaska Native, Asian, Native Hawaiian / Pacific Islander, African-American, Middle Eastern / North African, and White, on their application. Individuals who have indicated more than one racial group should be counted, regardless of the ethnicity selection on their application (Indicator 44).
381	<b>Automatic re-enrollees whose Race is Multi-Racial</b>	Count of automatic re-enrollees (Indicator 5) who have indicated more than one distinct racial group: American Indian / Alaska Native, Asian, Native Hawaiian / Pacific Islander, African-American, Middle Eastern / North African, and White, on their application. Individuals who have indicated more than one racial group should be counted, regardless of the ethnicity selection on their application (Indicator 44).
382	<b>New consumers whose Race/Ethnicity is Multi-Racial, Non-Hispanic</b>	Count of new consumers (Indicator 2) who have 1. Indicated more than one distinct racial group: American Indian / Alaska Native, Asian, Native Hawaiian / Pacific Islander, African-American, Middle Eastern / North African, and White, on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application should be counted (Indicator 44.1).
383	<b>Active re-enrollees whose Race/Ethnicity is Multi-Racial, Non-Hispanic</b>	Count of active re-enrollees (Indicator 4) who have 1. Indicated more than one distinct racial group: American Indian / Alaska Native, Asian, Native Hawaiian / Pacific Islander, African-American, Middle Eastern / North African, and White, on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application should be counted (Indicator 44.1).

Indicator	Title	Description
384	<b>Automatic re-enrollees whose Race/Ethnicity is Multi-Racial, Non-Hispanic</b>	Count of automatic re-enrollees (Indicator 5) who have 1. Indicated more than one distinct racial group: American Indian / Alaska Native, Asian, Native Hawaiian / Pacific Islander, African-American, Middle Eastern / North African, and White, on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application should be counted (Indicator 44.1).
385	<b>New consumers whose Race/Ethnicity is Unknown, Non-Hispanic</b>	Count of new consumers (Indicator 2) who 1. did not indicate a race on their application and 2. indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 45).
386	<b>Active re-enrollees whose Race/Ethnicity is Unknown, Non-Hispanic</b>	Count of active re-enrollees (Indicator 4) who 1. did not indicate a race on their application and 2. indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 45).
387	<b>Automatic re-enrollees whose Race/Ethnicity is Unknown, Non-Hispanic</b>	Count of automatic re-enrollees (Indicator 5) who 1. did not indicate a race on their application and 2. indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application (Indicator 45).
388	<b>New consumers whose Race is Other</b>	Count of new consumers (Indicator 2) who have indicated another race or “Other” on their application. Individuals should be counted, regardless of the ethnicity selection on their application. This does not include individuals who are already counted in indicators 39-45 and indicated other Asian, other Pacific Islander, etc. (Indicator 45.1).
389	<b>Active re-enrollees whose Race is Other</b>	Count of active re-enrollees (Indicator 4) who have indicated another race or “Other” on their application. Individuals should be counted, regardless of the ethnicity selection on their application. This does not include individuals who are already counted in indicators 39-45 and indicated other Asian, other Pacific Islander, etc. (Indicator 45.1).
390	<b>Automatic re-enrollees whose Race is Other</b>	Count of automatic re-enrollees (Indicator 5) who have indicated another race or “Other” on their application. Individuals should be counted, regardless of the ethnicity selection on their application. This does not include individuals who are already counted in indicators 39-45 and indicated other Asian, other Pacific Islander, etc. (Indicator 45.1).

Indicator	Title	Description
391	<b>New consumers whose Race/Ethnicity is Other, Non-Hispanic</b>	Count of new consumers (Indicator 2) who have 1. Indicated another race or “Other” on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application. This does not include individuals who are already counted in indicators 38-45 and indicated other Hispanic or Latino, other Asian, other Pacific Islander, etc. (Indicator 45.2).
392	<b>Active re-enrollees whose Race/Ethnicity is Other, Non-Hispanic</b>	Count of active re-enrollees (Indicator 4) who have 1. Indicated another race or “Other” on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application. This does not include individuals who are already counted in indicators 38-45 and indicated other Hispanic or Latino, other Asian, other Pacific Islander, etc. (Indicator 45.2).
393	<b>Automatic re-enrollees whose Race/Ethnicity is Other, Non-Hispanic</b>	Count of automatic re-enrollees (Indicator 5) who have 1. Indicated another race or “Other” on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application. This does not include individuals who are already counted in indicators 38-45 and indicated other Hispanic or Latino, other Asian, other Pacific Islander, etc. (Indicator 45.2).

***Exhibit 9: Basic Health Plan Program/Other – only for states with BHP or 1332 plan***

Indicator	Title	Description
169	<b>Total BHP Enrollees/Other (net)</b>	Count of unique individuals who have enrolled in BHP or other related programs. Count does not include enrollments that were canceled or terminated, or individuals enrolled in Medicaid/CHIP programs that are not BHP.
170	<b>New BHP/Other Enrollees (New Enrollees) (net)</b>	Count of unique individuals who have enrolled in BHP or other related programs who were not enrolled in an exchange-facilitated program (i.e. BHP, QHP, or any other integrated programs, like Medicaid) immediately prior to this BHP enrollment.
171	<b>BHP/Other Re-enrollees (net)</b>	Count of unique individuals who have enrolled in BHP or other related programs who were enrolled in an exchange-facilitated program (i.e. BHP, QHP, or any other integrated programs, like Medicaid) immediately prior to this BHP enrollment.

Indicator	Title	Description
172	Consumers Eligible for BHP/Other (net)	Count of all individuals determined or assessed eligible for BHP or other related programs. Only individuals on submitted applications and requesting coverage are included. Count all individuals determined/assessed eligible even if the individual does not subsequently enroll in coverage.
173	Consumers enrolled in BHP/Other as of 11/1/20XX (ONE TIME)	Count of unique individuals with non-canceled BHP or other related program coverage ending as of 11/1/20XX .
174	Number of BHP/Other Enrollees where age is 0 - 17 (net)	Count of unique individuals who have non-canceled BHP or other related program coverage and who are age 0 - 17. Age represents the recorded age as of the policy effective coverage date.
175	Number of BHP/Other Enrollees where age 18 - 25 (net)	Count of unique individuals who have non-canceled BHP or other related program coverage and who are age 18 - 25. Age represents the recorded age as of the policy effective coverage date.
175.1	Number of BHP/Other Enrollees where age is 26 - 34 (net)	Count of unique individuals who have non-canceled BHP or other related program coverage and who are age 26 - 34. Age represents the recorded age as of the policy effective coverage date.
176	Number BHP/Other Enrollees where age 35 - 44 (net)	Count of unique individuals who have non-canceled BHP or other related program coverage and who are age 35 - 44. Age represents the recorded age as of the policy effective coverage date.
176.1	Number of BHP/Other Enrollees where age is 45 - 54 (net)	Count of unique individuals who have non-canceled BHP or other related program coverage and who are age 45 - 54. Age represents the recorded age as of the policy effective coverage date.
177	Number of BHP/Other Enrollees where age ≥55 (net)	Count of unique individuals who have non-canceled BHP or other related program coverage and who are age ≥55. Age represents the recorded age as of the policy effective coverage date.
178	Number of BHP/Other Enrollees where age is unknown (net)	Count of unique individuals who have non-canceled BHP or other related program coverage and whose age is unknown. Age represents the recorded age as of the policy effective coverage date.
179	Number of BHP/Other Enrollees where gender is Female (net)	Count of unique individuals who have non-canceled BHP or other related program coverage and whose gender is Female, according to the selected policy.
180	Number of BHP/Other Enrollees where gender is Male (net)	Count of unique individuals who have non-canceled BHP or other related program coverage and whose gender is Male, according to the selected policy.
181	Number of BHP Enrollees where gender is unknown (net)	Count of unique individuals who have non-canceled BHP or other related program coverage and whose gender is unknown, according to the selected policy.

Indicator	Title	Description
182	<b>Number of BHP/Other Enrollees where Ethnicity is Hispanic or Latino (net)</b>	Count of unique individuals who have non-canceled BHP or other related program other related program coverage and who have indicated they are Mexican, Mexican American or Chicano/a, Puerto Rican, Cuban, or "other Hispanic or Latino ethnicity" on their application. Hispanic or Latino ethnicity should be counted, regardless of the race selection on their application.
183	<b>Number of BHP/Other Enrollees where Race is White (net)</b>	Count of unique individuals who have non-canceled BHP or other related program coverage and who have indicated they are white on their application. Individuals who have indicated that they are white should be counted, regardless of the ethnicity selection on their application.
183.1	<b>Number of BHP/Other Enrollees where Race/Ethnicity is White, Non-Hispanic (net)</b>	Count of unique individuals who have non-canceled BHP or other related program coverage and who 1. Indicated that they are white on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application.
184	<b>Number of BHP/Other Enrollees where Race is African American (net)</b>	Count of unique individuals who have non-canceled BHP or other related program coverage and who have indicated they are black or African American on their application. Individuals who have indicated that they are black or African American should be counted, regardless of the ethnicity selection on their application.
184.1	<b>Number of BHP/Other Enrollees where Race/Ethnicity is African American, Non-Hispanic (net)</b>	Count of unique individuals who have non-canceled BHP or other related program coverage and who 1. Indicated that they are black or African American on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application.
185	<b>Number of BHP/Other Enrollees where Race is Asian (net)</b>	Count of unique individuals who have non-canceled BHP or other related program coverage and who have indicated they are Asian Indian, Chinese, Filipino, Korean, Vietnamese, Japanese, or "other Asian" on their application. Individuals who have indicated that they are Asian should be counted, regardless of the ethnicity selection on their application.
185.1	<b>Number of BHP/Other Enrollees where Race/Ethnicity is Asian, Non-Hispanic (net)</b>	Count of unique individuals who have non-canceled BHP or other related program coverage and who 1. Indicated that they are Asian Indian, Chinese, Filipino, Korean, Vietnamese, Japanese, or "other Asian" on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application.

Indicator	Title	Description
<b>186</b>	<b>Number of BHP/Other Enrollees where Race is Native Hawaiian/Pacific Islander (net)</b>	Count of unique individuals who have non-canceled BHP or other related program coverage and who have indicated they are Guamanian or Chamorro, Native Hawaiian, Samoan, or Other Pacific Islander on their application. Individuals who have indicated that they are Native Hawaiian or Pacific Islander should be counted, regardless of the ethnicity selection on their application.
<b>186.1</b>	<b>Number of BHP/Other Enrollees where Race/Ethnicity is Native Hawaiian/Pacific Islander, Non-Hispanic (net)</b>	Count of unique individuals who have non-canceled BHP or other related program coverage and who 1. Indicated that they are Guamanian or Chamorro, Native Hawaiian, Samoan, or “other Pacific Islander” on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application.
<b>187</b>	<b>Number of BHP/Other Enrollees where Race is American Indian/Alaska Native (net)</b>	Count of unique individuals who have non-canceled BHP or other related program coverage and who have indicated they are American Indian or Alaska Native on their application. Individuals who have indicated that they are American Indian or Alaska Native should be counted, regardless of the ethnicity selection on their application.
<b>187.1</b>	<b>Number of BHP/Other Enrollees where Race/Ethnicity is American Indian/Alaska Native, Non-Hispanic (net)</b>	Count of unique individuals who have non-canceled BHP or other related program coverage and who 1. Indicated that they are American Indian or Alaska Native on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application.
<b>187.2</b>	<b>Number of BHP/Other Enrollees where Race is Middle Eastern/North African (net)</b>	Count of unique individuals who have non-canceled BHP or other related program coverage and who have indicated they are Lebanese, Iranian, Egyptian, Syrian, Iraqi, and Israeli, or “other Middle Eastern or North African” on their application. Individuals who have indicated that they are Middle Eastern or North African should be counted, regardless of the ethnicity selection on their application.
<b>187.3</b>	<b>Number of BHP/Other Enrollees where Race is Middle Eastern/North African, Non-Hispanic (net)</b>	Count of unique individuals who have non-canceled BHP or other related program coverage and who 1. Indicated that they are Lebanese, Iranian, Egyptian, Syrian, Iraqi, and Israeli, or “other Middle Eastern or North African” and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application.

Indicator	Title	Description
<b>188</b>	<b>Number of BHP/Other Enrollees where Race is Multi-Racial (net)</b>	Count of unique individuals who have non-canceled BHP or other related program coverage and who have indicated more than one distinct racial group as defined above: American Indian / Alaska Native, Asian, Native Hawaiian / Pacific Islander, African-American, Middle Eastern / North African, and White, on their application. Individuals who have indicated more than one racial group should be counted, regardless of the ethnicity selection on their application.
<b>188.1</b>	<b>Number of BHP/Other Enrollees where Race/Ethnicity is Multi-Racial, Non-Hispanic (net)</b>	Count of unique individuals who have non-canceled BHP or other related program coverage and who 1. Have indicated more than one distinct racial group: American Indian / Alaska Native, Asian, Native Hawaiian / Pacific Islander, African-American, Middle Eastern / North African, and White, on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application should be counted.
<b>189</b>	<b>Number of BHP/Other Enrollees where Race/Ethnicity is Unknown, Non-Hispanic (net)</b>	Count of unique individuals who 1. Have non-canceled BHP or other related program coverage and who did not indicate a race on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application.
<b>189.1</b>	<b>Number of BHP/Other Enrollees where Race is Other (net)</b>	Count of unique individuals who have non-canceled BHP or other related program coverage and who have indicated another race or "Other" on their application. Individuals should be counted, regardless of the ethnicity selection on their application. This does not include individuals who are already counted in indicators 183-189 and indicated other Asian, other Pacific Islander, etc.
<b>189.2</b>	<b>Number of BHP/Other Enrollees where Race/Ethnicity is Other, Non-Hispanic (net)</b>	Count of unique individuals who have non-canceled BHP or other related program coverage and who 1. Indicated another race or "Other" on their application and 2. Indicated that their ethnicity is not Hispanic or Latino or did not indicate that their ethnicity is Hispanic or Latino on their application. This does not include individuals who are already counted in indicators 182-189 and indicated other Hispanic or Latino, other Asian, other Pacific Islander, etc.

**Exhibit 10: Metal Level by Financial (new section)**

<b>Indicator</b>	<b>Title</b>	<b>Description</b>
<b>394</b>	<b>Bronze plans selected by consumers who receive both CSR and APTC</b>	Count of individuals who selected a bronze medical plan (Indicator 49) and have elected to receive APTC in an amount greater than \$0 and receives CSR. Count includes consumers with APTC and CSRs. Consumers with only APTC or with only CSRs should not be counted.
<b>395</b>	<b>Silver plans selected by consumers who receive both APTC and CSR</b>	Count of individuals who selected a silver medical plan (Indicator 48) and have elected to receive APTC in an amount greater than \$0 and receives CSR. Count includes consumers with APTC and CSRs. Consumers with only APTC or with only CSRs should not be counted.
<b>396</b>	<b>Gold plans selected by consumers who receive both APTC and CSR</b>	Count of individuals who selected a gold medical plan (Indicator 49) and have elected to receive APTC in an amount greater than \$0 and receives CSR. Count includes consumers with APTC and CSRs. Consumers with only APTC or with only CSRs should not be counted.
<b>397</b>	<b>Platinum plans selected by consumers who receive both APTC and CSR</b>	Count of individuals who selected a platinum medical plan (Indicator 46) and have elected to receive APTC in an amount greater than \$0 and receives CSR. Count includes consumers with APTC and CSRs. Consumers with only APTC or with only CSRs should not be counted.
<b>398</b>	<b>Catastrophic plans selected by consumers who receive both APTC and CSR</b>	Count of individuals who selected a catastrophic medical plan (Indicator 50) and have elected to receive APTC in an amount greater than \$0 and receives CSR. Count includes consumers with APTC and CSRs. Consumers with only APTC or with only CSRs should not be counted.
<b>399</b>	<b>Bronze plans selected by consumers who receive APTC only</b>	Count of individuals who selected a bronze medical plan (Indicator 49) and have elected to receive APTC in an amount greater than \$0. Consumers with CSRs should not be counted.
<b>400</b>	<b>Silver plans selected by consumers who receive APTC only</b>	Count of individuals who selected a silver medical plan (Indicator 48) and have elected to receive APTC in an amount greater than \$0. Consumers with CSRs should not be counted.
<b>401</b>	<b>Gold plans selected by consumers who receive APTC only</b>	Count of individuals who selected a gold medical plan (Indicator 49) and have elected to receive APTC in an amount greater than \$0. Consumers with CSRs should not be counted.
<b>402</b>	<b>Platinum plans selected by consumers who receive APTC only</b>	Count of individuals who selected a platinum medical plan (Indicator 46) and have elected to receive APTC in an amount greater than \$0. Consumers with CSRs should not be counted.

Indicator	Title	Description
403	<b>Catastrophic plans selected by consumers who receive APTC only</b>	Count of individuals who selected a catastrophic medical plan (Indicator 50) and have elected to receive APTC in an amount greater than \$0. Consumers with CSRs should not be counted.
404	<b>Bronze plans selected by consumers who receive CSR only</b>	Count of individuals who selected a bronze medical plan (Indicator 49) and receives CSR in an amount greater than \$0. Count may include consumers who are eligible to receive APTC but have elected not to receive APTC.
405	<b>Silver plans selected by consumers who receive CSR only</b>	Count of individuals who selected a silver medical plan (Indicator 48) and receives CSR in an amount greater than \$0. Count may include consumers who are eligible to receive APTC but have elected not to receive APTC.

**Exhibit 12: Plan Selections by Area (new section)**

Indicator	Title	Description
418	Plan Selections by Consumers in Rural Locations	Count of unique consumers in rural locations based on ZIP code and county, as defined by the Health Resources and Services Administration (HRSA).
419	Plan Selections by Consumers in Non-Rural Locations	Count of unique consumers in non-rural locations based on ZIP code and county, as defined by the Health Resources and Services Administration (HRSA).
420	Plan Selections by Consumers in Counties	Count of unique individuals who have selected a Plan Year PY 20XX Marketplace medical plan by county. Count includes all new and re-enrolling consumers (defined in Indicators 2 and 3), regardless of whether the consumer has paid the first month premium. Count does not include plans that were canceled or terminated.
430	DMIs Generated - Annual Income (gross)	Count of households that were subjected to a data matching inconsistency (DMI) based on Annual Household Income.
436	DMIs Generated - Total (gross)	Sum of households that were subjected to Annual Household Income data matching inconsistency (DMI) and individuals who were subjected to any data matching inconsistency of all other DMI types. Note this metric should be the sum of the number of Annual Income DMIs at the household level and the number of individuals with DMIs of all other types.

**Paperwork Reduction Act Statement**

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid Office of Management and Budget (OMB) control number. The valid OMB control number for this information collection is 0938-1119. The time required to complete this information collection is estimated to average 16 hours per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: CMS, 7500 Security Boulevard, Attn: PRA Reports Clearance Officer, Mail Stop C4-26-05, Baltimore, Maryland 21244-1850.
